AMENDMENTS

2020—Pub. L. 116-271 amended section generally. Prior to amendment, section required that no later than 2 years after March 30, 2009, and every 2 years thereafter, the Administrator was to prepare and the President acting through the Council was to approve and transmit to Congress a report on progress made in implementing this chapter.

§ 3607. Public-private use policy

The Council shall maintain a policy that defines processes for making decisions about the roles of the Federal Government, the States, regional coastal observing systems, the academic community, and the private sector in providing to end-user communities environmental information, products, technologies, and services related to the System. The Administrator shall ensure that the National Oceanic and Atmospheric Administration adheres to the decision making process developed by the Council regarding the roles of the Federal Government, the

States, the regional coastal observing systems, the academic community, and the private sector in providing end-user communities environmental information, data products, technologies, and services related to the System.
