

§ 13283. Discount payments**(a) Certification**

The Secretary shall provide a discount payment to a proposer of a proposal selected under this part for purposes of reimbursing the proposer for a discount provided to the users if the proposer certifies to the Secretary that—

- (1) the electric motor vehicles have been purchased or leased by a user or users in accordance with the requirements of this part; and
- (2) the proposer has provided to the user or users a discount payment in accordance with the requirements of this part.

(b) Payment

Not later than 30 days after receipt from the proposer of certification that the Secretary determines satisfies the requirements of subsection (a), the Secretary shall pay to the proposer the full amount of the discount payment, to the extent provided in advance in appropriations Acts.

(c) Calculations of discount payments

(1) The discount payment shall be no greater than—

- (A) the price differential; or
- (B) the price of the comparable conventionally fueled motor vehicle.

(2) The purchase price of the electric motor vehicle, less the discount payment and less any additional reduction in the purchase price of the electric motor vehicle that may result from contributions provided by other parties, may not be less than the manufacturer's suggested retail price of a comparable conventionally fueled motor vehicle.

(3) The maximum discount payment shall be no greater than \$10,000 per electric motor vehicle.

(Pub. L. 102-486, title VI, §613, Oct. 24, 1992, 106 Stat. 2902.)

§ 13284. Cost-sharing**(a) Requirement**

The Secretary shall require at least 50 percent of the costs directly and specifically related to any project under this part to be from non-Federal sources. Such share may be in the form of cash, personnel, services, equipment, and other resources.

(b) Reduction

The Secretary may reduce the amount of costs required to be provided by non-Federal sources under subsection (a) if the Secretary determines that the reduction is necessary and appropriate—

- (1) considering the technological risks involved in the project; and
- (2) in order to meet the objectives of this part.

(Pub. L. 102-486, title VI, §614, Oct. 24, 1992, 106 Stat. 2903.)

§ 13285. Reports to Congress**(a) Progress reports**

The Secretary shall report annually to Congress on the progress being made, through dem-

onstration projects supported under this part, to accelerate the development and use of electric motor vehicles.

(b) Report on encouraging purchase and use of electric motor vehicles

Within 18 months after October 24, 1992, the Secretary shall submit to the Congress a report on methods for encouraging the purchase and use of electric motor vehicles. Such report shall—

- (1) address the potential cost of purchasing and maintaining electric motor vehicles, including the initial cost of the batteries and the cost of replacement batteries;
- (2) identify methods for reducing, subsidizing, or sharing such costs; and
- (3) include recommendations for legislative and administrative measures to encourage the purchase and use of electric motor vehicles.

(Pub. L. 102-486, title VI, §615, Oct. 24, 1992, 106 Stat. 2903.)

§ 13286. Authorization of appropriations

There are authorized to be appropriated to the Secretary for purposes of this part \$50,000,000 for the 10-year period beginning with the first full fiscal year after October 24, 1992, to remain available until expended.

(Pub. L. 102-486, title VI, §616, Oct. 24, 1992, 106 Stat. 2903.)

PART B—ELECTRIC MOTOR VEHICLE INFRASTRUCTURE AND SUPPORT SYSTEMS DEVELOPMENT PROGRAM**§ 13291. General authority****(a) Program**

The Secretary shall undertake a program with one or more non-Federal persons, including fleet operators, for cost-shared research, development, demonstration, or commercial application of an infrastructure and support systems program.

(b) Eligibility

A non-Federal person shall be eligible to receive financial assistance under this part only if such person demonstrates, to the satisfaction of the Secretary, that the person will conduct a substantial portion of activities under the project in the United States using domestic labor and materials.

(c) Coordination

Activities under this part shall be coordinated with activities under part A.

(Pub. L. 102-486, title VI, §621, Oct. 24, 1992, 106 Stat. 2904.)

§ 13292. Proposals**(a) Solicitation**

Not later than one year after October 24, 1992, the Secretary shall solicit proposals from non-Federal persons, including fleet operators, for projects under this part. Within 240 days after proposals have been solicited, the Secretary shall select proposals.

(b) Criteria

(1) The Secretary shall provide financial assistance to no more than 10 projects under this

part, unless the Secretary determines that the total amount of available funds is not likely to be otherwise used.

(2) The proposals selected by the Secretary shall, to the extent practicable, represent geographically and climatically diverse regions of the United States.

(3) The aggregate Federal financial assistance for each project under this part may not exceed \$4,000,000.

(c) Projects

The infrastructure and support systems programs for which projects are selected under this part may address—

(1) the ability to service electric motor vehicles and to provide or service associated equipment;

(2) the installation of charging facilities;

(3) rates and cost recovery for electric utilities who invest in infrastructure capital-related expenditures;

(4) the development of safety and health procedures and guidelines related to battery charging, watering, and emissions;

(5) the conduct of information dissemination programs; and

(6) such other subjects as the Secretary considers necessary in order to address the infrastructure and support systems needed to support the development and use of energy storage technologies, including advanced batteries, and the demonstration of electric motor vehicles.

(Pub. L. 102-486, title VI, §622, Oct. 24, 1992, 106 Stat. 2904.)

§ 13293. Protection of proprietary information

(a) In general

In the case of activities, including joint venture activities, under this subchapter, and in the case of any existing or future activities, including joint venture activities, related primarily to battery technology for electric motor vehicles under other provisions of law, where the knowledge resulting from research and development activities conducted pursuant to such activities, including joint venture activities, is for the benefit of the participants (particularly domestic companies) that provide financial resources to a project under this subchapter, the Secretary, for a period of up to 5 years after the development of information that—

(1) results from research and development activities conducted under this subchapter; and

(2) would be a trade secret or commercial or financial information that is privileged or confidential if the information had been obtained from a participant,

shall, notwithstanding any other provision of law, provide appropriate protections against the dissemination of such information to the public, and the provisions of section 1905 of title 18 shall apply to such information. Nothing in this subsection provides protections against the dissemination of such information to Congress.

(b) “Domestic companies” defined

For purposes of subsection (a), the term “domestic companies” means entities which are

substantially involved in the United States in the domestic production of motor vehicles for sale in the United States and have a substantial percentage of their production facilities in the United States.

(Pub. L. 102-486, title VI, §623, Oct. 24, 1992, 106 Stat. 2904.)

§ 13294. Compliance with existing law

Nothing in this subchapter shall be deemed to convey to any person, partnership, corporation, or other entity, immunity from civil or criminal liability under any antitrust law or to create defenses to actions under any antitrust law.

(Pub. L. 102-486, title VI, §624, Oct. 24, 1992, 106 Stat. 2905.)

§ 13295. Repealed. Pub. L. 105-362, title IV, § 401(b), Nov. 10, 1998, 112 Stat. 3282

Section, Pub. L. 102-486, title VI, §625, Oct. 24, 1992, 106 Stat. 2905, related to electric utility participation study.

§ 13296. Authorization of appropriations

There are authorized to be appropriated to the Secretary for purposes of this part \$40,000,000 for the 5-year period beginning with the first full fiscal year after October 24, 1992, to remain available until expended.

(Pub. L. 102-486, title VI, §626, Oct. 24, 1992, 106 Stat. 2905.)

SUBCHAPTER V—RENEWABLE ENERGY

§ 13311. Purposes

The purposes of this subchapter are to promote—

(1) increases in the production and utilization of energy from renewable energy resources;

(2) further advances of renewable energy technologies; and

(3) exports of United States renewable energy technologies and services.

(Pub. L. 102-486, title XII, §1201, Oct. 24, 1992, 106 Stat. 2956.)

§ 13312. Renewable energy export technology training

(a) Establishment of program

The Secretary, through the Agency for International Development, shall establish a program for the training of individuals from developing countries in the operation and maintenance of renewable energy and energy efficiency technologies in accordance with this section. The Secretary and the Administrator of the Agency for International Development shall, within one year after October 24, 1992, enter into a written agreement to carry out this program.

(b) Purpose

The purpose of the program established under this section shall be to train appropriate persons
