

**§ 7261b. Technology transfer to small businesses**

(1) The Secretary of Energy shall establish a program to facilitate and encourage the transfer of technology to small businesses and shall issue guidelines relating to the program not later than May 1, 1993.

(2) For the purposes of this section, the term “small business” means a business concern that meets the applicable size standards prescribed pursuant to section 632(a) of title 15.

(Pub. L. 102-484, div. C, title XXXI, §3135(b), Oct. 23, 1992, 106 Stat. 2641.)

## CODIFICATION

Section was enacted as part of the National Defense Authorization Act for Fiscal Year 1993, and not as part of the Department of Energy Organization Act which comprises this chapter.

**§ 7261c. Technology partnerships ombudsman****(a) Appointment of ombudsman**

The Secretary of Energy shall direct the director of each national laboratory of the Department of Energy, and may direct the director of each facility under the jurisdiction of the Department of Energy, to appoint a technology partnership ombudsman to hear and help resolve complaints from outside organizations regarding the policies and actions of each such laboratory or facility with respect to technology partnerships (including cooperative research and development agreements), patents, and technology licensing.

**(b) Qualifications**

An ombudsman appointed under subsection (a) shall be a senior official of the national laboratory or facility who is not involved in day-to-day technology partnerships, patents, or technology licensing, or, if appointed from outside the laboratory or facility, function as such a senior official.

**(c) Duties**

Each ombudsman appointed under subsection (a) shall—

(1) serve as the focal point for assisting the public and industry in resolving complaints and disputes with the national laboratory or facility regarding technology partnerships, patents, and technology licensing;

(2) promote the use of collaborative alternative dispute resolution techniques such as mediation to facilitate the speedy and low-cost resolution of complaints and disputes, when appropriate; and

(3) report quarterly on the number and nature of complaints and disputes raised, along with the ombudsman’s assessment of their resolution, consistent with the protection of confidential and sensitive information, to—

(A) the Secretary;

(B) the Administrator for Nuclear Security;

(C) the Director of the Office of Dispute Resolution of the Department of Energy; and

(D) the employees of the Department responsible for the administration of the contract for the operation of each national laboratory or facility that is a subject of the re-

port, for consideration in the administration and review of that contract.

## CODIFICATION

Section was enacted as part of the Technology Transfer Commercialization Act of 2000, and not as part of the Department of Energy Organization Act which comprises this chapter.

**§ 7262. Repealed. Pub. L. 104-206, title V, § 502, Sept. 30, 1996, 110 Stat. 3002**

Section, Pub. L. 95-91, title VI, §652, Aug. 4, 1977, 91 Stat. 601, authorized Secretary to accept gifts, bequests, and devises of property for purpose of aiding or facilitating work of Department.

## CODIFICATION

Pub. L. 104-206, which directed the repeal of 42 U.S.C. 7262, was executed by repealing section 652 of Pub. L. 95-91, which was classified to this section, to reflect the probable intent of Congress.

**§ 7263. Capital fund**

The Secretary is authorized to establish a working capital fund, to be available without fiscal year limitation, for expenses necessary for the maintenance and operation of such common administrative services as he shall find to be desirable in the interests of economy and efficiency, including such services as a central supply service for stationery and other supplies and equipment for which adequate stocks may be maintained to meet in whole or in part the requirements of the Department and its agencies; central messenger, mail, telephone, and other communications services; office space, central services for document reproduction, and for graphics and visual aids; and a central library service. The capital of the fund shall consist of any appropriations made for the purpose of providing capital (which appropriations are hereby authorized) and the fair and reasonable value of such stocks of supplies, equipment, and other assets and inventories on order as the Secretary may transfer to the fund, less the related liabilities and unpaid obligations. Such funds shall be reimbursed in advance from available funds of agencies and offices in the Department, or from other sources, for supplies and services at rates which will approximate the expense of operation, including the accrual of annual leave and the depreciation of equipment. The fund shall also be credited with receipts from sale or exchange of property and receipts in payment for loss or damage to property owned by the fund. There shall be covered into the United States Treasury as miscellaneous receipts any surplus found in the fund (all assets, liabilities, and prior losses considered) above the amounts transferred or appropriated to establish and maintain said fund. There shall be transferred to the fund the stocks of supplies, equipment, other assets, liabilities, and unpaid obligations relating to the services which he determines will be performed through the fund. Appropriations to the fund, in such amounts as may be necessary to provide additional working capital, are authorized.

(Pub. L. 95-91, title VI, §653, Aug. 4, 1977, 91 Stat. 601.)

**§ 7264. Seal of Department**

The Secretary shall cause a seal of office to be made for the Department of such design as he shall approve and judicial notice shall be taken of such seal.

(Pub. L. 95-91, title VI, § 654, Aug. 4, 1977, 91 Stat. 602.)

**§ 7265. Regional Energy Advisory Boards****(a) Establishment; membership**

The Governors of the various States may establish Regional Energy Advisory Boards for their regions with such membership as they may determine.

**(b) Observers**

Representatives of the Secretary, the Secretary of Commerce, the Secretary of the Interior, the Chairman of the Council on Environmental Quality, the Commandant of the Coast Guard and the Administrator of the Environmental Protection Agency shall be entitled to participate as observers in the deliberations of any Board established pursuant to subsection (a) of this section. The Federal Cochairman of the Appalachian Regional Commission or any regional commission under title V of the Public Works and Economic Development Act [42 U.S.C. 3181 et seq.] shall be entitled to participate as an observer in the deliberations of any such Board which contains one or more States which are members of such Commission.

**(c) Recommendations of Board**

Each Board established pursuant to subsection (a) may make such recommendations as it determines to be appropriate to programs of the Department having a direct effect on the region.

**(d) Notice of reasons not to adopt recommendations**

If any Regional Advisory Board makes specific recommendations pursuant to subsection (c), the Secretary shall, if such recommendations are not adopted in the implementation of the program, notify the Board in writing of his reasons for not adopting such recommendations.

(Pub. L. 95-91, title VI, § 655, Aug. 4, 1977, 91 Stat. 602.)

## REFERENCES IN TEXT

## TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

**§ 7266. Designation of conservation officers**

The Secretary of Defense, the Secretary of Commerce, the Secretary of Housing and Urban Development, the Secretary of Transportation, the Secretary of Agriculture, the Secretary of the Interior, the United States Postal Service, and the Administrator of General Services shall each designate one Assistant Secretary or Assistant Administrator, as the case may be, as the principal conservation officer of such Department or of the Administration. Such designated principal conservation officer shall be principally responsible for planning and implementation of energy conservation programs by such Department or Administration and principally responsible for coordination with the Department of Energy with respect to energy matters. Each agency, Department or Administration required to designate a principal conservation officer pursuant to this section shall periodically inform the Secretary of the identity of such conservation officer, and the Secretary shall periodically publish a list identifying such officers.

(Pub. L. 95-91, title VI, § 656, Aug. 4, 1977, 91 Stat. 602.)

**§ 7267. Annual report**

The Secretary shall, as soon as practicable after the end of each fiscal year, commencing with the first complete fiscal year following October 1, 1977, make a report to the President for submission to the Congress on the activities of the Department during the preceding fiscal year. Such report shall include a statement of the Secretary's goals, priorities, and plans for the Department, together with an assessment of the progress made toward the attainment of those goals, the effective and efficient management of the Department and progress made in coordination of its functions with other departments and agencies of the Federal Government. In addition, such report shall include the information required by section 774 of title 15, section 6325(c) of this title, section 10224(c) of this title, section 5877 of this title, and section 5914<sup>1</sup> of this title, and shall include:

(1) projected energy needs of the United States to meet the requirements of the general welfare of the people of the United States and the commercial and industrial life of the Nation, including a comprehensive summary of data pertaining to all fuel and energy needs of residents of the United States residing in—

(A) areas outside standard metropolitan statistical areas; and

(B) areas within such areas which are unincorporated or are specified by the Bureau of the Census, Department of Commerce, as rural areas;

(2) an estimate of (A) the domestic and foreign energy supply on which the United States will be expected to rely to meet such needs in an economic manner with due regard for the protection of the environment, the conservation of natural resources, and the implementation of foreign policy objectives, and (B) the
