L. 89-504, title IV, §406(c), July 18, 1966, 80 Stat. 298, provided that: “An officer or employee who is on approved leave without pay and serving as a full-time officer or employee of an organization composed primarily of employees, as defined in section 2 of the Federal Employees’ Group Life Insurance Act of 1954, as amended (5 U.S.C. 2091) [section 8701 of this title] or section 2 of the Federal Employees Health Benefits Act of 1959, as amended (5 U.S.C. 3001) [section 8901 of this title] as the case may be, may, within sixty days after the date of enactment of this Act [July 18, 1966], file with his employing agency an election (1) to continue any insurance status or health benefits enrollment, or both, that he has on the date of enactment of this Act [July 18, 1966], (2) to reacquire any insurance status or health benefits enrollment, or both, which he may have lost while on leave without pay, or (3) to acquire as insured status or enroll in a health benefits plan, or both, if he was never previously eligible to do so, by arranging to pay currently and continuously into the employees’ life insurance fund and the employees’ health benefits fund, as appropriate, through his employing agency, both employee and agency contributions. The employing agency shall forward such payments to the em-

ployees’ life insurance fund and the employees’ health benefits fund, as appropriate. If he does not so elect, his insurance status and health benefits enrollment will continue and terminate as for other employees in non-pay status, or he will remain ineligible for insurance and health benefits, as the case may be, as though this paragraph had not been enacted. The United States Civil Service Commission is authorized to issue regulations to carry out the purposes of this paragraph.”

[Provision effective July 18, 1966, see section 410(1) of Pub. L. 89-504.]

§ 8707. Employee deductions; withholding

(a) Subject to subsection (c)(2), during each period in which an employee is insured under a policy purchased by the Office of Personnel Management under section 8709 of this title, there shall be withheld from the employee’s pay a share of the cost of the group life insurance and accidental death and dismemberment insurance.

(b)(1) Subject to subsection (c)(2), whenever life insurance continues after an employee retires on an immediate annuity or while the employee is receiving compensation under subchapter I of chapter 81 of this title because of disease or injury to the employee, as provided in section 8706(b) of this title, deductions for insurance shall be withheld from the employee’s annuity or compensation, except that, in any case in which the insurance is continued as provided in section 8706(b)(3)(A) of this title, the deductions shall not be made for months after the calendar month in which the employee becomes 65 years of age.

(2) Notwithstanding paragraph (1) of this subsection, insurance shall be so continued without cost (other than as provided under section 8706(b)(3)(B)) to each employee who so retires, or commences receiving compensation, on or before December 31, 1989.

(c)(1) The amount withheld from the pay, annuity, or compensation of each employee subject to insurance deductions shall be at the rate, adjusted to the nearest half-cent, of 66⅔ percent of the level cost as determined by the Office for each \$1,000 of the employee’s basic insurance amount.

(2) An employee who is subject to withholdings under this section and whose pay, annuity, or compensation is insufficient to cover such withholdings may nevertheless continue insurance if the employee arranges to pay currently into the Employees’ Life Insurance Fund, through the agency or retirement system that administers pay, annuity, or compensation, an amount equal to the withholdings that would otherwise be required under this section.

(d) If an agency fails to withhold the proper amount of life insurance deductions from an individual’s salary, compensation, or retirement annuity, the collection of unpaid deductions may be waived by the agency if, in the judgment of the agency, the individual is without fault and recovery would be against equity and good conscience. However, if the agency so waives the collection of unpaid deductions, the agency shall submit an amount equal to the sum of the uncollected deductions and related agency contributions required under section 8708 of this title to the Office for deposit to the Employees’ Life Insurance Fund.
