PART A—URBAN AND RURAL SPECIAL IMPACT PROGRAMS

§ 9805. Statement of purpose

The purpose of this part is to establish special programs of assistance to nonprofit private locally initiated community development corporations which (1) are directed to the solution of the critical problems existing in particular communities or neighborhoods (defined without regard to political or other subdivisions or boundaries) within those urban and rural areas having concentrations or substantial numbers of low-income persons; (2) are of sufficient size, scope, and duration to have an appreciable impact in such communities, neighborhoods, and rural areas in arresting tendencies toward dependency, chronic unemployment, and community deterioration; (3) hold forth the prospect of continuing to have such impact after the termination of financial assistance under this part; and (4) provide financial and other assistance to start, expand, or locate enterprises in or near the area to be served so as to provide employment and ownership opportunities for residents of such areas, including those who are disadvantaged in the labor market because of their limited speaking, reading, and writing abilities in the English language.

§ 9806. Establishment and scope of programs

(a) The Secretary is authorized to provide financial assistance in the form of grants to nonprofit and for profit community development corporations and other affiliated and supportive agencies and organizations associated with qualifying community development corporations for the payment of all or part of the cost of programs which are designed to carry out the purposes of this part. Financial assistance shall be provided so that each community economic development program is of sufficient size, scope, and duration to have an appreciable impact on the area served. Such programs may include—

(1) community business and commercial development programs, including (A) programs which provide financial and other assistance (including equity capital) to start, expand, or locate businesses in or near the area served so as to provide employment and ownership opportunities for residents of such areas; and (B) programs for small businesses located in or owned by residents of such areas;

(2) community physical development programs, including industrial parks and housing activities, which contribute to an improved environment and which create new training, employment and ownership opportunities for residents of such area;

(3) training and public service employment programs and related services for unemployed or low-income persons which support and complement community development programs fi-

nanced under this part, including, without limitation, activities such as the activities described in title I of the Workforce Investment Act of 1998;¹ and

(4) social service programs which support and complement community business and commercial development programs financed under this part, including child care, educational services, health services, credit counseling, energy conservation, recreation services, and programs for the maintenance of housing facilities.

(b) The Secretary shall conduct programs assisted under this part so as to contribute, on an equitable basis between urban and rural areas, to the elimination of poverty and the establishment of permanent economic and social benefits in such areas.

§ 9807. Financial assistance requirements

(a) Conditions

The Secretary, under such regulations as the Secretary may establish, shall not provide financial assistance for any community economic development program under this part unless the Secretary determines that—

(1) such community development corporation is responsible to residents of the area served (A) through a governing body not less

¹ See References in Text note below.

than 50 percent of the members of which are area residents; and (B) in accordance with such other guidelines as may be established by the Secretary, except that the composition of the governing bodies of organizations owned or controlled by the community development corporation need not be subject to such residency requirement;

(2) the program will be appropriately coordinated with local planning under this subchapter with housing and community development programs, with employment and training programs, and with other relevant planning for physical and human resources in the areas served;

(3) adequate technical assistance is made available and committed to the programs being supported;

(4) such financial assistance will materially further the purposes of this part;

(5) the applicant is fulfilling or will fulfill a need for services, supplies, or facilities which is otherwise not being met;

(6) all projects and related facilities will, to the maximum feasible extent, be located in the areas served;

(7) projects will, where feasible, promote the development of entrepreneurial and management skills and the ownership or participation in ownership of assisted businesses and housing, cooperatively or otherwise, by residents of the area served;

(8) projects will be planned and carried out with the fullest possible participation of resident or local businessmen and representatives of financial institutions, including participation through contract, joint venture, partnership, stock ownership or membership on the governing boards or advisory councils of such projects consistent with the self-help purposes of this subchapter;

(9) no participant will be employed on projects involving political parties, or the construction, operation, or maintenance of so much of any facility as is used or to be used for sectarian instruction or as a place for religious worship;

(10) the program will not result in the displacement of employed workers or impair existing contracts for services, or result in the substitution of Federal or other funds in connection with work that would otherwise be performed;

(11) the rates of pay for time spent in work training and education, and other conditions of employment, will be appropriate and reasonable in the light of such factors as the type of work, geographical region, and proficiency of the participant;

(12) the program will, to the maximum extent feasible, contribute to the occupational development or upward mobility of individual participants;

(13) preference will be given to low-income or economically disadvantaged residents of the areas served in filling jobs and training opportunities; and

(14) training programs carried out in connection with projects financed under this part shall be designed wherever feasible to provide those persons who successfully complete such

training with skills which are also in demand in communities, neighborhoods, or rural areas other than those for which programs are established under this part.

(b) Relocations substantially increasing unemployment

Financial assistance under this section shall not be extended to assist in the relocation of establishments from one location to another if such relocation would result in a substantial increase in unemployment in the area of original location.

(c) Community economic development program; application; specification of goals

Financial assistance for commercial development under this part shall not be extended until the community economic development program that has applied for assistance under this subchapter has specified in some detail its development goals and its development timetable. The Secretary, in providing continued financial assistance to a community economic development program, shall give serious consideration to the experience such program has had in meeting development goals or in adhering to development timetables.

(Pub. L. 97-35, title VI, §618, Aug. 13, 1981, 95 Stat. 491.)

§ 9808. Federal share; amount; availability; ownership of property acquired with Federal financial assistance

(a)(1) Assistance provided under this subchapter to any program described in section 9807(a) of this title shall not exceed 90 percent of the cost of such program, including costs of administration, unless the Secretary determines that the assistance in excess of such percentage is required in furtherance of the purposes of this subchapter. Non-Federal contributions may be in cash or in kind, fairly evaluated, including but not limited to plant, equipment, and services.

(2) The assistance referred to in paragraph (1) shall be made available (A) for deposit to the order of grantees which have demonstrated successful program performance, under conditions which the Secretary deems appropriate, within 30 days following approval of the grant agreement by the Secretary and such grantee; or (B) whenever the Secretary deems appropriate, in accordance with applicable rules and regulations prescribed by the Secretary of the Treasury, and including any other conditions which the Secretary of Health and Human Services deems appropriate, within 30 days following approval of the grant agreement by the Secretary and such grantee.

(b) Property acquired as a result of capital investments made by any community development corporation with funds granted as its Federal share of the cost of programs carried out under this subchapter, and the proceeds from such property, shall become the property of the community development corporation and shall not be considered to be Federal property. The Federal Government retains the right to direct that on severance of the grant relationship the assets purchased with grant funds shall continue
