

Toxic Substances Control Act [15 U.S.C. 2601 et seq.], the penalty for each violation applicable under section 16 of that Act [15 U.S.C. 2615] shall not be more than \$10,000.

(c) Validity of contracts and liens

Nothing in this section shall affect the validity or enforceability of any sale or contract for the purchase and sale or lease of any interest in residential real property or any loan, loan agreement, mortgage, or lien made or arising in connection with a mortgage loan, nor shall anything in this section create a defect in title.

(d) Effective date

The regulations under this section shall take effect 3 years after October 28, 1992.

SUBCHAPTER II—WORKER PROTECTION

§ 4853. Worker protection

Not later than 180 days after October 28, 1992, the Secretary of Labor shall issue an interim final regulation regulating occupational exposure to lead in the construction industry. Such interim final regulation shall provide employment and places of employment to employees which are as safe and healthful as those which would prevail under the Department of Housing and Urban Development guidelines published at Federal Register 55, page 38973 (September 28, 1990) (Revised Chapter 8). Such interim final regulations shall take effect upon issuance (except that such regulations may include a reasonable delay in the effective date), shall have the legal effect of an Occupational Safety and Health Standard, and shall apply until a final standard becomes effective under section 655 of title 29.

SUBCHAPTER III—RESEARCH AND DEVELOPMENT

PART 1—HUD RESEARCH

§ 4854. Research on lead exposure from other sources

The Secretary, in cooperation with other Federal agencies, shall conduct research on strategies to reduce the risk of lead exposure from other sources, including exterior soil and interior lead dust in carpets, furniture, and forced air ducts.

(Pub. L. 102-550, title X, §1051, Oct. 28, 1992, 106 Stat. 3925.)

§ 4854a. Testing technologies

The Secretary, in cooperation with other Federal agencies, shall conduct research to—

- (1) develop improved methods for evaluating lead-based paint hazards in housing;
- (2) develop improved methods for reducing lead-based paint hazards in housing;
- (3) develop improved methods for measuring lead in paint films, dust, and soil samples;
- (4) establish performance standards for various detection methods, including spot test kits;
- (5) establish performance standards for lead-based paint hazard reduction methods, including the use of encapsulants;
- (6) establish appropriate cleanup standards;
- (7) evaluate the efficacy of interim controls in various hazard situations;
- (8) evaluate the relative performance of various abatement techniques;
- (9) evaluate the long-term cost-effectiveness of interim control and abatement strategies; and
- (10) assess the effectiveness of hazard evaluation and reduction activities funded by this chapter.

PART 2—GAO REPORT

§ 4855. Federal implementation and insurance study

(a) Federal implementation study

The Comptroller General of the United States shall assess the effectiveness of Federal enforcement and compliance with lead safety laws and regulations, including any changes needed in annual inspection procedures to identify lead-based paint hazards in units receiving assistance under subsections (b) and (o) of section 1437f of this title.

(b) Insurance study

The Comptroller General of the United States shall assess the availability of liability insurance for owners of residential housing that contains lead-based paint and persons engaged in lead-based paint hazard evaluation and reduction activities. In carrying out the assessment, the Comptroller General shall—

- (1) analyze any precedents in the insurance industry for the containment and abatement of environmental hazards, such as asbestos, in federally assisted housing;
- (2) provide an assessment of the recent insurance experience in the public housing lead hazard identification and reduction program; and
- (3) recommend measures for increasing the availability of liability insurance to owners and contractors engaged in federally supported work.

(Pub. L. 102-550, title X, §1056, Oct. 28, 1992, 106 Stat. 3926.)

SUBCHAPTER IV—REPORTS

§ 4856. Reports of Secretary of Housing and Urban Development

(a) Annual report

The Secretary shall transmit to the Congress an annual report that—

- (1) sets forth the Secretary's assessment of the progress made in implementing the various programs authorized by this chapter;
- (2) summarizes the most current health and environmental studies on childhood lead poisoning, including studies that analyze the relationship between interim control and abatement activities and the incidence of lead poisoning in resident children;
- (3) recommends legislative and administrative initiatives that may improve the performance by the Department of Housing and Urban Development in combating lead hazards through the expansion of lead hazard evaluation and reduction activities;
- (4) describes the results of research carried out in accordance with subchapter III; and

- (5) estimates the amount of Federal assistance annually expended on lead hazard evaluation and reduction activities.

(b) Biennial report

(1) In general

24 months after October 28, 1992, and at the end of every 24-month period thereafter, the Secretary shall report to the Congress on the progress of the Department of Housing and Urban Development in implementing expanded lead-based paint hazard evaluation and reduction activities.

(2) Contents

The report shall—

- (A) assess the effectiveness of section 4852d of this title in making the public aware of lead-based paint hazards;
- (B) estimate the extent to which lead-based paint hazard evaluation and reduction activities are being conducted in the various categories of housing;
- (C) monitor and report expenditures for lead-based paint hazard evaluation and reduction for programs within the jurisdiction of the Department of Housing and Urban Development;
- (D) identify the infrastructure needed to eliminate lead-based paint hazards in all housing as expeditiously as possible, including cost-effective technology, standards and regulations, trained and certified contractors, certified laboratories, liability insurance, private financing techniques, and appropriate Government subsidies;
- (E) assess the extent to which the infrastructure described in subparagraph (D) exists, make recommendations to correct shortcomings, and provide estimates of the costs of measures needed to build an adequate infrastructure; and
- (F) include any additional information that the Secretary deems appropriate.

(Pub. L. 102-550, title X, §1061, Oct. 28, 1992, 106 Stat. 3926.)

CHAPTER 64—PUBLIC SERVICE EMPLOYMENT PROGRAMS

§§ 4871 to 4883. Omitted

CODIFICATION

The public service employment programs covered by this chapter and authorized pursuant to the Emergency Employment Act of 1971, Pub. L. 92-54, July 12, 1971, 85 Stat. 146, which enacted this chapter, are omitted because appropriations were not authorized after June 30, 1973. Similar public service employment programs were included in the Comprehensive Employment and Training Act of 1973, Pub. L. 93-203, title II, §§201-211, Dec. 28, 1973, 87 Stat. 850-857, which was classified to section 841 et seq. of Title 29, Labor, and was repealed by section 184(a)(1) of the Job Training Partnership Act, Pub. L.
