The requirements prescribed by the Commissioner of Social Security under subsection (a) shall preclude any determination of entitlement to benefits under this subchapter solely on the basis of declarations by the individual concerning qualifications or other material facts, and shall provide for verification of material information from independent or collateral sources, and the procurement of additional information as necessary in order to ensure that the benefits are provided only to qualified individuals (or their representative payees) in correct amounts.

If the Commissioner of Social Security determines that a representative payee has misused any benefit paid to the representative payee pursuant to this section, 405(j) of this title, or section 1383(a)(2) of this title, the Commissioner of Social Security shall promptly revoke the person’s designation as the qualified individual’s representative payee under this subsection, and shall make payment to an alternative representative payee or, if the interest of the qualified individual under this subchapter would be served thereby, to the qualified individual.
