

tenance, construction of facilities, recapitalization of facilities, and decontamination and decommissioning of facilities.

“(3) Such guidelines shall ensure that the maintenance activities referred to in paragraph (2)(C) are carried out in a timely and efficient manner designed to avoid maintenance backlogs.

“(d) OPERATIONS OF FACILITIES PROGRAM.—(1) The Administrator shall continue the Operations of Facilities program of the National Nuclear Security Administration as a subprogram within the Readiness in Technical Base and Facilities program.

“(2) The Deputy Administrator for Defense Programs shall designate a single manager to be responsible for overseeing the operations of the Operations of Facilities subprogram within the Readiness in Technical Base and Facilities program.

“(3) For fiscal year 2005, and for each fiscal year thereafter, the Secretary of Energy shall submit to the congressional defense committees [Committees on Armed Services and Appropriations of Senate and House of Representatives], together with the budget justification materials submitted to Congress in support of the National Nuclear Security Administration budget for that fiscal year (as submitted with the budget of the President under section 1105(a) of title 31, United States Code), a separate statement of the amounts requested for such fiscal year for each element of the Operations of Facilities subprogram, as follows:

“(A) Maintenance.

“(B) Facilities management and support.

“(C) Utilities.

“(D) Environment, safety, and health.

“(E) Each other element of the subprogram.”

[“(1) The selection of projects for inclusion in the Facilities and Infrastructure Recapitalization Program under subsection (a) of section 3114 of the National Defense Authorization Act for Fiscal Year 2004 [Pub. L. 108-136, set out above].

[“(2) The submittal of the report required by subsection (c) of such section.”]

§ 2454. Semiannual financial reports on defense nuclear nonproliferation programs

(a) Semiannual reports required

The Administrator shall submit to the Committees on Armed Services of the Senate and the House of Representatives a semiannual report on the amounts available for the defense nuclear nonproliferation programs of the Administration. Each such report shall cover a half of a fiscal year (in this section referred to as a “fiscal half”) and shall be submitted not later than 30 days after the end of that fiscal half.

(b) Contents

Each report for a fiscal half shall, for each such defense nuclear nonproliferation program for which amounts are available for the fiscal year that includes that fiscal half, set forth the following:

(1) The aggregate amount available for such program as of the beginning of such fiscal half and, within such amount, the uncommitted balances, the unobligated balances, and the unexpended balances.

(2) The aggregate amount newly made available for such program during such fiscal half and, within such amount, the amount made available by appropriations, by transfers, by reprogrammings, and by other means.

(3) The aggregate amount available for such program as of the end of such fiscal half and, within such amount, the uncommitted balances, the unobligated balances, and the unexpended balances.

§ 2455a. National Nuclear Security Administration authority for urgent nonproliferation activities

(a) In general

Subject to the notification requirement under subsection (b), not more than 10 percent of the total amounts appropriated or otherwise made available in any fiscal year for the nonproliferation programs of the Department of Energy National Nuclear Security Administration may be expended, notwithstanding any other law, for activities described under subsection (b)(1)(B).

(b) Determination and notice

(1) Determination

The Secretary of Energy, with the concurrence of the Secretary of State and the Secretary of Defense, may make a written determination that—

(A) threats arising from the proliferation of nuclear or radiological weapons or weapons-related materials, technologies, and expertise must be addressed urgently;

(B) certain provisions of law would unnecessarily impede the Secretary’s ability to carry out nonproliferation activities of the National Nuclear Security Administration to address such threats; and

(C) it is necessary to expend amounts described in subsection (a) to carry out such activities.

(2) Notice required

Not later than 15 days before obligating or expending funds under the authority provided in subsection (a), the Secretary of Energy shall notify the appropriate congressional committees of the determination made under paragraph (1). The notice shall include—

(A) the determination;

(B) the activities to be undertaken by the nonproliferation programs of the National Nuclear Security Administration;

(C) the expected time frame for such activities; and

(D) the expected costs of such activities.

(c) Appropriate congressional committees

In this section, the term “appropriate congressional committees” means—

(1) the Committee on Foreign Affairs, the Committee on Armed Services, and the Committee on Appropriations of the House of Representatives; and

(2) the Committee on Foreign Relations, the Committee on Armed Services, and the Committee on Appropriations of the Senate.

(Pub. L. 111–84, div. C, title XXXI, §3120, Oct. 28, 2009, 123 Stat. 2710.)

CODIFICATION

Section was enacted as part of the National Defense Authorization Act for Fiscal Year 2010, and not as part of the National Nuclear Security Administration Act which comprises this chapter.

SUBCHAPTER V—MISCELLANEOUS PROVISIONS

§ 2461. Environmental protection, safety, and health requirements

(a) Compliance required

The Administrator shall ensure that the Administration complies with all applicable environmental, safety, and health statutes and substantive requirements.

(b) Procedures required

The Administrator shall develop procedures for meeting such requirements.

(c) Rule of construction

Nothing in this chapter shall diminish the authority of the Secretary of Energy to ascertain and ensure that such compliance occurs.
