(b) Technical assistance for the development of plans and programs

The President shall provide technical assistance to the States in developing comprehensive plans and practicable programs for preparation against disasters, including hazard reduction, avoidance, and mitigation; for assistance to individuals, businesses, and State and local governments following such disasters; and for recovery of damaged or destroyed public and private facilities.

(c) Grants to States for development of plans and programs

Upon application by a State, the President is authorized to make grants, not to exceed in the aggregate to such State \$250,000, for the development of plans, programs, and capabilities for disaster preparedness and prevention. Such grants shall be applied for within one year from May 22, 1974. Any State desiring financial assistance under this section shall designate or create an agency to plan and administer such a disaster preparedness program, and shall, through such agency, submit a State plan to the President, which shall—

(1) set forth a comprehensive and detailed State program for preparation against and assistance following, emergencies and major disasters, including provisions for assistance to individuals, businesses, and local governments; and

(2) include provisions for appointment and training of appropriate staffs, formulation of necessary regulations and procedures and conduct of required exercises.

(d) Grants for improvement, maintenance, and updating of State plans

The President is authorized to make grants not to exceed 50 per centum of the cost of improving, maintaining and updating State disaster assistance plans, including evaluations of natural hazards and development of the programs and actions required to mitigate such hazards; except that no such grant shall exceed \$50,000 per annum to any State.

AMENDMENTS

1988—Subsec. (a). Pub. L. 100-707, §104(b)(1), struck out “(including the Defense Civil Preparedness Agency)” after “agencies”.

Subsec. (d). Pub. L. 100-707, §104(a), (b)(2), inserted “including evaluations of natural hazards and development of the programs and actions required to mitigate such hazards;” after “plans,” and substituted “\$50,000” for “\$25,000”.

§ 5132. Disaster warnings

(a) Readiness of Federal agencies to issue warnings to State and local officials

The President shall insure that all appropriate Federal agencies are prepared to issue warnings of disasters to State and local officials.

(b) Technical assistance to State and local governments for effective warnings

The President shall direct appropriate Federal agencies to provide technical assistance to State

and local governments to insure that timely and effective disaster warning is provided.

(c) Warnings to governmental authorities and public endangered by disaster

The President is authorized to utilize or to make available to Federal, State, and local agencies the facilities of the civil defense communications system established and maintained pursuant to section 5196(c) of this title or any other Federal communications system for the purpose of providing warning to governmental authorities and the civilian population in areas endangered by disasters.

(d) Agreements with commercial communications systems for use of facilities

The President is authorized to enter into agreements with the officers or agents of any private or commercial communications systems who volunteer the use of their systems on a reimbursable or nonreimbursable basis for the purpose of providing warning to governmental authorities and the civilian population endangered by disasters.
