“(C) LIMITATION ON ACTION DURING CONGRESSIONAL REVIEW PERIOD.—Notwithstanding any other provision of law, and subject to paragraph (4), unless the Attorney General and the Director of National Intelligence make a determination pursuant to section 702(c)(2) of the Foreign Intelligence Surveillance Act of 1978 (50 U.S.C. 1881a(c)(2)), the Attorney General and the Director of National Intelligence may not implement the authorization of the intentional acquisition of abouts communications before the end of the period described in subparagraph (B).

§ 1881b. Certain acquisitions inside the United States targeting United States persons outside the United States

(a) Jurisdiction of the Foreign Intelligence Surveillance Court

(1) In general

The Foreign Intelligence Surveillance Court shall have jurisdiction to review an application and to enter an order approving the tar-

getting of a United States person reasonably believed to be located outside the United States to acquire foreign intelligence information, if the acquisition constitutes electronic surveillance or the acquisition of stored electronic communications or stored electronic data that requires an order under this chapter, and such acquisition is conducted within the United States.

(2) Limitation

If a United States person targeted under this subsection is reasonably believed to be located in the United States during the effective period of an order issued pursuant to subsection (c), an acquisition targeting such United States person under this section shall cease unless the targeted United States person is again reasonably believed to be located outside the United States while an order issued pursuant to subsection (c) is in effect. Nothing in this section shall be construed to limit the authority of the Government to seek an order or authorization under, or otherwise engage in any activity that is authorized under, any other subchapter of this chapter.

(b) Application

(1) In general

Each application for an order under this section shall be made by a Federal officer in writing upon oath or affirmation to a judge having jurisdiction under subsection (a)(1). Each application shall require the approval of the Attorney General based upon the Attorney General's finding that it satisfies the criteria and requirements of such application, as set forth in this section, and shall include—

(A) the identity of the Federal officer making the application;

(B) the identity, if known, or a description of the United States person who is the target of the acquisition;

(C) a statement of the facts and circumstances relied upon to justify the applicant's belief that the United States person who is the target of the acquisition is—

(i) a person reasonably believed to be located outside the United States; and

(ii) a foreign power, an agent of a foreign power, or an officer or employee of a foreign power;

(D) a statement of proposed minimization procedures that meet the definition of minimization procedures under section 1801(h) or 1821(4) of this title, as appropriate;

(E) a description of the nature of the information sought and the type of communications or activities to be subjected to acquisition;

(F) a certification made by the Attorney General or an official specified in section 1804(a)(6) of this title that—

(i) the certifying official deems the information sought to be foreign intelligence information;

(ii) a significant purpose of the acquisition is to obtain foreign intelligence information;

(iii) such information cannot reasonably be obtained by normal investigative techniques;

(iv) designates the type of foreign intelligence information being sought according to the categories described in section 1801(e) of this title; and

(v) includes a statement of the basis for the certification that—

(I) the information sought is the type of foreign intelligence information designated; and

(II) such information cannot reasonably be obtained by normal investigative techniques;

(G) a summary statement of the means by which the acquisition will be conducted and whether physical entry is required to effect the acquisition;

(H) the identity of any electronic communication service provider necessary to effect the acquisition, provided that the application is not required to identify the specific facilities, places, premises, or property at which the acquisition authorized under this section will be directed or conducted;

(I) a statement of the facts concerning any previous applications that have been made to any judge of the Foreign Intelligence Surveillance Court involving the United States person specified in the application and the action taken on each previous application; and

(J) a statement of the period of time for which the acquisition is required to be maintained, provided that such period of time shall not exceed 90 days per application.

(2) Other requirements of the Attorney General

The Attorney General may require any other affidavit or certification from any other officer in connection with the application.

(3) Other requirements of the judge

The judge may require the applicant to furnish such other information as may be necessary to make the findings required by subsection (c)(1).

(c) Order

(1) Findings

Upon an application made pursuant to subsection (b), the Foreign Intelligence Surveillance Court shall enter an ex parte order as requested or as modified by the Court approving the acquisition if the Court finds that—

(A) the application has been made by a Federal officer and approved by the Attorney General;

(B) on the basis of the facts submitted by the applicant, for the United States person who is the target of the acquisition, there is probable cause to believe that the target is—

(i) a person reasonably believed to be located outside the United States; and

(ii) a foreign power, an agent of a foreign power, or an officer or employee of a foreign power;

(C) the proposed minimization procedures meet the definition of minimization procedures under section 1801(h) or 1821(4) of this title, as appropriate; and

(D) the application that has been filed contains all statements and certifications re-

quired by subsection (b) and the certification or certifications are not clearly erroneous on the basis of the statement made under subsection (b)(1)(F)(v) and any other information furnished under subsection (b)(3).

(2) Probable cause

In determining whether or not probable cause exists for purposes of paragraph (1)(B), a judge having jurisdiction under subsection (a)(1) may consider past activities of the target and facts and circumstances relating to current or future activities of the target. No United States person may be considered a foreign power, agent of a foreign power, or officer or employee of a foreign power solely upon the basis of activities protected by the first amendment to the Constitution of the United States.

(3) Review

(A) Limitation on review

Review by a judge having jurisdiction under subsection (a)(1) shall be limited to that required to make the findings described in paragraph (1).

(B) Review of probable cause

If the judge determines that the facts submitted under subsection (b) are insufficient to establish probable cause under paragraph (1)(B), the judge shall enter an order so stating and provide a written statement for the record of the reasons for the determination. The Government may appeal an order under this subparagraph pursuant to subsection (f).

(C) Review of minimization procedures

If the judge determines that the proposed minimization procedures referred to in paragraph (1)(C) do not meet the definition of minimization procedures under section 1801(h) or 1821(4) of this title, as appropriate, the judge shall enter an order so stating and provide a written statement for the record of the reasons for the determination. The Government may appeal an order under this subparagraph pursuant to subsection (f).

(D) Review of certification

If the judge determines that an application pursuant to subsection (b) does not contain all of the required elements, or that the certification or certifications are clearly erroneous on the basis of the statement made under subsection (b)(1)(F)(v) and any other information furnished under subsection (b)(3), the judge shall enter an order so stating and provide a written statement for the record of the reasons for the determination. The Government may appeal an order under this subparagraph pursuant to subsection (f).

(4) Specifications

An order approving an acquisition under this subsection shall specify—

(A) the identity, if known, or a description of the United States person who is the target of the acquisition identified or described in the application pursuant to subsection (b)(1)(B);

(B) if provided in the application pursuant to subsection (b)(1)(H), the nature and loca-

tion of each of the facilities or places at which the acquisition will be directed;

(C) the nature of the information sought to be acquired and the type of communications or activities to be subjected to acquisition;

(D) a summary of the means by which the acquisition will be conducted and whether physical entry is required to effect the acquisition; and

(E) the period of time during which the acquisition is approved.

(5) Directives

An order approving an acquisition under this subsection shall direct—

(A) that the minimization procedures referred to in paragraph (1)(C), as approved or modified by the Court, be followed;

(B) if applicable, an electronic communication service provider to provide to the Government forthwith all information, facilities, or assistance necessary to accomplish the acquisition authorized under such order in a manner that will protect the secrecy of the acquisition and produce a minimum of interference with the services that such electronic communication service provider is providing to the target of the acquisition;

(C) if applicable, an electronic communication service provider to maintain under security procedures approved by the Attorney General any records concerning the acquisition or the aid furnished that such electronic communication service provider wishes to maintain; and

(D) if applicable, that the Government compensate, at the prevailing rate, such electronic communication service provider for providing such information, facilities, or assistance.

(6) Duration

An order approved under this subsection shall be effective for a period not to exceed 90 days and such order may be renewed for additional 90-day periods upon submission of renewal applications meeting the requirements of subsection (b).

(7) Compliance

At or prior to the end of the period of time for which an acquisition is approved by an order or extension under this section, the judge may assess compliance with the minimization procedures referred to in paragraph (1)(C) by reviewing the circumstances under which information concerning United States persons was acquired, retained, or disseminated.

(d) Emergency authorization

(1) Authority for emergency authorization

Notwithstanding any other provision of this chapter, if the Attorney General reasonably determines that—

(A) an emergency situation exists with respect to the acquisition of foreign intelligence information for which an order may be obtained under subsection (c) before an order authorizing such acquisition can with due diligence be obtained, and

(B) the factual basis for issuance of an order under this subsection to approve such acquisition exists,

the Attorney General may authorize such acquisition if a judge having jurisdiction under subsection (a)(1) is informed by the Attorney General, or a designee of the Attorney General, at the time of such authorization that the decision has been made to conduct such acquisition and if an application in accordance with this section is made to a judge of the Foreign Intelligence Surveillance Court as soon as practicable, but not more than 7 days after the Attorney General authorizes such acquisition.

(2) Minimization procedures

If the Attorney General authorizes an acquisition under paragraph (1), the Attorney General shall require that the minimization procedures referred to in subsection (c)(1)(C) for the issuance of a judicial order be followed.

(3) Termination of emergency authorization

In the absence of a judicial order approving an acquisition under paragraph (1), such acquisition shall terminate when the information sought is obtained, when the application for the order is denied, or after the expiration of 7 days from the time of authorization by the Attorney General, whichever is earliest.

(4) Use of information

If an application for approval submitted pursuant to paragraph (1) is denied, or in any other case where the acquisition is terminated and no order is issued approving the acquisition, no information obtained or evidence derived from such acquisition, except under circumstances in which the target of the acquisition is determined not to be a United States person, shall be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in or before any court, grand jury, department, office, agency, regulatory body, legislative committee, or other authority of the United States, a State, or political subdivision thereof, and no information concerning any United States person acquired from such acquisition shall subsequently be used or disclosed in any other manner by Federal officers or employees without the consent of such person, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person.

(e) Release from liability

No cause of action shall lie in any court against any electronic communication service provider for providing any information, facilities, or assistance in accordance with an order or request for emergency assistance issued pursuant to subsection (c) or (d), respectively.

(f) Appeal

(1) Appeal to the Foreign Intelligence Surveillance Court of Review

The Government may file a petition with the Foreign Intelligence Surveillance Court of Review for review of an order issued pursuant to subsection (c). The Court of Review shall have jurisdiction to consider such petition and shall provide a written statement for the record of the reasons for a decision under this paragraph.

(2) Certiorari to the Supreme Court

The Government may file a petition for a writ of certiorari for review of a decision of the Court of Review issued under paragraph (1). The record for such review shall be transmitted under seal to the Supreme Court of the United States, which shall have jurisdiction to review such decision.

(g) Construction

Except as provided in this section, nothing in this chapter shall be construed to require an application for a court order for an acquisition that is targeted in accordance with this section at a United States person reasonably believed to be located outside the United States.

(a) Jurisdiction and scope

(1) Jurisdiction

The Foreign Intelligence Surveillance Court shall have jurisdiction to enter an order pursuant to subsection (c).

(2) Scope

No element of the intelligence community may intentionally target, for the purpose of acquiring foreign intelligence information, a United States person reasonably believed to be located outside the United States under circumstances in which the targeted United States person has a reasonable expectation of privacy and a warrant would be required if the acquisition were conducted inside the United States for law enforcement purposes, unless a judge of the Foreign Intelligence Surveillance Court has entered an order with respect to such targeted United States person or the Attorney General has authorized an emergency acquisition pursuant to subsection (c) or (d),
