§ 406. Sale of timber on lands held under trust

(a) Deductions for administrative expenses; standards guiding sales

The timber on any Indian land held under a trust or other patent containing restrictions on alienations may be sold by the owner or owners with the consent of the Secretary of the Interior, and the proceeds from such sales, after deductions for administrative expenses to the extent permissible under section 413 of this title, shall be paid to the owner or owners or disposed of for their benefit under regulations to be prescribed by the Secretary of the Interior. It is the intention of Congress that a deduction for administrative expenses may be made in any case unless the deduction would violate a treaty obligation or amount to a taking of private property for public use without just compensation in violation of the fifth amendment to the Constitution. Sales of timber under this subsection shall

be based upon a consideration of the needs and best interests of the Indian owner and his heirs. The Secretary shall take into consideration, among other things, (1) the state of growth of the timber and the need for maintaining the productive capacity of the land for the benefit of the owner and his heirs, (2) the highest and best use of the land, including the advisability and practicality of devoting it to other uses for the benefit of the owner and his heirs, and (3) the present and future financial needs of the owner and his heirs.

(b) Undivided interests

Upon the request of the owners of a majority Indian interest in land in which any undivided interest is held under a trust or other patent containing restrictions on alienations, the Secretary of the Interior is authorized to sell all undivided Indian trust or restricted interests in any part of the timber on such land.

(c) Unrestricted interests

Upon the request of the owner of an undivided but unrestricted interest in land in which there are trust or restricted Indian interests, the Secretary of the Interior is authorized to include such unrestricted interest in a sale of the trust or restricted Indian interests in timber sold pursuant to this section, and to perform any functions required of him by the contract of sale for both the restricted and the unrestricted interests, including the collection and disbursement of payments for timber and the deduction from such payments of sums in lieu of administrative expenses.

(d) Representation of minors and others

For the purposes of this Act, the Secretary of the Interior is authorized to represent any Indian owner (1) who is a minor, (2) who has been adjudicated non compos mentis, (3) whose ownership interest in a decedent's estate has not been determined, or (4) who cannot be located by the Secretary after a reasonable and diligent search and the giving of notice by publication.

(e) Emergency sales

The timber on any Indian land held under a trust or other patent containing restrictions on alienations may be sold by the Secretary of the Interior without the consent of the owners when in his judgment such action is necessary to prevent loss of values resulting from fire, insects, disease, windthrow, or other natural catastrophes.

(f) Change in status without affecting contractual obligations

A change from a trust or restricted status to an unrestricted status of any interest in timber that has been sold pursuant to this section shall not affect the obligations of the Secretary of the Interior under any contract of sale that is in effect at the time such change in status occurs.
