(C) Duration

The vocational rehabilitation services portion of the unified or combined State plan submitted in accordance with subparagraph (A) shall remain in effect until the State submits and receives approval of a new State plan in accordance with subparagraph (A), or until the submission of such modifications as the State determines to be necessary or as the Commissioner may require based on a change in State policy, a change in Federal law (including regulations), an interpretation of this chapter by a Federal court or the highest court of the State, or a finding by the Commissioner of State noncompliance with the requirements of this chapter.

(2) Designated State agency; designated State unit

(A) Designated State agency

The State plan for vocational rehabilitation services shall designate a State agency as the sole State agency to administer the plan, or to supervise the administration of the plan by a local agency, except that—

(ii) the Commissioner, on the request of a State, may authorize the designated State agency to share funding and administrative responsibility with another agency of the State or with a local agency in order to permit the agencies to carry out a joint program to provide services to individuals with disabilities, and may waive compliance, with respect to vocational rehabilitation services furnished under the joint program, with the requirement of paragraph (4) that the plan be in effect in all political subdivisions of the State; and
