

“(b) EXCEPTION.—The authority to waive the application of a sanction or prohibition (or portion thereof) under subsection (a) shall not apply with respect to a sanction or prohibition contained in subparagraph (B), (C), or (G) of section 102(b)(2) of the Arms Export Control Act [22 U.S.C. 2799aa-1(b)(2)(B), (C), (G)], unless the President determines, and so certifies to the Congress, that the application of the restriction would not be in the national security interests of the United States.

“(c) TERMINATION OF WAIVER.—The President may not exercise the authority of subsection (a), and any waiver previously issued under subsection (a) shall cease to apply, with respect to India or Pakistan, if that country detonates a nuclear explosive device after the date of the enactment of this Act [Oct. 25, 1999] or otherwise takes such action which would cause the President to report pursuant to section 102(b)(1) of the Arms Export Control Act [22 U.S.C. 2799aa-1(b)(1)].

“(d) TARGETED SANCTIONS.—

“(1) SENSE OF THE CONGRESS.—

“(A) it is the sense of the Congress that the broad application of export controls to nearly 300 Indian and Pakistani entities is inconsistent with the specific national security interests of the United States and that this control list requires refinement; and

“(B) export controls should be applied only to those Indian and Pakistani entities that make direct and material contributions to weapons of mass destruction and missile programs and only to those items that can contribute to such programs.

“(2) REPORTING REQUIREMENT.—Not later than 60 days after the date of the enactment of this Act [Oct. 25, 1999], the President shall submit both a classified and unclassified report to the appropriate congressional committees listing those Indian and Pakistani entities whose activities contribute to missile programs or weapons of mass destruction programs.

“(e) CONGRESSIONAL NOTIFICATION.—The issuance of a license for export of a defense article, defense service, or technology under the authority of this section shall be subject to the same requirements as are applicable to the export of items described in section 36(c) of the Arms Export Control Act (22 U.S.C. 2776(c)), including the transmittal of information and the application of congressional review procedures. The application of these requirements shall be subject to the dollar amount thresholds specified in that section.

“(f) REPEAL.—[Repealed section 101(a) [title IX] of div. A of Pub. L. 105-277, formerly set out below.]”
