(d) Technical assistance

(1) In general

The Attorney General may provide technical assistance to States, units of local government, Indian tribal governments, and to other public and private entities, in furtherance of the purposes of the Public Safety Partnership and Community Policing Act of 1994.

(2) Model

The technical assistance provided by the Attorney General may include the development of a flexible model that will define for State and local governments, and other public and private entities, definitions and strategies associated with community or problem-oriented policing and methodologies for its implementation.

(3) Training centers and facilities

The technical assistance provided by the Attorney General may include the establishment and operation of training centers or facilities, either directly or by contracting or cooperative arrangements. (e) Utilization of components

The Attorney General may utilize any component or components of the Department of Justice in carrying out this subchapter.

(f) Minimum amount

Unless all applications submitted by any State and grantee within the State pursuant to subsection (a) have been funded, each qualifying State, together with grantees within the State, shall receive in each fiscal year pursuant to subsection (a) not less than 0.5 percent of the total amount appropriated in the fiscal year for grants pursuant to that subsection. In this subsection, “qualifying State” means any State which has submitted an application for a grant, or in which an eligible entity has submitted an application for a grant, which meets the requirements prescribed by the Attorney General and the conditions set out in this subchapter.

(g) Matching funds

The portion of the costs of a program, project, or activity provided by a grant under subsection (a) may not exceed 75 percent, unless the Attorney General waives, wholly or in part, the requirement under this subsection of a non-Federal contribution to the costs of a program, project, or activity. In relation to a grant for a period exceeding 1 year for hiring or rehiring career law enforcement officers, the Federal share shall decrease from year to year for up to 5 years, looking toward the continuation of the increased hiring level using State or local

sources of funding following the conclusion of Federal support, as provided in an approved plan pursuant to section 10382(c)(8) of this title.

(h) Allocation of funds

The funds available under this subchapter shall be allocated as provided in section 10261(a)(11)(B) of this title.

(2) Priority of funding

In providing grants to Indian tribal governments under this subsection, the Attorney General shall take into consideration reservation crime rates and tribal law enforcement staffing needs of each Indian tribal government.
