§ 10364. Local applications

(a) In general

(1) To request funds under this subchapter from a State, the chief executive of a local entity shall submit an application to the office designated under section 10362(b) of this title.

(2) An application under paragraph (1) shall be considered approved, in whole or in part, by the State not later than 45 days after such application is first received unless the State informs the applicant in writing of specific reasons for disapproval.

(3) The State shall not disapprove any application submitted to the State without first affording the applicant reasonable notice and an opportunity for reconsideration.

(4) If an application under paragraph (1) is approved, the local entity is eligible to receive funds under this subchapter.

(b) Distribution to local entities

A State that receives funds under section 10361 of this title in a fiscal year shall make such funds available to a local entity with an approved application within 45 days after the Bureau has approved the application submitted by the State and has made funds available to the State. The Director may waive the 45-day requirement in this section upon a finding that the State is unable to satisfy the requirement of the preceding sentence under State statutes.

SUBCHAPTER XVI—PUBLIC SAFETY AND COMMUNITY POLICING; “COPS ON THE BEAT”

§ 10381. Authority to make public safety and community policing grants

(a) Grant authorization

The Attorney General shall carry out a single grant program under which the Attorney General makes grants to States, units of local government, Indian tribal governments, other public and private entities, and multi-jurisdictional or regional consortia for the purposes described in subsection (b).

(b) Uses of grant amounts

The purposes for which grants made under subsection (a) may be made are—

(1) to rehire law enforcement officers who have been laid off as a result of State, tribal, or local budget reductions for deployment in community-oriented policing;

(2) to hire and train new, additional career law enforcement officers for deployment in community-oriented policing across the Nation, including by prioritizing the hiring and training of veterans (as defined in section 101 of title 38);

(3) to procure equipment, technology, or support systems, or pay overtime, to increase the number of officers deployed in community-oriented policing;

(4) to award grants to pay for offices hired to perform intelligence, anti-terror, or homeland security duties;

(5) to increase the number of law enforcement officers involved in activities that are focused on interaction with members of the community on proactive crime control and prevention by redeploying officers to such activities;

(6) to provide specialized training to law enforcement officers to enhance their conflict resolution, mediation, problem solving, service, and other skills needed to work in partnership with members of the community;

(7) to increase police participation in multidisciplinary early intervention teams;

(8) to develop new technologies, including interoperable communications technologies, modernized criminal record technology, and forensic technology, to assist State, tribal, and local law enforcement agencies in reorienting the emphasis of their activities from reacting to crime to preventing crime and to train law enforcement officers to use such technologies;

(9) to develop and implement innovative programs to permit members of the community to assist State, tribal, and local law enforcement agencies in the prevention of crime in the community, such as a citizens' police academy, including programs designed to increase the level of access to the criminal jus-

tice system enjoyed by victims, witnesses, and ordinary citizens by establishing decentralized satellite offices (including video facilities) of principal criminal courts buildings;

(10) to establish innovative programs to reduce, and keep to a minimum, the amount of time that law enforcement officers must be away from the community while awaiting court appearances;

(11) to establish and implement innovative programs to increase and enhance proactive crime control and prevention programs involving law enforcement officers and young persons in the community;

(12) to establish school-based partnerships between local law enforcement agencies and local school systems by using school resource officers who operate in and around elementary and secondary schools to combat school-related crime and disorder problems, gangs, and drug activities, including the training of school resource officers in the prevention of human trafficking offenses;

(13) to develop and establish new administrative and managerial systems to facilitate the adoption of community-oriented policing as an organization-wide philosophy;

(14) to assist a State or Indian tribe in enforcing a law throughout the State or tribal community that requires that a convicted sex offender register his or her address with a State, tribal, or local law enforcement agency and be subject to criminal prosecution for failure to comply;

(15) to establish, implement, and coordinate crime prevention and control programs (involving law enforcement officers working with community members) with other Federal programs that serve the community and community members to better address the comprehensive needs of the community and its members;

(16) to support the purchase by a law enforcement agency of no more than 1 service weapon per officer, upon hiring for deployment in community-oriented policing or, if necessary, upon existing officers' initial redeployment to community-oriented policing;

(17) to participate in nationally recognized active shooter training programs that offer scenario-based, integrated response courses designed to counter active shooter threats or acts of terrorism against individuals or facilities;

(18) to provide specialized training to law enforcement officers to—

(A) recognize individuals who have a mental illness; and

(B) properly interact with individuals who have a mental illness, including strategies for verbal de-escalation of crises;

(19) to establish collaborative programs that enhance the ability of law enforcement agencies to address the mental health, behavioral, and substance abuse problems of individuals encountered by law enforcement officers in the line of duty;

(20) to provide specialized training to corrections officers to recognize individuals who have a mental illness;

(21) to enhance the ability of corrections officers to address the mental health of individ-
