PROC. NO. 2914. NATIONAL EMERGENCY, 1950

Proc. No. 2914, Dec. 16, 1950, 15 F.R. 9029, 64 Stat. a454 provided:

WHEREAS recent events in Korea and elsewhere constitute a grave threat to the peace of the world and imperil the efforts of this country and those of the United Nations to prevent aggression and armed conflict; and

WHEREAS world conquest by communist imperialism is the goal of the forces of aggression that have been loosed upon the world; and

WHEREAS, if the goal of communist imperialism were to be achieved, the people of this country would no longer enjoy the full and rich life they have with God's help built for themselves and their children; they would no longer enjoy the blessings of the freedom of worshipping as they severally choose, the freedom of reading and listening to what they choose, the right of free speech including the right to criticize their Government, the right to choose those who conduct their Government, the right to engage freely in collective bargaining, the right to engage freely in their own business enterprises, and the many other freedoms and rights which are a part of our way of life; and

WHEREAS the increasing menace of the forces of communist aggression requires that the national defense of the United States be strengthened as speedily as possible:

NOW, THEREFORE, I, HARRY S. TRUMAN, President of the United States of America, do proclaim the existence of a national emergency, which requires that the military, naval, air, and civilian defenses of this country be strengthened as speedily as possible to the end that we may be able to repel any and all threats against our national security and to fulfill our responsibilities in the efforts being made through the United Nations and otherwise to bring about lasting peace.

I summon all citizens to make a united effort for the security and well-being of our beloved country and to

place its needs foremost in thought and action that the full moral and material strength of the Nation may be readied for the dangers which threaten us.

I summon our farmers, our workers in industry, and our businessmen to make a mighty production effort to meet the defense requirements of the Nation and to this end to eliminate all waste and inefficiency and to subordinate all lesser interests to the common good.

I summon every person and every community to make, with a spirit of neighborliness, whatever sacrifices are necessary for the welfare of the Nation.

I summon all State and local leaders and officials to cooperate fully with the military and civilian defense agencies of the United States in the national defense program.

I summon all citizens to be loyal to the principles upon which our Nation is founded, to keep faith with our friends and allies, and to be firm in our devotion to the peaceful purposes for which the United Nations was founded.

I am confident that we will meet the dangers that confront us with courage and determination, strong in the faith that we can thereby "secure the Blessings of Liberty to ourselves and our Posterity."

EX. ORD. NO. 8234. REGULATIONS GOVERNING PASSAGE AND CONTROL OF VESSELS THROUGH PANAMA CANAL IN ANY WAR IN WHICH THE UNITED STATES IS NEUTRAL

Ex. Ord. No. 8234, Sept. 5, 1939, 4 F.R. 3823, as amended by Ex. Ord. No. 8382, Mar. 25, 1940, 5 F.R. 1185, provided:

WHEREAS the treaties of the United States, in any war in which the United States is a neutral, impose on the United States certain obligations to both neutral and belligerent nations;

AND WHEREAS the treaties of the United States, in any war in which the United States is a neutral, require that the United States exert all the vigilance within their power to carry out their obligations as a neutral;

AND WHEREAS treaties of the United States require that the Panama Canal shall be free and open, on terms of entire equality, to the vessels of commerce and of war of all nations observing the rules laid down in Article 3 of the so-called Hay-Pauncefote treaty concluded between the United States and Great Britain, November 18, 1901:

NOW, THEREFORE, by virtue of the authority vested in me by section 5 of the Panama Canal Act, approved August 24, 1912 (ch. 390, sec. 5, 37 Stat. 562), as amended by the act of July 5, 1932 (ch. 425, 47 Stat. 578), I hereby prescribe the following regulations governing the passage and control of vessels through the Panama Canal or any part thereof, including the locks and approaches thereto, in any war in which the United States is a neutral:

1. Whenever considered necessary, in the opinion of the Governor of the Panama Canal, to prevent damage or injury to vessels or to prevent damage or injury to the Canal or its appurtenances, or to secure the observance of the rules, regulations, rights, or obligations of the United States, the Canal authorities may at any time, as a condition precedent to transit of the Canal, inspect any vessel, belligerent or neutral, other than a public vessel, including its crew and cargo, and, for and during the passage through the Canal, place armed guards thereon, and take full possession and control of such vessel and remove therefrom the officers and crew thereof and all other persons not specially authorized by the Canal authorities to go or remain on board thereof during such passage.

2. A public vessel of a belligerent or neutral nation shall be permitted to pass through the Canal only after her commanding officer has given written assurance to the authorities of the Panama Canal that the rules, regulations, and treaties of the United States will be faithfully observed.

3. *Possession of cameras on board vessels; photographing from vessels.* While on board any vessel in transit through the Panama Canal, no person shall (a) have or remain in possession of any camera, or (b) make any photograph, sketch, picture, drawing, map, or graphical representation of any of the locks of the Panama Canal, or of any portion of any such lock, or of any area within or adjacent to any such lock, or of any object or structure within or upon any such area, without first obtaining the permission of the Governor of the Panama Canal, and promptly submitting the product obtained to the Governor for such action as he may deem necessary. The master of every vessel that transmits the Panama Canal (a) shall prior to the beginning of each transit cause all cameras on board such vessel, or which are brought on board by embarking passengers, or otherwise, to be collected and delivered to him, and shall retain the said cameras in his possession, in a secure and inaccessible place, until the disembarkation of the original possessors thereof or until the transit through the Canal is completed, and (b) shall during such transit take such further action, in cooperation with the Canal authorities, as may be necessary to prevent the making, by any person on board such vessel in the waters of the Canal Zone, of any photograph, sketch, picture, drawing, map, or graphical representation which is forbidden by this paragraph; but these provisions shall not apply with respect to any person who has obtained permission as provided in this paragraph. Any person who shall violate any provision of this paragraph shall be punishable as provided in section 9 of title 2 of the [former] Canal Zone Code.

The foregoing regulations are in addition to the "Rules and Regulations for the Operation and Navigation of the Panama Canal and Approaches Thereto, including all Waters under its Jurisdiction" prescribed by Executive Order No. 4314 of September 25, 1925, as amended, and the provisions of proclamations and executive orders pertaining to the Canal Zone issued in conformity with the laws and treaties of the United States.

NOW, THEREFORE, I, JOHN F. KENNEDY, President of the United States of America, acting under and by virtue of the authority conferred upon me by the Constitution and statutes of the United States, in accordance with the aforementioned resolutions of the United States Congress and of the Organ of Consultation of the American Republics, and to defend the security of the United States, do hereby proclaim that the forces under my command are ordered, beginning at 2:00 P.M.
