CHAPTER 45—STATE CONTROL OF NOXIOUS PLANTS ON FEDERAL LANDS

Sec.	
2701.	Control of noxious plants on Federal lands; State programs; terms of entry.
2702.	Reimbursement of States for expenses.
2703.	Authorization of appropriations.

§ 2701. Control of noxious plants on Federal lands; State programs; terms of entry

The heads of Federal departments or agencies are authorized and directed to permit the commissioner of agriculture or other proper agency head of any State in which there is in effect a program for the control of noxious plants to enter upon any lands under their control or jurisdiction and destroy noxious plants growing on such land if—

- (1) such entry is in accordance with a program submitted to and approved by such department or agency: *Provided,* That no entry shall occur when the head of such Federal department or agency, or his designee, shall have certified that entry is inconsistent with national security;
- (2) the means by which noxious plants are destroyed are acceptable to the head of such department or agency; and

(3) the same procedure required by the State program with respect to privately owned land has been followed.

§ 2801. Definitions

In this chapter—

- (1) the term “Advisory Committee” means the National Geospatial Advisory Committee established under section 2803(a) of this title;
- (2) the term “Committee” means the Federal Geographic Data Committee established under section 2802(a) of this title;
- (3) the term “covered agency”—

(A) means—

(i) an Executive department, as defined in section 101 of title 5 that collects, produces, acquires, maintains, distributes, uses, or preserves geospatial data on paper or in electronic form to fulfill the mission of the Executive department, either directly or through a relationship with another organization, including a State, local government, Indian tribe, institution of higher education, business partner or contractor of the Federal Government, and the public;

(ii) the National Aeronautics and Space Administration; or

(iii) the General Services Administration; and

(B) does not include the Department of Defense (including 30 components and agencies performing national missions) or any element of the intelligence community;

(4) the term “GeoPlatform” means the GeoPlatform described in section 2807(a) of this title;

(5) the term “geospatial data”—

(A) means information that is tied to a location on the Earth, including by identifying the geographic location and characteristics of natural or constructed features and boundaries on the Earth, and that is generally represented in vector datasets by points, lines, polygons, or other complex geographic features or phenomena;

(B) may be derived from, among other things, remote sensing, mapping, and surveying technologies;

(C) includes images and raster datasets, aerial photographs, and other forms of geospatial data or datasets in digitized or non-digitized form; and

(D) does not include—

(i) geospatial data and activities of an Indian tribe not carried out, in whole or in part, using Federal funds, as determined by the tribal government;

(ii) classified national security-related geospatial data and activities of the Department of Defense, unless declassified;

(iii) classified national security-related geospatial data and activities of the Department of Energy, unless declassified;

(iv) geospatial data and activities under chapter 22 of title 10 or section 3045 of title 50;

(v) intelligence geospatial data and activities, as determined by the Director of National Intelligence; or

(vi) certain declassified national security-related geospatial data and activities of the intelligence community, as determined by the Secretary of Defense, the Secretary of Energy, or the Director of National Intelligence;

(6) the term “Indian tribe” has the meaning given that term under section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b);¹

(7) the term “institution of higher education” has the meaning given that term under section 1002 of title 20;

(8) the term “intelligence community” has the meaning given that term in section 3003 of title 50;

(9) the term “lead covered agency” means a lead covered agency for a National Geospatial Data Asset data theme designated under section 2805(b)(1) of this title;

(10) the term “local government” means any city, county, township, town, borough, parish, village, or other general purpose political subdivision of a State;

(11) the term “metadata for geospatial data” means information about geospatial data, including the content, source, vintage, accuracy, condition, projection, method of collection, and other characteristics or descriptions of the geospatial data;

(12) the term “National Geospatial Data Asset data theme” means the National Geospatial Data Asset core geospatial datasets (including electronic records and coordinates) relating to a topic or subject designated under section 2805 of this title;

(13) the term “National Spatial Data Infrastructure” means the technology, policies, criteria, standards, and employees necessary to promote geospatial data sharing throughout the Federal Government, State, tribal, and local governments, and the private sector (including nonprofit organizations and institutions of higher education); and

(14) the term “proven practices” means methods and activities that advance the use of geospatial data for the benefit of society.

SHORT TITLE

Pub. L. 115-254, div. B, title VII, §751(a), Oct. 5, 2018, 132 Stat. 3413, provided that: “This subtitle [subtitle F (§§ 751-759C) of title VII of div. B of Pub. L. 115-254, enacting this chapter] may be cited as the ‘Geospatial Data Act of 2018’.”

FINDINGS

Pub. L. 115-254, div. B, title VII, §751(b), Oct. 5, 2018, 132 Stat. 3413, provided that: “Congress finds that—

“(1) open and publicly available data is essential to the successful operation of the GeoPlatform;

“(2) the private sector in the United States, for the purposes of acquiring and producing quality geospatial data and geospatial data services, has been and continues to be invaluable in carrying out the varying missions of Federal departments and agencies, as well as contributing positively to the United States economy; and

“(3) over the last 2 decades, Congress has passed legislation that promotes greater access and use of Government information and data, which has—

¹ See References in Text note below.

“(A) sparked new, innovative start-ups and services;

“(B) spurred economic growth in many sectors, such as in the geospatial services;

“(C) advanced scientific research;

“(D) promoted public access to Federally funded services and data; and

“(E) improved access to geospatial data for the purposes of promoting public health, weather forecasting, economic development, environmental protection, flood zone research, and other purposes.”

§ 2802. Federal Geographic Data Committee

(a) In general

There is established within the Department of the Interior an interagency committee to be known as the Federal Geographic Data Committee, which shall act as the lead entity in the executive branch for the development, implementation, and review of policies, practices, and standards relating to geospatial data.

(b) Membership

(1) Chairperson and Vice Chairperson

The Secretary of the Interior and the Director of the Office of Management and Budget shall serve as Chairperson of the Committee and Vice Chairperson of the Committee, respectively.

(2) Other members

(A) In general

The head of each covered agency and the Director of the National Geospatial-Intelligence Agency shall each designate a representative of their respective agency to serve as a member of the Committee.

(B) Requirement for appointments

An officer appointed to serve as a member of the Committee shall hold a position as an assistant secretary, or an equivalent position, or a higher ranking position.

(3) Guidance

Not later than 1 year after October 5, 2018, and as needed thereafter, the Director of the Office of Management and Budget shall update guidance with respect to membership of the Committee and the roles of members of the Committee.

(c) Duties

The Committee shall—

(1) lead the development and management of and operational decision making for the National Spatial Data Infrastructure strategic plan and geospatial data policy in accordance with section 2804 of this title;

(2) designate National Geospatial Data Asset data themes and oversee the coordinated management of the National Geospatial Data Asset data themes in accordance with section 2805 of this title;

(3) establish and maintain geospatial data standards in accordance with section 2806 of this title;

(4) periodically review and determine the extent to which covered agencies comply with geospatial data standards;

(5) ensure that the GeoPlatform operates in accordance with section 2807 of this title;

(6) direct and facilitate national implementation of the system of National Geospatial Data Asset data themes;

(7) communicate with and foster communication among covered agencies and other entities and individuals relating to geospatial data technology development, transfer, and exchange in order to—

(A) identify and meet the needs of users of geospatial data;

(B) promote cost-effective data collection, documentation, maintenance, distribution, and preservation strategies; and

(C) leverage Federal and non-Federal resources, such as promoting Federal shared services and cross-agency coordination for marketplace solutions;

(8) define roles and responsibilities and promote and guide cooperation and coordination among agencies of the Federal Government, State, tribal, and local governments, institutions of higher education, and the private sector in the collection, production, sharing, and use of geospatial information, the implementation of the National Spatial Data Infrastructure, and the identification of proven practices;

(9) coordinate with international organizations having an interest in the National Spatial Data Infrastructure or global spatial data infrastructures;

(10) make available online and update at least annually—

(A) a summary of the status for each National Geospatial Data Asset data theme, based on the report submitted by the applicable lead covered agency under section 2805(b)(3)(E)(ii)(I) of this title, which shall include—

(i) an evaluation of the progress of each lead covered agency in achieving the requirements under subparagraphs (A), (B), (C), and (D) of section 2805(b)(3) of this title; and

(ii) a determination of whether, for each of subparagraphs (A), (B), (C), and (D) of section 2805(b)(3) of this title, each lead covered agency meets expectations, has made progress toward expectations, or fails to meet expectations;

(B) a summary and evaluation of the achievements of each covered agency, based on the annual report submitted by the covered agency under section 2808(b)(1) of this title, which shall include a determination of whether the covered agency meets expectations, has made progress toward expectations, or fails to meet expectations for each of paragraphs (1) through (13) of section 2808(a) of this title;

(C) a collection of periodic technical publications, management articles, and reports related to the National Spatial Data Infrastructure; and

(D) a membership directory for the Committee, including identifying members of any subcommittee or working group of the Committee;

(11)(A) make available to and request comments from the Advisory Committee regarding the summaries and evaluations required under subparagraphs (A) and (B) of paragraph (10);
