AUTHORITY TO INCREASE EFFICIENCY IN REPORTING TO CONGRESS

Pub. L. 103-356, title III, § 301, Oct. 13, 1994, 108 Stat. 3412, provided that:

“(a) PURPOSE.—The purpose of this title is to improve the efficiency of executive branch performance in implementing statutory requirements for reports to Congress and committees of Congress such as the elimination or consolidation of duplicative or obsolete reporting requirements and adjustments to deadlines that shall provide for more efficient workload distribution or improve the quality of reports.

“(b) AUTHORITY OF THE DIRECTOR.—The Director of the Office of Management and Budget may publish annually in the budget submitted by the President to the Congress, recommendations for consolidation, elimination, or adjustments in frequency and due dates of statutorily required periodic reports to the Congress or committees of Congress. For each recommendation, the Director shall provide an individualized statement of the reasons that support the recommendation. In addition, for each report for which a recommendation is made, the Director shall state with specificity the exact consolidation, elimination, or adjustment in frequency or due date that is recommended.

“(c) RECOMMENDATIONS.—The Director's recommendations shall be consistent with the purpose stated in subsection (a).

“(d) CONSULTATION.—Before the publication of the recommendations under subsection (b), the Director or his designee shall consult with the appropriate congressional committees concerning the recommendations.”

§ 1115. Federal Government and agency performance plans

(a) FEDERAL GOVERNMENT PERFORMANCE PLANS.—In carrying out the provisions of section 1105(a)(28), the Director of the Office of Management and Budget shall coordinate with agencies to develop the Federal Government performance plan. In addition to the submission of such plan with each budget of the United States Government, the Director of the Office of Management and Budget shall ensure that all information required by this subsection is concurrently made available on a website described in section 1122 and updated periodically, but no less than annually. The Federal Government performance plan shall—

(1) establish Federal Government performance goals to define the level of performance to be achieved during the year in which the plan is submitted and the next fiscal year for each of the Federal Government priority goals required under section 1120(a) of this title;

(2) identify the agencies, organizations, program activities, regulations, tax expenditures, policies, and other activities contributing to each Federal Government performance goal during the current fiscal year;

(3) for each Federal Government performance goal, identify a lead Government official who shall be responsible for coordinating the efforts to achieve the goal;

(4) establish common Federal Government performance indicators with quarterly targets to be used in measuring or assessing—

(A) overall progress toward each Federal Government performance goal; and

(B) the individual contribution of each agency, organization, program activity, regulation, tax expenditure, policy, and other activity identified under paragraph (2);

(5) establish clearly defined quarterly milestones; and

(6) identify major management challenges that are Governmentwide or crosscutting in nature and describe plans to address such challenges, including relevant performance goals, performance indicators, and milestones.

(b) AGENCY PERFORMANCE PLANS.—Not later than the first Monday in February of each year, the head of each agency shall make available on a public website of the agency, and notify the President and the Congress of its availability, a performance plan covering each program activity set forth in the budget of such agency. Such plan shall—

(1) establish performance goals to define the level of performance to be achieved during the year in which the plan is submitted and the next fiscal year;

(2) express such goals in an objective, quantifiable, and measurable form unless authorized to be in an alternative form under subsection (c);

(3) describe how the performance goals contribute to—

(A) the general goals and objectives established in the agency's strategic plan required by section 306(a)(2) of title 5; and

(B) any of the Federal Government performance goals established in the Federal

Government performance plan required by subsection (a)(1);

(4) identify among the performance goals those which are designated as agency priority goals as required by section 1120(b) of this title, if applicable;

(5) provide a description of how the performance goals are to be achieved, including—

(A) the operation processes, training, skills and technology, and the human, capital, information, and other resources and strategies required to meet those performance goals;

(B) clearly defined milestones;

(C) an identification of the organizations, program activities, regulations, policies, and other activities that contribute to each performance goal, both within and external to the agency;

(D) a description of how the agency is working with other agencies to achieve its performance goals as well as relevant Federal Government performance goals; and

(E) an identification of the agency officials responsible for the achievement of each performance goal, who shall be known as goal leaders;

(6) establish a balanced set of performance indicators to be used in measuring or assessing progress toward each performance goal, including, as appropriate, customer service, efficiency, output, and outcome indicators;

(7) provide a basis for comparing actual program results with the established performance goals;

(8) a description of how the agency will ensure the accuracy and reliability of the data used to measure progress towards its performance goals, including an identification of—

(A) the means to be used to verify and validate measured values;

(B) the sources for the data;

(C) the level of accuracy required for the intended use of the data;

(D) any limitations to the data at the required level of accuracy; and

(E) how the agency will compensate for such limitations if needed to reach the required level of accuracy;

(9) describe major management challenges the agency faces and identify—

(A) planned actions to address such challenges;

(B) performance goals, performance indicators, and milestones to measure progress toward resolving such challenges; and

(C) the agency official responsible for resolving such challenges; and

(10) identify low-priority program activities based on an analysis of their contribution to the mission and goals of the agency and include an evidence-based justification for designating a program activity as low priority.

(c) ALTERNATIVE FORM.—If an agency, in consultation with the Director of the Office of Management and Budget, determines that it is not feasible to express the performance goals for a particular program activity in an objective, quantifiable, and measurable form, the Director
