(2) Finding of failure

If the Oversight Board finds either the Puerto Rico Agency or Revitalization Coordinator has failed to adhere to the Expedited Permitting Process, the Oversight Board shall direct the offending party to comply with the Expedited Permitting Process. The Oversight Board may take such enforcement action as necessary as provided by section 2124(l) of this title.

(d) Review of Legislature acts

(1) Submission of acts to Oversight Board

Pursuant to section 2144(a) of this title, the Governor shall submit to the Oversight Board any law duly enacted during any fiscal year in which the Oversight Board is in operation that may affect the Expedited Permitting Process.

(2) Finding of Oversight Board

Upon receipt of a law under paragraph (1), the Oversight Board shall promptly review whether the law would adversely impact the Expedited Permitting Process and, upon such a finding, the Oversight Board may deem such law to be significantly inconsistent with the applicable Fiscal Plan.

(e) Establishment of certain terms and conditions

No Puerto Rico Agency may include in any certificate, right-of-way, permit, lease, or other authorization issued for a Critical Project any term or condition that may be permitted, but is not required, by any applicable Puerto Rico law, if the Revitalization Coordinator determines the term or condition would prevent or impair the expeditious construction, operation, or expansion of the Critical Project. The Revitalization Coordinator may request a Puerto Rico Agency to include in any certificate, right-of-way, permit, lease, or other authorization, a term or condition that may be permitted in accordance with applicable laws if the Revitalization Coordinator determines such inclusion would support the expeditious construction, operation, or expansion of any Critical Project.

(f) Disclosure

All Critical Project reports, and justifications for approval or rejection of Critical Project status, shall be made publicly available online within 5 days of receipt or completion.

(b) Federal grants and loans

For each Critical Project with a pending or potential Federal grant, loan, or loan guarantee

application, the Revitalization Coordinator and the relevant Point of Contact shall cooperate with each other to ensure expeditious review of such application.

(c) Expedited reviews and actions of Federal agencies

All reviews conducted and actions taken by any Federal agency relating to a Critical Project shall be expedited in a manner consistent with completion of the necessary reviews and approvals by the deadlines under the Expedited Permitting Process, but in no way shall the deadlines established through the Expedited Permitting Process be binding on any Federal agency.
