

(B) who has completed training from, and is determined to be in good standing by, a recovery services organization capable of conducting such training and making such determination.

**(3) Recovery community organization**

The term “recovery community organization” has the meaning given such term in section 290ee-2(a) of this title.

**(d) Reporting Requirements**

**(1) Reports by grantees**

Each eligible entity awarded a grant under this section shall submit to the Secretary an annual report for each year for which the entity has received such grant that includes information on—

(A) the number of individuals treated by the entity for non-fatal overdoses, including the number of non-fatal overdoses where overdose reversal medication was administered;

(B) the number of individuals administered medication-assisted treatment by the entity;

(C) the number of individuals referred by the entity to other treatment facilities after a non-fatal overdose, the types of such other facilities, and the number of such individuals admitted to such other facilities pursuant to such referrals; and

(D) the frequency and number of patients with reoccurrences, including readmissions for non-fatal overdoses and evidence of relapse related to substance use disorder.

**(2) Report by Secretary**

Not later than 5 years after October 24, 2018, the Secretary shall submit to Congress a report that includes an evaluation of the effectiveness of the grant program carried out under this section with respect to long term health outcomes of the population of individuals who have experienced a drug overdose, the percentage of patients treated or referred to treatment by grantees, and the frequency and number of patients who experienced relapse, were readmitted for treatment, or experienced another overdose.

**(e) Privacy**

The requirements of this section, including with respect to data reporting and program oversight, shall be subject to all applicable Federal and State privacy laws.

**(f) Authorization of appropriations**

There is authorized to be appropriated to carry out this section \$10,000,000 for each of fiscal years 2019 through 2023.

CODIFICATION

Section was enacted as part of the Substance Use-Disorder Prevention that Promotes Opioid Recov-

ery and Treatment for Patients and Communities Act, also known as the SUPPORT for Patients and Communities Act, and not as part of the Public Health Service Act which comprises this chapter.

**§ 290ee. Opioid overdose reversal medication access and education grant programs**

**(a) Grants to States**

The Secretary shall make grants to States to—

(1) implement strategies for pharmacists to dispense a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] for emergency treatment of known or suspected opioid overdose, as appropriate, pursuant to a standing order;

(2) encourage pharmacies to dispense opioid overdose reversal medication pursuant to a standing order;

(3) develop or provide training materials that persons authorized to prescribe or dispense a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose may use to educate the public concerning—

(A) when and how to safely administer such drug or device; and

(B) steps to be taken after administering such drug or device; and

(4) educate the public concerning the availability of drugs or devices approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose without a person-specific prescription.

**(b) Certain requirement**

A grant may be made under this section only if the State involved has authorized standing orders to be issued for drugs or devices approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

**(c) Preference in making grants**

In making grants under this section, the Secretary may give preference to States that have a significantly higher rate of opioid overdoses than the national average, and that—

(1) have not implemented standing orders regarding drugs or devices approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose;

(2) authorize standing orders to be issued that permit community-based organizations, substance abuse programs, or other nonprofit entities to acquire, dispense, or administer drugs or devices approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose; or

(3) authorize standing orders to be issued that permit police, fire, or emergency medical services agencies to acquire and administer drugs or devices approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose.

**(d) Grant terms****(1) Number**

A State may not receive more than one grant under this section at a time.

**(2) Period**

A grant under this section shall be for a period of 3 years.

**(3) Limitation**

A State may use not more than 20 percent of a grant under this section for educating the public pursuant to subsection (a)(4).

**(e) Applications**

To be eligible to receive a grant under this section, a State shall submit an application to the Secretary in such form and manner and containing such information as the Secretary may reasonably require, including detailed proposed expenditures of grant funds.

**(f) Reporting**

A State that receives a grant under this section shall, at least annually for the duration of the grant, submit a report to the Secretary evaluating the progress of the activities supported through the grant. Such reports shall include information on the number of pharmacies in the State that dispense a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose under a standing order, and other information as the Secretary determines appropriate to evaluate the use of grant funds.

**(g) Definitions**

In this section the term “standing order” means a document prepared by a person authorized to prescribe medication that permits another person to acquire, dispense, or administer medication without a person-specific prescription.

**(h) Authorization of appropriations****(1) In general**

To carry out this section, there are authorized to be appropriated \$5,000,000 for the period of fiscal years 2017 through 2019.

**(2) Administrative costs**

Not more than 3 percent of the amounts made available to carry out this section may be used by the Secretary for administrative expenses of carrying out this section.

**§ 290ee-1. First responder training****(a) Program authorized**

The Secretary shall make grants to States, local governmental entities, and Indian tribes and tribal organizations (as defined in section 5304 of title 25) to allow first responders and members of other key community sectors to administer a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] for emergency treatment of known or suspected opioid overdose.

**(b) Application****(1) In general**

An entity seeking a grant under this section shall submit an application to the Secretary—

(A) that meets the criteria under paragraph (2); and

(B) at such time, in such manner, and accompanied by such information as the Secretary may require.

**(2) Criteria**

An entity, in submitting an application under paragraph (1), shall—

(A) describe the evidence-based methodology and outcome measurements that will be used to evaluate the program funded with a grant under this section, and specifically explain how such measurements will provide valid measures of the impact of the program;

(B) describe how the program could be broadly replicated if demonstrated to be effective;

(C) identify the governmental and community agencies with which the entity will coordinate to implement the program; and

(D) describe how the entity will ensure that law enforcement agencies will coordinate with their corresponding State substance abuse and mental health agencies to identify protocols and resources that are available to overdose victims and families, including information on treatment and recovery resources.

**(c) Use of funds**

An entity shall use a grant received under this section to—

(1) make a drug or device approved or cleared under the Federal Food, Drug, and Cosmetic Act for emergency treatment of known or suspected opioid overdose available to be carried and administered by first responders and members of other key community sectors;

(2) train and provide resources for first responders and members of other key community sectors on carrying and administering a drug or device approved or cleared under the
