

(C) the number of women tested and counseled; and

(D) the number of women receiving preventative drug therapies.

(c) Reporting period defined

In this section, the term “reporting period” means, in the case of the initial report, the period since May 27, 2003, and, in the case of any subsequent report, the period since the date of submission of the most recent report.

(Pub. L. 108–25, title III, §313, May 27, 2003, 117 Stat. 741; Pub. L. 110–293, title III, §308, July 30, 2008, 122 Stat. 2964.)

AMENDMENTS

2008—Subsec. (a). Pub. L. 110–293 substituted “10 years” for “5 years”.

DELEGATION OF FUNCTIONS

For delegation of functions of President under this section, see Ex. Ord. No. 12163, Sept. 29, 1979, 44 F.R. 56673, as amended, set out as a note under section 2381 of this title, and Memorandum of President of Feb. 23, 2004, 69 F.R. 9509, set out as a note under section 7611 of this title.

§ 7654. Pilot program of assistance for children and families affected by HIV/AIDS

(a) In general

The President, acting through the United States Agency for International Development, should establish a program of assistance that would demonstrate the feasibility of the provision of care and treatment to orphans and other children and young people affected by HIV/AIDS in foreign countries.

(b) Program requirements

The program should—

(1) build upon and be integrated into programs administered as of May 27, 2003, by the relevant executive branch agencies for children affected by HIV/AIDS;

(2) work in conjunction with indigenous community-based programs and activities, particularly those that offer proven services for children;

(3) reduce the stigma of HIV/AIDS to encourage vulnerable children infected with HIV or living with AIDS and their family members and caregivers to avail themselves of voluntary counseling and testing, and related programs, including treatments;

(4) ensure the importance of inheritance rights of women, particularly women in African countries, due to the exponential growth in the number of young widows, orphaned girls, and grandmothers becoming heads of households as a result of the HIV/AIDS pandemic;

(5) provide, in conjunction with other relevant executive branch agencies, the range of services for the care and treatment, including the provision of antiretrovirals and other necessary pharmaceuticals, of children, parents, and caregivers infected with HIV or living with AIDS;

(6) provide nutritional support and food security, and the improvement of overall family health;

(7) work with parents, caregivers, and community-based organizations to provide children with educational opportunities; and

(8) provide appropriate counseling and legal assistance for the appointment of guardians and the handling of other issues relating to the protection of children.

(c) Report

Not later than 18 months after May 27, 2003, the President should submit a report on the implementation of this section to the appropriate congressional committees. Such report should include a description of activities undertaken to carry out subsection (b)(4).

(d) Authorization of appropriations

(1) In general

In addition to amounts otherwise available for such purpose, there are authorized to be appropriated to the President, from amounts authorized to be appropriated under section 7671 of this title, such sums as may be necessary for each of the fiscal years 2004 through 2008 to carry out the program. A significant percentage of the amount appropriated pursuant to the authorization of appropriations under the preceding sentence for a fiscal year should be made available to carry out subsection (b)(4).

(2) Availability of funds

Amounts appropriated pursuant to paragraph (1) are authorized to remain available until expended.

(Pub. L. 108–25, title III, §314, May 27, 2003, 117 Stat. 742.)

DELEGATION OF FUNCTIONS

For delegation of functions of President under this section, see Ex. Ord. No. 12163, Sept. 29, 1979, 44 F.R. 56673, as amended, set out as a note under section 2381 of this title.

§ 7655. Pilot program on family survival partnerships

(a) Purpose

The purpose of this section is to authorize the President to establish a program, through a public-private partnership, for the provision of medical care and support services to HIV positive parents and their children identified through existing programs to prevent mother-to-child transmission of HIV in countries with or at risk for severe HIV epidemic with particular attention to resource constrained countries.

(b) Grants

(1) In general

The President is authorized to establish a program for the award of grants to eligible administrative organizations to enable such organizations to award subgrants to eligible entities to expand activities to prevent the mother-to-child transmission of HIV by providing medical care and support services to HIV infected parents and their children.

(2) Use of funds

Amounts provided under a grant awarded under paragraph (1) shall be used—

(A) to award subgrants to eligible entities to enable such entities to carry out activities described in subsection (c);

(B) for administrative support and subgrant management;

(C) for administrative data collection and reporting concerning grant activities;

(D) for the monitoring and evaluation of grant activities;

(E) for training and technical assistance for subgrantees; and

(F) to promote sustainability.

(c) Subgrants

(1) In general

An organization awarded a grant under subsection (b) shall use amounts received under the grant to award subgrants to eligible entities.

(2) Eligibility

To be eligible to receive a subgrant under paragraph (1), an entity shall—

(A) be a local health organization, an international organization, or a partnership of such organizations; and

(B) demonstrate to the awarding organization that such entity—

(i) is currently administering a proven intervention to prevent mother-to-child transmission of HIV in countries with or at risk for severe HIV epidemic with particular attention to resource constrained countries, as determined by the President;

(ii) has demonstrated support for the proposed program from relevant government entities; and

(iii) is able to provide HIV care, including antiretroviral treatment when medically indicated, to HIV positive women, men, and children with the support of the project funding.

(3) Local health and international organizations

For purposes of paragraph (2)(A)—

(A) the term “local health organization” means a public sector health system, non-governmental organization, institution of higher education, community-based organization, or nonprofit health system that provides directly, or has a clear link with a provider for the indirect provision of, primary health care services; and

(B) the term “international organization” means—

- (i) a nonprofit international entity;
- (ii) an international charitable institution;
- (iii) a private voluntary international entity; or
- (iv) a multilateral institution.

(4) Priority requirement

In awarding subgrants under this subsection, the organization shall give priority to eligible applicants that are currently administering a program of proven intervention to HIV positive individuals to prevent mother-to-child transmission in countries with or at risk for severe HIV epidemic with particular attention to resource constrained countries, and who are

currently administering a program to HIV positive women, men, and children to provide life-long care in family-centered care programs using non-Federal funds.

(5) Selection of subgrant recipients

In awarding subgrants under this subsection, the organization should—

(A) consider applicants from a range of health care settings, program approaches, and geographic locations; and

(B) if appropriate, award not less than 1 grant to an applicant to fund a national system of health care delivery to HIV positive families.

(6) Use of subgrant funds

An eligible entity awarded a subgrant under this subsection shall use subgrant funds to expand activities to prevent mother-to-child transmission of HIV by providing medical treatment and care and support services to parents and their children, which may include—

(A) providing treatment and therapy, when medically indicated, to HIV-infected women, their children, and families;

(B) the hiring and training of local personnel, including physicians, nurses, other health care providers, counselors, social workers, outreach personnel, laboratory technicians, data managers, and administrative support personnel;

(C) paying laboratory costs, including costs related to necessary equipment and diagnostic testing and monitoring (including rapid testing), complete blood counts, standard chemistries, and liver function testing for infants, children, and parents, and costs related to the purchase of necessary laboratory equipment;

(D) purchasing pharmaceuticals for HIV-related conditions, including antiretroviral therapies;

(E) funding support services, including adherence and psychosocial support services;

(F) operational support activities; and

(G) conducting community outreach and capacity building activities, including activities to raise the awareness of individuals of the program carried out by the subgrantee, other communications activities in support of the program, local advisory board functions, and transportation necessary to ensure program participation.

(d) Reports

The President shall require that each organization awarded a grant under subsection (b)(1) to submit an annual report that includes—

(1) the progress of programs funded under this section;

(2) the benchmarks of success of programs funded under this section; and

(3) recommendations of how best to proceed with the programs funded under this section upon the expiration of funding under subsection (e).

(e) Funding

There are authorized to be appropriated to the President, from amounts authorized to be appro-

priated under section 7671 of this title, such sums as may be necessary for each of the fiscal years 2004 through 2008 to carry out the program.

(f) Limitation on administrative expenses

An organization shall ensure that not more than 7 percent of the amount of a grant received under this section by the organization is used for administrative expenses.

(Pub. L. 108–25, title III, §315, May 27, 2003, 117 Stat. 743.)

DELEGATION OF FUNCTIONS

For delegation of functions of President under this section, see Ex. Ord. No. 12163, Sept. 29, 1979, 44 F.R. 56673, as amended, set out as a note under section 2381 of this title.

SUBCHAPTER IV—AUTHORIZATION OF APPROPRIATIONS

§ 7671. Authorization of appropriations

(a) In general

There are authorized to be appropriated to the President to carry out this chapter and the amendments made by this chapter \$48,000,000,000 for the 5-year period beginning on October 1, 2008.

(b) Availability

Amounts appropriated pursuant to the authorization of appropriations in subsection (a) are authorized to remain available until expended.

(c) Availability of authorizations

Authorizations of appropriations under subsection (a) shall remain available until the appropriations are made.

(Pub. L. 108–25, title IV, §401, May 27, 2003, 117 Stat. 745; Pub. L. 110–293, title IV, §401(a), July 30, 2008, 122 Stat. 2966.)

Editorial Notes

REFERENCES IN TEXT

This chapter, referred to in subsec. (a), was in the original “this Act”, meaning Pub. L. 108–25, May 27, 2003, 117 Stat. 711, which is classified principally to this chapter. For complete classification of this Act to the Code, see Short Title note set out under section 7601 of this title and Tables.

AMENDMENTS

2008—Subsec. (a). Pub. L. 110–293 substituted “\$48,000,000,000 for the 5-year period beginning on October 1, 2008” for “\$3,000,000,000 for each of the fiscal years 2004 through 2008”.

§ 7672. Sense of Congress

(a) Increase in HIV/AIDS antiretroviral treatment

It is a sense of the Congress that an urgent priority of United States assistance programs to fight HIV/AIDS should be the rapid increase in distribution of antiretroviral treatment so that—

- (1) by the end of fiscal year 2004, at least 500,000 individuals with HIV/AIDS are receiving antiretroviral treatment through United States assistance programs;

- (2) by the end of fiscal year 2005, at least 1,000,000 such individuals are receiving such treatment; and

- (3) by the end of fiscal year 2006, at least 2,000,000 such individuals are receiving such treatment.

(b) Effective distribution of HIV/AIDS funds

It is the sense of Congress that, of the amounts appropriated pursuant to the authorization of appropriations under section 7671 of this title for HIV/AIDS assistance, 10 percent should be used for orphans and vulnerable children.

(Pub. L. 108–25, title IV, §402, May 27, 2003, 117 Stat. 745; Pub. L. 110–293, title IV, §402, July 30, 2008, 122 Stat. 2966.)

Editorial Notes

AMENDMENTS

2008—Subsec. (b). Pub. L. 110–293 substituted “10 percent should be used” for “an effective distribution of such amounts would be—

“(1) 55 percent of such amounts for treatment of individuals with HIV/AIDS;

“(2) 15 percent of such amounts for palliative care of individuals with HIV/AIDS;

“(3) 20 percent of such amounts for HIV/AIDS prevention consistent with section 2151b–2(d) of this title, of which such amount at least 33 percent should be expended for abstinence-until-marriage programs; and

“(4) 10 percent of such amounts”.

§ 7673. Allocation of funds

(a) Balanced funding requirement

(1) In general

The Global AIDS Coordinator shall—

(A) provide balanced funding for prevention activities for sexual transmission of HIV/AIDS; and

(B) ensure that activities promoting abstinence, delay of sexual debut, monogamy, fidelity, and partner reduction are implemented and funded in a meaningful and equitable way in the strategy for each host country based on objective epidemiological evidence as to the source of infections and in consultation with the government of each host country¹ involved in HIV/AIDS prevention activities.

(2) Prevention strategy

(A) Establishment

In carrying out paragraph (1), the Global AIDS Coordinator shall establish an HIV sexual transmission prevention strategy governing the expenditure of funds authorized under this chapter to prevent the sexual transmission of HIV in any host country with a generalized epidemic.

(B) Report

In each host country described in subparagraph (A), if the strategy established under subparagraph (A) provides less than 50 percent of the funds described in subparagraph (A) for activities promoting abstinence, delay of sexual debut, monogamy, fidelity,
