The Secretary of State is authorized and directed to publish this memorandum in the Federal Register.

BARACK OBAMA.

§ 8802. Sense of Congress relating to violations of human rights by Iran

(a) Finding

Congress finds that the interests of the United States and international peace are threatened by the ongoing and destabilizing actions of the Government of Iran, including its massive, systematic, and extraordinary violations of the human rights of its own citizens.

(b) Sense of Congress

It is the sense of Congress that the United States should—

- (1) deny the Government of Iran the ability to continue to oppress the people of Iran and to use violence and executions against pro-democracy protestors and regime opponents;

- (2) fully and publicly support efforts made by the people of Iran to promote the establishment of basic freedoms that build the foundation for the emergence of a freely elected, open, and democratic political system;

- (3) help the people of Iran produce, access, and share information freely and safely via the Internet and through other media; and

- (4) defeat all attempts by the Government of Iran to jam or otherwise obstruct international satellite broadcast signals.

§ 8803. Imposition of sanctions with respect to the energy, shipping, and shipbuilding sectors of Iran

(a) Findings

Congress makes the following findings:

- (1) Iran's energy, shipping, and shipbuilding sectors and Iran's ports are facilitating the Government of Iran's nuclear proliferation activities by providing revenue to support proliferation activities.

- (2) The United Nations Security Council and the United States Government have expressed concern about the proliferation risks presented by the Iranian nuclear program.

- (3) The Director General of the International Atomic Energy Agency (in this section referred to as the "IAEA") has in successive reports (GOV/2012/37 and GOV/2011/65) identified possible military dimensions of Iran's nuclear program.

- (4) The Government of Iran continues to defy the requirements and obligations contained in relevant IAEA Board of Governors and United Nations Security Council resolutions, including by continuing and expanding uranium enrichment activities in Iran, as reported in IAEA Report GOV/2012/37.
