#### CODIFICATION

In text, “sections 3141–3144, 3146, and 3147 of title 40” substituted for “the Act of March 31, 1931 (40 U.S.C. 276a–276a–5, known as the Davis-Bacon Act)” and “section 3145 of title 40” substituted for “section 2 of the Act of June 13, 1934 (40 U.S.C. 276c)” on authority of Pub. L. 107–217, §5(c), Aug. 21, 2002, 116 Stat. 1303, the first section of which enacted Title 40, Public Buildings, Property, and Works.

Section was enacted as a part of the National Energy Conservation Policy Act, and not as a part of the Energy Policy and Conservation Act which comprises this chapter, and consequently is not a part of part E of this subchapter.

### § 6371k. Coordination of energy retrofitting assistance for schools

#### (a) Definition of school

In this section, the term “school” means—

- (1) an elementary school or secondary school (as defined in section 7801 of title 20);
- (2) an institution of higher education (as defined in section 1001(a) of title 20);
- (3) a postsecondary vocational institution (as defined in section 1002(c) of title 20);
- (4) a school of the defense dependents’ education system under the Defense Dependents’ Education Act of 1978 (20 U.S.C. 921 et seq.) or established under section 2164 of title 10;
- (5) a school operated by the Bureau of Indian Education;
- (6) a tribally controlled school (as defined in section 2511 of title 25); and
- (7) a Tribal College or University (as defined in section 1059c(b) of title 20).

#### (b) Designation of lead agency

The Secretary of Energy (in this section referred to as the “Secretary”), acting through the Office of Energy Efficiency and Renewable Energy, shall act as the lead Federal agency for coordinating and disseminating information on existing Federal programs and assistance that may be used to help initiate, develop, and finance energy efficiency, renewable energy, and energy retrofitting projects for schools.

#### (c) Requirements

In carrying out coordination and outreach under subsection (b), the Secretary shall—

(1) in consultation and coordination with the appropriate Federal agencies, carry out a review of existing programs and financing mechanisms (including revolving loan funds and loan guarantees) available in or from the Department of Agriculture, the Department of Energy, the Department of Education, the Department of the Treasury, the Internal Revenue Service, the Environmental Protection Agency, and other appropriate Federal agencies with jurisdiction over energy financing and facilitation that are currently used or may be used to help initiate, develop, and finance energy efficiency, renewable energy, and energy retrofitting projects for schools;

(2) establish a Federal cross-departmental collaborative coordination, education, and outreach effort to streamline communication and promote available Federal opportunities and assistance described in paragraph (1), for energy efficiency, renewable energy, and energy retrofitting projects that enables States, local educational agencies, and schools—

(A) to use existing Federal opportunities more effectively; and

(B) to form partnerships with Governors, State energy programs, local educational, financial, and energy officials, State and local government officials, nonprofit organizations, and other appropriate entities, to support the initiation of the projects;

(3) provide technical assistance for States, local educational agencies, and schools to help develop and finance energy efficiency, renewable energy, and energy retrofitting projects—

(A) to increase the energy efficiency of buildings or facilities;

(B) to install systems that individually generate energy from renewable energy resources;

(C) to establish partnerships to leverage economies of scale and additional financing mechanisms available to larger clean energy initiatives; or

(D) to promote—

(i) the maintenance of health, environmental quality, and safety in schools, including the ambient air quality, through energy efficiency, renewable energy, and energy retrofit projects; and

(ii) the achievement of expected energy savings and renewable energy production through proper operations and maintenance practices;

(4) develop and maintain a single online resource website with contact information for relevant technical assistance and support staff in the Office of Energy Efficiency and Renewable Energy for States, local educational agencies, and schools to effectively access and use Federal opportunities and assistance described in paragraph (1) to develop energy efficiency, renewable energy, and energy retrofitting projects; and

(5) establish a process for recognition of schools that—

(A) have successfully implemented energy efficiency, renewable energy, and energy retrofit projects; and

(B) are willing to serve as resources for other local educational agencies and schools to assist initiation of similar efforts.

**(d) Report**

Not later than 180 days after December 27, 2020, the Secretary shall submit to Congress a report describing the implementation of this section.

PART F—ENERGY CONSERVATION PROGRAM FOR BUILDINGS OWNED BY UNITS OF LOCAL GOVERNMENT AND PUBLIC CARE INSTITUTIONS

CODIFICATION

This part was, in the original, designated part H and has been changed to part F for purposes of codification.

**§ 6372. Definitions**

For purposes of this part—

(1) The terms “hospital”, “State”, “school”, “Governor”, “State energy agency”, “energy conservation measure”, “energy conservation maintenance and operating procedure”, “preliminary energy audit”, “technical assistance costs”, “energy audit” and “Secretary” have the meanings provided in section 6371 of this title.

(2) The term “unit of local government” means the government of a county, municipality, or township, which is a unit of general purpose government below the State (determined on the basis of the same principles as are used by the Bureau of the Census for general statistical purposes) and the District of Columbia. Such term also means the recognized governing body of an Indian tribe (as defined in section 6862 of this title) which governing body performs substantial governmental functions.

(3) The term “building” has the meaning provided in section 6371 of this title except that for purposes of this part such term includes only buildings which are owned and primarily occupied by offices or agencies of a unit of local government or by a public care institution and does not include any building intended for seasonal use or any building utilized primarily by a school or hospital.

(4) The term “public care institution” means a public or nonprofit institution which owns—

(A) a facility for long term care, a rehabilitation facility, or a public health center, as described in section 300s-3 of this title, or

(B) a residential child care center.

(5) The term “public or nonprofit institution” means an institution owned and operated by—

(A) a State, a political subdivision of a State or an agency or instrumentality of either, or

(B) an organization exempt from income tax under section 501(c)(3) or 501(c)(4) of title 26.

(6) The term “technical assistance program costs” means the costs of carrying out a technical assistance program.

(7) The term “technical assistance” means assistance under rules, promulgated by the Secretary, to States, units of local government and public care institutions—

(A) to conduct specialized studies identifying and specifying energy savings and related cost savings that are likely to be realized as a result of (i) modification or maintenance and operating procedures in a building, (ii) the acquisition and installation of one or more specified energy conservation measures in such building or (iii) both, or

(B) the planning or administration of such specialized studies.

(Pub. L. 94-163, title III, §400A, as added Pub. L. 95-619, title III, §311(a), Nov. 9, 1978, 92 Stat. 3248; amended Pub. L. 99-514, §2, Oct. 22, 1986, 100 Stat. 2095.)

AMENDMENTS

1986—Par. (5)(B). Pub. L. 99-514 substituted “Internal Revenue Code of 1986” for “Internal Revenue Code of 1954”, which for purposes of codification was translated as “title 26” thus requiring no change in text.

SEPARABILITY

For separability of provisions of title III of Pub. L. 95-619, see section 302(c) of Pub. L. 95-619, set out as a note under section 6371 of this title.

CONGRESSIONAL STATEMENT OF FINDINGS AND PURPOSES

Pub. L. 95-619, title III, §310, Nov. 9, 1978, 92 Stat. 3248, provided that:

“(a) FINDINGS.—The Congress finds that—

“(1) the Nation’s nonrenewable energy resources are being rapidly depleted;

“(2) buildings owned by units of local government and public care institutions are major consumers of energy, and such units and institutions have been especially burdened by rising energy prices and fuel shortages;

“(3) substantial energy conservation can be achieved in buildings owned by units of local government and public care institutions through the implementation of energy conservation maintenance and operating procedures; and

“(4) units of local government and public care institutions in many instances need financial assistance in order to conduct energy audits and to identify energy conservation maintenance and operating procedures and to evaluate the potential benefits of acquiring and installing energy conservation measures.

“(b) PURPOSE.—It is the purpose of this part [part 2 (§§310-312) of title III of Pub. L. 95-619, enacting sections 6371j and 6372 to 6372i of this title] to authorize grants to States and units of local government and public care institutions to assist them in conducting preliminary energy audits and energy audits in identifying and implementing energy conservation maintenance and operating procedures and in evaluating en-
