AMENDMENTS

2019—Subsec. (a). Pub. L. 116-7, §2(1), which directed amendment of subsec. (a) by substituting “FFA” for “corporation”, was executed by making the substitution the first place appearing to reflect the probable intent of Congress.

Subsec. (b). Pub. L. 116-7, §2(2), substituted “FFA” for “corporation”.

§ 70902. Purposes

The purposes of the FFA are—

(1) to be an integral component of instruction in agricultural education, including instruction relating to agriculture, food, and natural resources;

(2) to advance comprehensive agricultural education in the United States, including in public schools, by supporting contextual classroom and laboratory instruction and work-based experiential learning;

(3) to prepare students for successful entry into productive careers in fields relating to agriculture, food, and natural resources, including by connecting students to relevant post-secondary educational pathways and focusing on the complete delivery of classroom and laboratory instruction, work-based experiential learning, and leadership development;

(4) to be a resource and support organization that does not select, control, or supervise State association, local chapter, or individual member activities;

(5) to develop educational materials, programs, services, and events as a service to State and local agricultural education agencies;

(6) to seek and promote inclusion and diversity in its membership, leadership, and staff to reflect the belief of the FFA in the value of all human beings;

(7) to create, foster, and assist subsidiary chapters¹ and associations of those chapters in the States, territories, and possessions of the United States as such chapters and associations carry out agricultural education programs that are approved by States, territories, or possessions;

(8) to build character,¹ and develop competent and assertive agricultural leadership;

(9) to increase awareness of the global and technological importance of agriculture, food, and natural resources, and the way agriculture contributes to our well-being;

(10) to promote the intelligent choice and establishment of a career in fields relating to agriculture, food, and natural resources;
