

such department or agency or officer or employee thereof, shall be fined under title 18, imprisoned not more than 1 year, or both, and shall be removed from office or employment.

(g) Authority to issue warnings

The Federal Government may provide advisories, alerts, and warnings to relevant companies, targeted sectors, other governmental entities, or the general public regarding potential threats to critical infrastructure as appropriate. In issuing a warning, the Federal Government shall take appropriate actions to protect from disclosure—

(1) the source of any voluntarily submitted critical infrastructure information that forms the basis for the warning; or

(2) information that is proprietary, business sensitive, relates specifically to the submitting person or entity, or is otherwise not appropriately in the public domain.

(h) Authority to delegate

The President may delegate authority to a critical infrastructure protection program, designated under section 672 of this title, to enter into a voluntary agreement to promote critical infrastructure security, including with any Information Sharing and Analysis Organization, or a plan of action as otherwise defined in section 4558 of title 50.
