

which law enforcement officers were afforded fair process.

(c) The Attorney General shall regularly and periodically make available to the public aggregated and anonymized data from the database described in subsection (a) of this section, as consistent with applicable law.

(d) The Attorney General shall, as appropriate and consistent with applicable law, allocate Department of Justice discretionary grant funding only to those law enforcement agencies that submit the information described in subsection (b) of this section.

SEC. 4. *Mental Health, Homelessness, and Addiction.* (a) Since the mid-twentieth century, America has witnessed a reduction in targeted mental health treatment. Ineffective policies have left more individuals with mental health needs on our Nation's streets, which has expanded the responsibilities of law enforcement officers. As a society, we must take steps to safely and humanely care for those who suffer from mental illness and substance abuse in a manner that addresses such individuals' needs and the needs of their communities. It is the policy of the United States to promote the use of appropriate social services as the primary response to individuals who suffer from impaired mental health, homelessness, and addiction, recognizing that, because law enforcement officers often encounter such individuals suffering from these conditions in the course of their duties, all officers should be properly trained for such encounters.

(b) The Attorney General shall, in consultation with the Secretary of Health and Human Services as appropriate, identify and develop opportunities to train law enforcement officers with respect to encounters with individuals suffering from impaired mental health, homelessness, and addiction; to increase the capacity of social workers working directly with law enforcement agencies; and to provide guidance regarding the development and implementation of co-responder programs, which involve social workers or other mental health professionals working alongside law enforcement officers so that they arrive and address situations together. The Attorney General and the Secretary of Health and Human Services shall prioritize resources, as appropriate and consistent with applicable law, to support such opportunities.

(c) The Secretary of Health and Human Services shall survey community-support models addressing mental health, homelessness, and addiction. Within 90 days of the date of this order [June 16, 2020], the Secretary of Health and Human Services shall summarize the results of this survey in a report to the President, through the Assistant to the President for Domestic Policy and the Director of the Office of Management and Budget, which shall include specific recommendations regarding how appropriated funds can be reallocated to support widespread adoption of successful models and recommendations for additional funding, if needed.

(d) The Secretary of Health and Human Services shall, in coordination with the Attorney General and the Director of the Office of Management and Budget, prioritize resources, as appropriate and consistent with applicable law, to implement community-support models as recommended in the report described in subsection (c) of this section.

SEC. 5. *Legislation and Grant Programs.* (a) The Attorney General, in consultation with the Assistant to the President for Domestic Policy and the Director of the Office of Management and Budget, shall develop and propose new legislation to the Congress that could be enacted to enhance the tools and resources available to improve law enforcement practices and build community engagement.

(b) The legislation described in subsection (a) of this section shall include recommendations to enhance current grant programs to improve law enforcement practices and build community engagement, including through:

(i) assisting State and local law enforcement agencies with implementing the credentialing process described

in section 2 of this order, the reporting described in section 3 of this order, and the co-responder and community-support models described in section 4 of this order;

(ii) training and technical assistance required to adopt and implement improved use-of-force policies and procedures, including scenario-driven de-escalation techniques;

(iii) retention of high-performing law enforcement officers and recruitment of law enforcement officers who are likely to be high-performing;

(iv) confidential access to mental health services for law enforcement officers; and

(v) programs aimed at developing or improving relationships between law enforcement and the communities they serve, including through community outreach and listening sessions, and supporting non-profit organizations that focus on improving stressed relationships between law enforcement officers and the communities they serve.

SEC. 6. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.
