

shall establish fellowship and training programs to be conducted by the Centers for Disease Control and Prevention to train individuals to develop skills in epidemiology, surveillance, testing, counseling, education, information, and laboratory analysis relating to acquired immune deficiency syndrome. Such programs shall be designed to enable health professionals and health personnel trained under such programs to work, after receiving such training, in national and international efforts toward the prevention, diagnosis, and treatment of acquired immune deficiency syndrome.

(b) Programs conducted by National Institute of Mental Health

The Secretary, acting through the Director of the National Institute of Mental Health, shall conduct or support fellowship and training programs for individuals pursuing graduate or post-graduate study in order to train such individuals to conduct scientific research into the psychological and social sciences as such sciences relate to acquired immune deficiency syndrome.

(c) Relationship to limitation on number of employees

Any individual receiving a fellowship or receiving training under subsection (a) or (b) shall not be included in any determination of the number of full-time equivalent employees of the Department of Health and Human Services for the purpose of any limitation on the number of such employees established by law prior to, on, or after November 4, 1988.

(d) Authorization of appropriations

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary for each fiscal year.

(July 1, 1944, ch. 373, title XXIII, §2341, as added Pub. L. 100-607, title II, §201(4), Nov. 4, 1988, 102 Stat. 3076; amended Pub. L. 100-690, title II, §2617(e), Nov. 18, 1988, 102 Stat. 4240; Pub. L. 102-531, title III, §312(d)(21), Oct. 27, 1992, 106 Stat. 3505; Pub. L. 103-43, title XVIII, §1811(7), June 10, 1993, 107 Stat. 200.)

AMENDMENTS

1993—Subsec. (d). Pub. L. 103-43 substituted “fiscal year” for “of the fiscal years 1989 through 1991”.

1992—Subsec. (a). Pub. L. 102-531, which directed the substitution of “Centers for Disease Control and Prevention” for “Centers for Disease Control”, was executed by making the substitution in two places to reflect the probable intent of Congress.

1988—Subsec. (c). Pub. L. 100-690 substituted “date of the enactment of the AIDS Amendments of 1988” for “date of the enactment of the AIDS Federal Policy Act of 1988” which for purposes of codification was translated as “November 4, 1988”.

EFFECTIVE DATE OF 1988 AMENDMENT

Amendment by Pub. L. 100-690 effective immediately after enactment of Pub. L. 100-607, which was approved Nov. 4, 1988, see section 2600 of Pub. L. 100-690, set out as a note under section 242m of this title.

PART D—OFFICE OF AIDS RESEARCH

CODIFICATION

Pub. L. 103-43, title XVIII, §1801(a)(1), (3), June 10, 1993, 107 Stat. 192, added part D designation and heading and struck out former part D designation and heading

“Special Authorities of the Director of the National Institutes of Health”.

SUBPART I—INTERAGENCY COORDINATION OF ACTIVITIES

CODIFICATION

Pub. L. 103-43, title XVIII, §1801(a)(3), June 10, 1993, 107 Stat. 192, added subpart I heading.

§ 300cc-40. Establishment of Office

(a) In general

There is established within the National Institutes of Health an office to be known as the Office of AIDS Research. The Office shall be headed by a director, who shall be appointed by the Secretary.

(b) Duties

(1) Interagency coordination of AIDS activities

With respect to acquired immune deficiency syndrome, the Director of the Office shall plan, coordinate, and evaluate research and other activities conducted or supported by the agencies of the National Institutes of Health. In carrying out the preceding sentence, the Director of the Office shall evaluate the AIDS activities of each of such agencies and shall provide for the periodic reevaluation of such activities.

(2) Consultations

The Director of the Office shall carry out this subpart (including developing and revising the plan required in section 300cc-40c of this title) in consultation with the heads of the agencies of the National Institutes of Health, with the advisory councils of the agencies, and with the advisory council established under section 300cc-40b of this title.

(3) Coordination

The Director of the Office shall act as the primary Federal official with responsibility for overseeing all AIDS research conducted or supported by the National Institutes of Health, and

(A) shall serve to represent the National Institutes of Health AIDS Research Program at all relevant Executive branch task forces and committees; and

(B) shall maintain communications with all relevant Public Health Service agencies and with various other departments of the Federal Government, to ensure the timely transmission of information concerning advances in AIDS research and the clinical treatment of acquired immune deficiency syndrome and its related conditions, between these various agencies for dissemination to affected communities and health care providers.

(July 1, 1944, ch. 373, title XXIII, §2351, as added Pub. L. 103-43, title XVIII, §1801(a)(3), June 10, 1993, 107 Stat. 192.)

§ 300cc-40a. Microbicide research

(a) Federal strategic plan

The Director of the Office shall—

(1) expedite the implementation of the Federal strategic plans required by section 283(a)

of this title regarding the conduct and support of research on, and development of, a microbicide to prevent the transmission of the human immunodeficiency virus; and

(2) review and, as appropriate, revise such plan to prioritize funding and activities relative to their scientific urgency and potential market readiness.

(b) Coordination

In implementing, reviewing, and prioritizing elements of the plan described in subsection (a), the Director of the Office shall consult, as appropriate, with—

(1) representatives of other Federal agencies involved in microbicide research, including the Coordinator of United States Government Activities to Combat HIV/AIDS Globally, the Director of the Centers for Disease Control and Prevention, and the Administrator of the United States Agency for International Development;

(2) the microbicide research and development community; and

(3) health advocates.

(July 1, 1944, ch. 373, title XXIII, §2351A, as added Pub. L. 110–293, title II, §203(b), July 30, 2008, 122 Stat. 2940.)

PRIOR PROVISIONS

A prior section 300cc–40a, act July 1, 1944, ch. 373, title XXIII, §2352, as added Pub. L. 103–43, title XVIII, §1801(a)(3), June 10, 1993, 107 Stat. 193, which required the establishment of an advisory council and coordinating committees, was transferred to section 300cc–40b of this title.

SENSE OF CONGRESS

Pub. L. 110–293, title II, §203(a), July 30, 2008, 122 Stat. 2940, provided that: “Congress recognizes the need and urgency to expand the range of interventions for preventing the transmission of human immunodeficiency virus (HIV), including nonvaccine prevention methods that can be controlled by women.”

§ 300cc–40b. Advisory Council; coordinating committees

(a) Advisory Council

(1) In general

The Secretary shall establish an advisory council for the purpose of providing advice to the Director of the Office on carrying out this part. (Such council is referred to in this subsection as the “Advisory Council”.)

(2) Composition, compensation, terms, chair, etc.

Subsections (b) through (g) of section 284a of this title apply to the Advisory Council to the same extent and in the same manner as such subsections apply to advisory councils for the national research institutes, except that—

(A) in addition to the ex officio members specified in section 284a(b)(2) of this title, there shall serve as such members of the Advisory Council a representative from the advisory council of each of the National Cancer Institute and the National Institute on Allergy and Infectious Diseases; and

(B) with respect to the other national research institutes, there shall serve as ex officio members of such Council, in addition to

such members specified in subparagraph (A), a representative from the advisory council of each of the 2 institutes that receive the greatest funding for AIDS activities.

(b) Individual coordinating committees regarding research disciplines

(1) In general

The Director of the Office shall establish, for each research discipline in which any activity under the plan required in section 300cc–40c of this title is carried out, a committee for the purpose of providing advice to the Director of the Office on carrying out this part with respect to such discipline. (Each such committee is referred to in this subsection as a “coordinating committee”.)

(2) Composition

Each coordinating committee shall be composed of representatives of the agencies of the National Institutes of Health with significant responsibilities regarding the research discipline involved.

(July 1, 1944, ch. 373, title XXIII, §2352, as added Pub. L. 103–43, title XVIII, §1801(a)(3), June 10, 1993, 107 Stat. 193.)

CODIFICATION

Section was formerly classified to section 300cc–40a of this title.

PRIOR PROVISIONS

A prior section 300cc–40b, act July 1, 1944, ch. 373, title XXIII, §2353, as added Pub. L. 103–43, title XVIII, §1801(a)(3), June 10, 1993, 107 Stat. 194, which required the establishment of a comprehensive plan, was transferred to section 300cc–40c of this title.

TERMINATION OF ADVISORY COUNCILS

Advisory councils established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a council established by the President or an officer of the Federal Government, such council is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a council established by Congress, its duration is otherwise provided by law. See sections 3(2) and 14 of Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

Pub. L. 93–641, §6, Jan. 4, 1975, 88 Stat. 2275, set out as a note under section 217a of this title, provided that an advisory committee established pursuant to the Public Health Service Act shall terminate at such time as may be specifically prescribed by an Act of Congress enacted after Jan. 4, 1975.

§ 300cc–40c. Comprehensive plan for expenditure of appropriations

(a) In general

Subject to the provisions of this section and other applicable law, the Director of the Office, in carrying out section 300cc–40 of this title, shall—

(1) establish a comprehensive plan for the conduct and support of all AIDS activities of the agencies of the National Institutes of Health (which plan shall be first established under this paragraph not later than 12 months after June 10, 1993);

(2) ensure that the Plan establishes priorities among the AIDS activities that such agencies are authorized to carry out;
