

ing employment in a directly affected organization, stock ownership, or any financial or other arrangement that might introduce bias in the process of peer review.

(d) Authority for procedural adjustments in certain cases

In the case of applications for financial assistance whose direct costs will not exceed \$100,000, the Director may make appropriate adjustments in the procedures otherwise established by the Director for the conduct of peer review under this section. Such adjustments may be made for the purpose of encouraging the entry of individuals into the field of research, for the purpose of encouraging clinical practice-oriented or provider-based research, and for such other purposes as the Director may determine to be appropriate.

(e) Regulations

The Director shall issue regulations for the conduct of peer review under this section.

§ 299c-2. Certain provisions with respect to development, collection, and dissemination of data

(a) Standards with respect to utility of data

(1) In general

To ensure the utility, accuracy, and sufficiency of data collected by or for the Agency for the purpose described in section 299(b) of this title, the Director shall establish standard methods for developing and collecting such data, taking into consideration—

(A) other Federal health data collection standards; and

(B) the differences between types of health care plans, delivery systems, health care providers, and provider arrangements.

(2) Relationship with other Department programs

In any case where standards under paragraph (1) may affect the administration of other programs carried out by the Department of Health and Human Services, including the

programs under title XVIII, XIX or XXI of the Social Security Act [42 U.S.C. 1395 et seq., 1396 et seq., 1397aa et seq.], or may affect health information that is subject to a standard developed under part C of title XI of the Social Security Act [42 U.S.C. 1320d et seq.], they shall be in the form of recommendations to the Secretary for such program.

(b) Statistics and analyses

The Director shall—

(1) take appropriate action to ensure that statistics and analyses developed under this subchapter are of high quality, timely, and duly comprehensive, and that the statistics are specific, standardized, and adequately analyzed and indexed; and

(2) publish, make available, and disseminate such statistics and analyses on as wide a basis as is practicable.

(c) Authority regarding certain requests

Upon request of a public or private entity, the Director may conduct or support research or analyses otherwise authorized by this subchapter pursuant to arrangements under which such entity will pay the cost of the services provided. Amounts received by the Director under such arrangements shall be available to the Director for obligation until expended.
