Any cash payments which are made by a State (or political subdivision thereof) on a regular basis to individuals who are receiving benefits under this subchapter or who would but for their income be eligible to receive benefits under this subchapter, as assistance based on need in supplementation of such benefits (as determined by the Commissioner of Social Security), shall be excluded under section 1382a(b)(6) of this title in determining the income of such individuals for purposes of this subchapter and the Commissioner of Social Security and such State may enter into an agreement which satisfies subsection (b) under which the Commissioner of Social Security will, on behalf of such State (or subdivision) make such supplementary payments to all such individuals.

**(b) Agreement between Commissioner and State; contents**

Any agreement between the Commissioner of Social Security and a State entered into under subsection (a) shall provide—

(1) that such payments will be made (subject to subsection (c)) to all individuals residing in such State (or subdivision) who are receiving benefits under this subchapter, and

(2) such other rules with respect to eligibility for or amount of the supplementary payments, and such procedural or other general administrative provisions, as the Commissioner of Social Security finds necessary (subject to subsection (c)) to achieve efficient and effective administration of both the program which the Commissioner conducts under this subchapter and the optional State supplementation.

At the option of the State (but subject to paragraph (2) of this subsection), the agreement be-

tween the Commissioner of Social Security and such State entered into under subsection (a) shall be modified to provide that the Commissioner of Social Security will make supplementary payments, on and after an effective date to be specified in the agreement as so modified, to individuals receiving benefits determined under section 1382(e)(1)(B) of this title.

**(c) Residence requirement by State or subdivision for supplementary payments; disregarding amounts of certain income by State or subdivision in determining eligibility for supplementary payments**

(1) Any State (or political subdivision) making supplementary payments described in subsection (a) may at its option impose as a condition of eligibility for such payments, and include in the State's agreement with the Commissioner of Social Security under such subsection, a residence requirement which excludes individuals who have resided in the State (or political subdivision) for less than a minimum period prior to application for such payments.

(2) Any State (or political subdivision), in determining the eligibility of any individual for supplementary payments described in subsection (a), may disregard amounts of earned and unearned income in addition to other amounts which it is required or permitted to disregard under this section in determining such eligibility, and shall include a provision specifying the amount of any such income that will be disregarded, if any.

(3) Any State (or political subdivision) making supplementary payments described in subsection (a) shall have the option of making such payments to individuals who receive benefits under this subchapter under the provisions of section 1382h of this title, or who would be eligible to receive such benefits but for their income.

**(d) Payment to Commissioner by State of amount equal to expenditures by Commissioner as supplementary payments; time and manner of payment by State; fees for Federal administration of State supplementary payments**

(1) Any State which has entered into an agreement with the Commissioner of Social Security under this section which provides that the Commissioner of Social Security will, on behalf of the State (or political subdivision), make the supplementary payments to individuals who are receiving benefits under this subchapter (or who would but for their income be eligible to receive such benefits), shall, in accordance with paragraph (5), pay to the Commissioner of Social Security an amount equal to the expenditures made by the Commissioner of Social Security as such supplementary payments, plus an administration fee assessed in accordance with paragraph (2) and any additional services fee charged in accordance with paragraph (3).

(2)(A) The Commissioner of Social Security shall assess each State an administration fee in an amount equal to—

- (i) the number of supplementary payments made by the Commissioner of Social Security on behalf of the State under this section for any month in a fiscal year; multiplied by
- (ii) the applicable rate for the fiscal year.

(B) As used in subparagraph (A), the term "applicable rate" means—

- (i) for fiscal year 1994, \$1.67;
- (ii) for fiscal year 1995, \$3.33;

(I) the applicable rate in the preceding fiscal year, increased by the percentage, if any, by which the Consumer Price Index for the month of June of the calendar year of the increase exceeds the Consumer Price Index for the month of June of the calendar year preceding the calendar year of the increase, and rounded to the nearest whole cent; or

(II) such different rate as the Commissioner determines is appropriate for the State.

(C) Upon making a determination under subparagraph (B)(x)(II), the Commissioner of Social Security shall promulgate the determination in regulations, which may take into account the complexity of administering the State's supplementary payment program.

(D) All fees assessed pursuant to this paragraph shall be transferred to the Commissioner of Social Security at the same time that amounts for such supplementary payments are required to be so transferred.

(3)(A) The Commissioner of Social Security may charge a State an additional services fee if, at the request of the State, the Commissioner of Social Security provides additional services beyond the level customarily provided, in the administration of State supplementary payments pursuant to this section.

(B) The additional services fee shall be in an amount that the Commissioner of Social Security determines is necessary to cover all costs (including indirect costs) incurred by the Federal Government in furnishing the additional services referred to in subparagraph (A).

(4)(A) The first \$5 of each administration fee assessed pursuant to paragraph (2), upon collection, shall be deposited in the general fund of the Treasury of the United States as miscellaneous receipts.

(B) That portion of each administration fee in excess of \$5, and 100 percent of each additional services fee charged pursuant to paragraph (3), upon collection for fiscal year 1998 and each subsequent fiscal year, shall be credited to a special fund established in the Treasury of the United States for State supplementary payment fees. The amounts so credited, to the extent and in the amounts provided in advance in appropriations Acts, shall be available to defray expenses incurred in carrying out this subchapter and related laws.

(II) with respect to such monthly benefits paid for the month that is the last month of the State's fiscal year, the fifth business day following such date.

(ii) The Commissioner may charge States a penalty in an amount equal to 5 percent of the payment and the fees due if the remittance is received after the date required by clause (i).

(B) The Cash Management Improvement Act of 1990 shall not apply to any payments or fees required under this subsection that are paid by a State before the date required by subparagraph (A)(i).

(C) Notwithstanding subparagraph (A)(i), the Commissioner may make supplementary payments on behalf of a State with funds appropriated for payment of benefits under this subchapter, and subsequently to be reimbursed for such payments by the State at such times as the Commissioner and State may agree. Such authority may be exercised only if extraordinary circumstances affecting a State's ability to make payment when required by subparagraph (A)(i) are determined by the Commissioner to exist.

**(e) State standards; establishment; annual public review; annual certification; payments to individuals**

(1) Each State shall establish or designate one or more State or local authorities which shall establish, maintain, and insure the enforcement of standards for any category of institutions, foster homes, or group living arrangements in which (as determined by the State) a significant number of recipients of supplemental security income benefits is residing or is likely to reside. Such standards shall be appropriate to the needs of such recipients and the character of the facilities involved, and shall govern such matters as admission policies, safety, sanitation, and protection of civil rights.

LIMITATION ON FISCAL LIABILITY OF STATES FOR PAYMENT TO SECRETARY OF SUPPLEMENTARY PAYMENTS MADE BY SECRETARY PURSUANT TO AGREEMENT

Pub. L. 92-603, title IV, §401, Oct. 30, 1972, 86 Stat. 1485, as amended by Pub. L. 93-233, §18(h), Dec. 31, 1973, 87 Stat. 969; Pub. L. 94-566, title V, §504(a), Oct. 20, 1976, 90 Stat. 2686; Pub. L. 94-585 §2(b), Oct. 21, 1976, 90 Stat. 2902; Pub. L. 97-248, title I, §184(a), Sept. 3, 1982, 96 Stat. 406; Pub. L. 110-234, title IV, §4115(c)(1)(A)(ii), (vi), (B)(iv), May 22, 2008, 122 Stat. 1109; Pub. L. 110-246, §4(a), title IV, §4115(c)(1)(A)(ii), (vi), (B)(iv), June 18, 2008, 122 Stat. 1664, 1870, 1871, provided that:

“(a)(1) The amount payable to the Secretary by a State for any fiscal year, other than fiscal year 1974, pursuant to its agreement or agreements under section 1616 of the Social Security Act [this section] shall not exceed the non-Federal share of expenditures as aid or assistance for quarters in the calendar year 1972 under the plans of the State approved under titles I, X, XIV, and XVI of the Social Security Act [42 U.S.C. 301 et seq., 1201 et seq., 1351 et seq., 1381 et seq.] (as defined in subsection (c) of this section), and the amount payable for fiscal year 1974 pursuant to such agreement or agreements shall not exceed one-half of the non-Federal share of such expenditures.

“(2) Paragraph (1) of this subsection shall only apply with respect to that portion of the supplementary payments made by the Secretary on behalf of the State under such agreements in any fiscal year which does not exceed in the case of any individual the difference between—

“(A) the adjusted payment level under the appropriate approved plan of such State as in effect for January 1972 (as defined in subsection (b) of this section), and

“(B) the benefits under title XVI of the Social Security Act [42 U.S.C. 1381 et seq.] (subject to the second sentence of this paragraph), plus income not excluded under section 1612(b) of such Act [42 U.S.C. 1382a(b)] in determining such benefits, paid to such individual in such fiscal year,

and shall not apply with respect to supplementary payments to any individual who (i) is not required by section 1616 of such Act [42 U.S.C. 1382e] to be included in any such agreement administered by the Secretary and (ii) would have been ineligible (for reasons other than income) for payments under the appropriate approved State plan as in effect for January 1972. In determining the difference between the level specified in subparagraph (A) and the benefits and income described in sub-

paragraph (B) there shall be excluded any part of any such benefit which results from (and would not be payable but for) any cost-of-living increase in such benefits under section 1617 of such Act [42 U.S.C. 1382f] (or any general increase enacted by law in the dollar amounts referred to in such section) becoming effective after June 30, 1977.

“(b)(1) For purposes of subsection (a), the term ‘adjusted payment level under the appropriate approved plan of a State as in effect for January 1972’ means the amount of the money payment which an individual with no other income would have received under the plan of such State approved under title I, X, XIV, or XVI of the Social Security Act [42 U.S.C. 301 et seq., 1201 et seq., 1351 et seq., 1381 et seq.], as may be appropriate, and in effect for January 1972; except that the State may, at its option, increase such payment level with respect to any such plan by an amount which does not exceed the sum of—

“(A) a payment level modification (as defined in paragraph (2) of this subsection) with respect to such plan, and

“(B) the bonus value of food stamps [probably should be ‘benefits’] in such State for January 1972 (as defined in paragraph (3) of this subsection).

“(2) For purposes of paragraph (1), the term ‘payment level modification’ with respect to any State plan means that amount by which a State which for January 1972 made money payments under such plan to individuals with no other income which were less than 100 per centum of its standard of need could have increased such money payments without increasing (if it reduced its standard of need under such plan so that such increased money payments equaled 100 per centum of such standard of need) the non-Federal share of expenditures as aid or assistance for quarters in calendar year 1972 under the plans of such State approved under titles I, X, XIV, and XVI of the Social Security Act [42 U.S.C. 301 et seq., 1201 et seq., 1351 et seq., 1381 et seq.].

“(3) For purposes of paragraph (1), the term ‘bonus value of benefits in a State for January 1972’ (with respect to an individual) means—

“(A) the face value of the benefit allotment which would have been provided to such an individual under the Food Stamp Act of 1964 [now the Food and Nutrition Act of 2008, 7 U.S.C. 2011 et seq.] for January 1972, reduced by

“(B) the charge which such an individual would have paid for such benefit allotment, if the income of such individual, for purposes of determining the charge it would have paid for its benefit allotment, had been equal to the adjusted payment level under the State plan (including any payment level modification with respect to the plan adopted pursuant to paragraph (2) (but not including any amount under this paragraph)). The total face value of benefits and the cost thereof in January 1972 shall be determined in accordance with rules prescribed by the Secretary of Agriculture in effect in such month.

“(c) For purposes of this section, the term ‘non-Federal share of expenditures as aid or assistance for quarters in the calendar year 1972 under the plans of a State approved under titles I, X, XIV, and XVI of the Social Security Act’ [42 U.S.C. 301 et seq., 1201 et seq., 1351 et seq., 1381 et seq.] means the difference between—

“(1) the total expenditures in such quarters under such plans for aid or assistance (excluding expenditures authorized under section 1119 of such Act [42 U.S.C. 1319] for repairing the home of an individual who was receiving aid or assistance under one of such plans (as such section was in effect prior to the enactment of this Act)), and

“(2) the total of the amounts determined under sections 3, 1003, 1403, and 1603 of the Social Security Act [42 U.S.C. 303, 1203, 1353; 1383 note], under section 1118 of such Act [42 U.S.C. 1318], and under section 9 of the Act of April 19, 1950 [former 25 U.S.C. 639], for such State with respect to such expenditures in such quarters.

“(d) In addition to the amount which a State must pay to the Secretary for the fiscal year 1983 or the fis-

cal year 1984, as determined under subsection (a), the State shall also pay, for the fiscal year 1983, 60 percent of the further amount that would be payable but for the limit specified in subsection (a), and, for the fiscal year 1984, 80 percent of such further amount. For each fiscal year thereafter, the limit prescribed in subsection (a) shall be inapplicable and a State shall pay to the Secretary the full amount of any supplementary payments he makes on behalf of such State."
