[§ 475. Renumbered § 405]

§ 475a. Travel and transportation allowances: departure allowances

(a) Under regulations prescribed by the Secretaries concerned, when dependents of members of the uniformed services are authorized or ordered to depart by competent authority, they may be authorized such allowances as the Secretary concerned determines necessary to offset the expenses incident to the departure. Allowances authorized by this section are in addition to those authorized by any other section of this title. Such allowances may be paid in advance. For the purposes of this section, a dependent “authorized or ordered to depart by competent authority” includes—

(1) a dependent who is present at or in the vicinity of the member’s duty station when the departure of dependents is authorized or ordered by competent authority and who actually moved to an authorized safe haven designated by that authority, whether such safe haven is at or in the vicinity of the member’s duty station or elsewhere;

(2) a dependent who resides at or in the vicinity of a former duty station of the member following the assignment of the member elsewhere or who resides at or in the vicinity of a duty station (other than the duty station of the member) incident to orders in connection with an unaccompanied tour of duty of the member, if a departure of dependents is authorized or ordered by competent authority from the duty station at which or in the vicinity of which the dependent resides and the dependent actually moves to an authorized safe haven designated by that authority;

(3) a dependent who established a household at or in the vicinity of the member’s duty station but who is temporarily absent therefrom for any reason when departure of dependents is authorized or ordered by competent authority; and

(4) a dependent who was authorized to join the member and who departed from his former

place of residence incident to joining the member but who, as a result of the departure of dependents, is diverted to a safe haven designated by competent authority or is authorized to travel to a place the dependent may designate, even though he was in the United States when the departure was authorized or ordered.

(b)(1) Under regulations prescribed by the Secretaries concerned, each member whose dependents are covered by subsection (a) is entitled to have one motor vehicle that is owned by the member (or a dependent of the member) and is for the personal use of the member or his dependents, transported at the expense of the United States to a designated place for the use of the dependents. When the dependents are permitted to rejoin the member, the vehicle may be transported at the expense of the United States to his permanent duty station.

(2) If a motor vehicle of a member (or a dependent of the member) that is transported at the expense of the United States under paragraph (1) does not arrive at the authorized destination of the vehicle by the designated delivery date, the Secretary concerned shall reimburse the member for expenses incurred after that date to rent a motor vehicle for the dependent's use. The amount reimbursed may not exceed \$30 per day, and the rental period for which reimbursement may be provided expires after 7 days or on the date on which the delayed vehicle arrives at the authorized destination (whichever occurs first).

(c) During and after the travel authorities expiration date, no allowance under subsection (a) or transportation or reimbursement under subsection (b) may be provided with respect to an authority or order to depart.

§ 476. Travel and transportation allowances: dependents; baggage and household effects

(a)(1) Except as provided in paragraph (2), a member of a uniformed service who is ordered to make a change of permanent station is entitled to transportation in kind, reimbursement therefor, or a monetary allowance in place of the cost of transportation, plus a per diem, for the member's dependents at rates prescribed by the Secretaries concerned, but not more than the rate authorized under section 474(d) of this title. The Secretary concerned may also reimburse the member for mandatory pet quarantine fees for household pets, but not to exceed \$550 per change of station, when the member incurs the fees incident to such change of station.

(2)(A) Except as provided in subparagraph (B), a member who—

(i) is separated from the service or released from active duty; and

(ii) on the date of his separation from the service or release from active duty, has not served on active duty for a period of time equal to at least 90 percent of the period of time for which he initially enlisted or otherwise initially agreed to serve,

may be provided transportation under this subsection for his dependents only by transportation in kind by the least expensive mode of transportation available or by a monetary allowance that does not exceed the cost to the Government of such transportation in kind.

(B) Subparagraph (A) does not apply to a member—

(i) who is retired, or is placed on the temporary disability retired list, under chapter 61 of title 10;

(ii) who is separated from the service or released from active duty for a medical condition affecting the member, as determined by the Secretary concerned;

(iii) who is separated from the service or released from active duty because the period of time for which the member initially enlisted or otherwise initially agreed to serve has been reduced by the Secretary concerned and is separated or released under honorable conditions;

(iv) who is discharged under section 1173 of title 10; or

(v) who is involuntarily separated from active duty during the period beginning on October 1, 1990, and ending on December 31, 2001.

(3) The allowances authorized under this subsection may be paid in advance.

(4) In this section, the term "involuntarily separated" has the meaning given that term in section 1141 of title 10.

(b)(1)(A) Except as provided in paragraph (2), in connection with a change of temporary or permanent station, a member is entitled to transportation (including packing, crating,

drayage, temporary storage, and unpacking) of baggage and household effects within the weight allowances listed in subparagraph (C), without regard to the comparative costs of the various modes of transportation. Temporary storage in excess of 180 days may be authorized. Alternatively, the member may be paid reimbursement or a monetary allowance under subparagraph (F).

(B) Subject to uniform regulations prescribed by the Secretaries concerned, in the case of a permanent change of station in which the Secretary concerned has authorized transportation of a motor vehicle under section 2634¹ of title 10 (except when such transportation is authorized from the old duty station to the new duty station), the member is entitled to a monetary allowance for transportation of that motor vehicle—

(II) the customary port of embarkation which is nearest to the member's port of embarkation if delivery of the motor vehicle to the port of embarkation is made in conjunction with the member's travel to the member's port of embarkation;

(ii) from the customary port of debarkation which has been designated by the Government as most cost-effective for the Government considering all operational, travel, and transportation requirements incident to such change of station to the new duty station.

Such monetary allowance shall be established at a rate per mile that does not exceed the rate established under section 474(d)(1) of this title. If clause (i)(I) applies to the transportation by the member of a motor vehicle from the old duty station, the monetary allowance under this subparagraph shall also cover return travel to the old duty station by the member or other person transporting the vehicle. In the case of transportation described in clause (ii), the monetary allowance shall also cover travel from the new duty station to the port of debarkation to pick up the vehicle. In the case of the transportation of a motor vehicle arranged by the member under section 2634(h)¹ of title 10, the Secretary concerned may pay the member, upon presentation of proof of shipment, a monetary allowance in lieu of transportation, as established under section 474(d)(1) of this title.
