

ergy conservation measures to reduce the energy use and anticipated energy costs of buildings owned by units of local government and public care institutions.”

APPLICATION OF SECTIONS 3141-3144, 3146, AND 3147 OF
TITLE 40

For application of sections 3141-3144, 3146, and 3147 of title 40 to grants made by the Secretary under this part, see section 6371j of this title.

§ 6372a. Guidelines

(a) Energy audits

The Secretary shall, by rule, not later than sixty days after November 9, 1978—

(1) prescribe guidelines for the conduct of the preliminary energy audits for buildings owned by units of local government and public care institutions, including a description of the type, number and distribution of preliminary energy audits of such buildings that will provide a reasonably accurate evaluation of the energy conservation needs of all such buildings in each State, and

(2) prescribe guidelines for the conduct of energy audits.

(b) Implementation of technical assistance programs

The Secretary shall, by rule, not later than 90 days after November 9, 1978, prescribe guidelines for State plans for the implementation of technical assistance programs for buildings owned by units of local government and public care institutions. The guidelines shall include—

(1) a description of the factors to be considered in determining which technical assistance programs will be given priority in making grants pursuant to this part, including such factors as cost, energy consumption, energy savings, and energy conservation goals;

(2) a description of the suggested criteria to be used in establishing a State program to identify persons qualified to undertake technical assistance work; and

(3) a description of the types of energy conservation measures deemed appropriate for each region of the Nation.

(c) Revisions

Guidelines prescribed under this part may be revised from time to time after notice and opportunity for comment.

§ 6372b. Preliminary energy audits and energy audits

(a) Application by Governor

The Governor of any State may apply to the Secretary at such time as the Secretary may specify after promulgation of the guidelines under section 6372a(a) of this title for grants to conduct preliminary energy audits of buildings owned by units of local government and public care institutions in such State under this part.

(b) Grants for conduct of preliminary energy audits

Upon application under subsection (a), the Secretary may make grants to States to assist

in conducting preliminary energy audits under this part for buildings owned by units of local government and public care institutions. Such audits shall be conducted in accordance with the guidelines prescribed under section 6372a(a)(1) of this title.

(c) Application by Governor, unit of local government or public care institution

The Governor of any State, unit of local government or public care institution may apply to the Secretary at such time as the Secretary may specify after promulgation of the guidelines under section 6372a(a) of this title for grants to conduct energy audits of buildings owned by units of local government and public care institutions in such State under this part.

(d) Grants for conduct of energy audits

Upon application under subsection (c) the Secretary may make grants to States, units of local government, and public care institutions for purposes of conducting energy audits of facilities under this part in accordance with the guidelines prescribed under section 6372a(a)(2) of this title.

(e) Audits conducted prior to grant of financial assistance

If a State, unit of local government, or public care institution, without the use of financial assistance under this section, conducts preliminary energy audits or energy audits which comply with the guidelines prescribed by the Secretary or which are approved by the Secretary, the funds allocated for purposes of this section shall be added to the funds available for technical assistance programs for such State, and shall be in addition to amounts otherwise available for such purpose.

(f) Restriction on use of funds

Amounts made available under this section (together with any other amounts made available from other Federal sources) may not be used to pay more than 50 percent of the costs of any preliminary energy audit or energy audit.

(Pub. L. 94-163, title III, §400C, as added Pub. L. 95-619, title III, §311(a), Nov. 9, 1978, 92 Stat. 3250.)

§ 6372c. State plans

(a) The Secretary shall invite the State energy agency of each State to submit, within 90 days after the effective date of the guidelines prescribed pursuant to section 6372a of this title, or such longer period as the Secretary may, for good cause, allow, a proposed State plan under this section for such State. Such plan shall include—

(1) the results of preliminary energy audits conducted in accordance with the guidelines prescribed pursuant to section 6372a(a)(1) of this title, and an estimate of the energy savings that may result from the modification of maintenance and operating procedures in buildings owned by units of local government and public care institutions;

(2) a recommendation as to the types of technical assistance programs considered appropriate for buildings owned by units of local government and public care institutions in
