SEC. 9. *Motor vehicles exempted from inclusion in interagency motor-vehicle pools.* The following-described classes of motor vehicles shall be exempt from inclusion in interagency motor-vehicle pools or systems:

(1) Motor vehicles designed or used for military field training, combat, or tactical purposes, or used principally within the confines of a regularly established military post, camp, or depot.

(2) Any motor vehicle regularly used by an agency in the performance of investigative, law enforcement, or intelligence duties if the head of such agency determines that exclusive control of such vehicle is essential to the effective performance of such duties: *Provided*, that vehicles regularly used for common administrative purposes not directly connected with the performance of law enforcement, investigative, or intelligence duties shall not because of such use be exempted from such inclusion.

(3) Any motor vehicle the conspicuous identification of which as a Government vehicle would interfere with the purpose for which it is acquired and used.

(4) Unless inclusion is mutually agreed upon by the Administrator and the head of the agency concerned:

(i) Motor vehicles for the use of the heads of the executive agencies, ambassadors, ministers, charge [sic] d'affaires, and other principal diplomatic and consular officials.

(ii) Motor vehicles regularly and principally used for the transportation of diplomats and representatives of foreign countries or by officers of the Department of State for the conduct of official business with representatives of foreign countries.

(iii) Motor vehicles regularly used for the distribution and transportation of mails.

(5) Motor vehicles which, because of their design or the special purposes for which they are used, or for other reasons, cannot advantageously be incorporated in an interagency motor-vehicle pool or system if the exemption thereof has been mutually agreed upon by the Administrator and the head of the executive agency concerned.

(6) Motor vehicles exempted by an agency which has authority to make such an exemption under the provisions of the Act [probably means the Federal Property and Administrative Services Act of 1949, now chapters 1 to 11 of this title and division C (except sections 3302, 3307(e), 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of Title 41, Public Contracts].

SEC. 10. *Optional use arrangements.* Nothing in these regulations shall be construed as precluding the establishment or operation of interagency motor-vehicle pools or systems on the basis of optional use by executive or other Federal agencies.

SEC. 11. *Supplementary regulations.* The Administrator shall, after consultation with the executive agencies concerned and with due regard to their program activities, issue such supplementary regulations of general applicability to the executive agencies concerned as are necessary for the effective and economical operation of pools or systems under the Act [probably means the Federal Property and Administrative Services Act of 1949].

602	40:491(b) (related to establishment).	June 30, 1949, ch. 288, title II, §211(b) (related to establishment), as added Sept. 5, 1950, ch. 849, §5(c), 64 Stat. 583; Sept. 1, 1954, ch. 1211, §2, 68 Stat. 1126.

Subsection (a)(1) is substituted for “in respect of executive agencies, . . . consolidate, take over, acquire, or arrange for the operation by any executive agency of, motor vehicles and other related equipment and supplies for the purpose of establishing motor vehicle pools and systems to serve the needs of executive agencies” for clarity and to eliminate unnecessary words.

In subsection (c), the words “mixed-ownership Government corporation” are substituted for “mixed ownership corporation” for consistency with chapter 91 of title 31. The words “chapter 91 of title 31” are substituted for “the Government Corporation Control Act” in section 211(b) of the Federal Property and Administrative Services Act of 1949 because of section 4(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1067), the first section of which enacted Title 31, United States Code.

(b) REGULATIONS RELATED TO ESTABLISHMENT.—

(1) IN GENERAL.—The President shall prescribe regulations establishing procedures to carry out section 602 of this title.

(B) independent review and decision as directed by the President of any determination disputed by an agency, with the possibility that the decision may include a partial or complete exemption of the agency from the determination; and
