(a) Multilateral assistance for Poland and Hungary

(1) In general

To the extent that Poland and Hungary continue to evolve toward pluralism and democracy and to develop and implement comprehensive economic reform programs, the United States Government shall take the leadership in mobilizing international financial institutions, in particular the International Monetary Fund and the International Bank for Reconstruction and Development and its affiliated institutions in the World Bank group, to provide timely and appropriate resources to help Poland and Hungary.

(2) World Bank structural adjustment loan for Poland

In furtherance of paragraph (1), the Secretary of the Treasury shall direct the United States Executive Director of the International Bank for Reconstruction and Development to urge expeditious approval and disbursement by the Bank of a structural adjustment loan to Poland in an appropriate amount in time to facilitate the implementation of major economic reforms scheduled for early 1990, including the termination of energy, export, and agricultural subsidies and wage indexation.

(b) Stabilization assistance, debt relief, and agricultural assistance for Poland

To the extent that Poland continues to evolve toward pluralism and democracy and to develop and implement comprehensive economic reform programs, the United States Government shall do the following:

(1) Stabilization assistance

The United States Government, in conjunction with other member governments of the Organization of Economic Cooperation and Development (OECD) and international financial

institutions (including the International Monetary Fund), shall support the implementation of a plan of the Government of Poland to attack hyperinflation and other structural economic problems, address pressing social problems, carry out comprehensive economic reform, and relieve immediate and urgent balance of payments requirements in Poland, through the use of mechanisms such as—

(A) the Exchange Stabilization Fund pursuant to section 5302 of title 31 and in accordance with established Department of the Treasury policies and procedures; and

(B) the authority provided in section 5412(c) of this title.

In furtherance of section 5411(b)(1) of this title, the President, acting in coordination with the European Community, should seek to ensure that the industrialized democracies undertake an immediate, multilateral effort to respond to Poland's request for \$1,000,000,000 to support its economic stabilization program.
