**§ 8738. Special competitive provisions for extra long staple cotton**

**(a) Competitiveness program**

Notwithstanding any other provision of law, during the period beginning on the date of enactment of this Act through July 31, 2013, the Secretary shall carry out a program—

- (1) to maintain and expand the domestic use of extra long staple cotton produced in the United States;
- (2) to increase exports of extra long staple cotton produced in the United States; and
- (3) to ensure that extra long staple cotton produced in the United States remains competitive in world markets.

**(b) Payments under program; trigger**

Under the program, the Secretary shall make payments available under this section whenever—

- (1) for a consecutive 4-week period, the world market price for the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is below the prevailing United States price for a competing growth of extra long staple cotton; and
- (2) the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is less than 134 percent of the loan rate for extra long staple cotton.

**(c) Eligible recipients**

The Secretary shall make payments available under this section to domestic users of extra long staple cotton produced in the United States and exporters of extra long staple cotton produced in the United States that enter into an agreement with the Commodity Credit Corporation to participate in the program under this section.

**(d) Payment amount**

Payments under this section shall be based on the amount of the difference in the prices referred to in subsection (b)(1) during the fourth week of the consecutive 4-week period multiplied by the amount of documented purchases by domestic users and sales for export by exporters made in the week following such a consecutive 4-week period.

**§ 8739. Availability of recourse loans for high moisture feed grains and seed cotton**

**(a) High moisture feed grains**

**(1) Definition of high moisture state**

In this subsection, the term “high moisture state” means corn or grain sorghum having a moisture content in excess of Commodity Credit Corporation standards for marketing assistance loans made by the Secretary under section 8731 of this title.

**(2) Recourse loans available**

For each of the 2008 through 2012 crops of corn and grain sorghum, the Secretary shall make available recourse loans, as determined by the Secretary, to producers on a farm that—

(A) normally harvest all or a portion of their crop of corn or grain sorghum in a high moisture state;

(B) present—

(i) certified scale tickets from an inspected, certified commercial scale, including a licensed warehouse, feedlot, feed mill, distillery, or other similar entity approved by the Secretary, pursuant to regulations issued by the Secretary; or

(ii) field or other physical measurements of the standing or stored crop in regions of the United States, as determined by the Secretary, that do not have certified commercial scales from which certified scale tickets may be obtained within reasonable proximity of harvest operation;

(C) certify that they were the owners of the feed grain at the time of delivery to, and that the quantity to be placed under loan under this subsection was in fact harvested on the farm and delivered to, a feedlot, feed mill, or commercial or on-farm high-moisture storage facility, or to a facility maintained by the users of corn and grain sorghum in a high moisture state; and

(D) comply with deadlines established by the Secretary for harvesting the corn or grain sorghum and submit applications for loans under this subsection within deadlines established by the Secretary.

**(3) Eligibility of acquired feed grains**

A loan under this subsection shall be made on a quantity of corn or grain sorghum of the same crop acquired by the producer equivalent to a quantity determined by multiplying—

(A) the acreage of the corn or grain sorghum in a high moisture state harvested on the producer’s farm; by

(B) the lower of the farm program payment yield used to make counter-cyclical payments under subchapter I or the actual yield on a field, as determined by the Secretary, that is similar to the field from which the corn or grain sorghum was obtained.

**(b) Recourse loans available for seed cotton**

For each of the 2008 through 2012 crops of upland cotton and extra long staple cotton, the Secretary shall make available recourse seed cotton loans, as determined by the Secretary, on any production.

**(c) Repayment rates**

Repayment of a recourse loan made under this section shall be at the loan rate established for the commodity by the Secretary, plus interest (determined in accordance with section 7283 of this title).

## EFFECTIVE DATE

Enactment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as a note under section 8701 of this title.

**§ 8740. Adjustments of loans****(a) Adjustment authority**

Subject to subsection (e), the Secretary may make appropriate adjustments in the loan rates for any loan commodity (other than cotton) for differences in grade, type, quality, location, and other factors.

**(b) Manner of adjustment**

The adjustments under subsection (a) shall, to the maximum extent practicable, be made in such a manner that the average loan level for the commodity will, on the basis of the anticipated incidence of the factors, be equal to the level of support determined in accordance with this subtitle and subtitles B through E.<sup>1</sup>

**(c) Adjustment on county basis****(1) In general**

The Secretary may establish loan rates for a crop for producers in individual counties in a manner that results in the lowest loan rate being 95 percent of the national average loan rate, if those loan rates do not result in an increase in outlays.

**(2) Prohibition**

Adjustments under this subsection shall not result in an increase in the national average loan rate for any year.

**(d) Adjustment in loan rate for cotton****(1) In general**

The Secretary may make appropriate adjustments in the loan rate for cotton for differences in quality factors.

**(2) Revisions to quality adjustments for upland cotton****(A) In general**

Not later than 180 days after the date of enactment of this Act, the Secretary shall

implement revisions in the administration of the marketing assistance loan program for upland cotton to more accurately and efficiently reflect market values for upland cotton.

**(B) Mandatory revisions**

Revisions under subparagraph (A) shall include—

(i) the elimination of warehouse location differentials;

(ii) the establishment of differentials for the various quality factors and staple lengths of cotton based on a 3-year, weighted moving average of the weighted designated spot market regions, as determined by regional production;

(iii) the elimination of any artificial split in the premium or discount between upland cotton with a 32 or 33 staple length due to micronaire; and

(iv) a mechanism to ensure that no premium or discount is established that exceeds the premium or discount associated with a leaf grade that is 1 better than the applicable color grade.

**(C) Discretionary revisions**

Revisions under subparagraph (A) may include—

(i) the use of non-spot market price data, in addition to spot market price data, that would enhance the accuracy of the price information used in determining quality adjustments under this subsection;

(ii) adjustments in the premiums or discounts associated with upland cotton with a staple length of 33 or above due to micronaire with the goal of eliminating any unnecessary artificial splits in the calculations of the premiums or discounts; and

(iii) such other adjustments as the Secretary determines appropriate, after consultations conducted in accordance with paragraph (3).

**(3) Consultation with private sector****(A) Prior to revision**

In making adjustments to the loan rate for cotton (including any review of the adjustments) as provided in this subsection, the Secretary shall consult with representatives of the United States cotton industry.

**(B) Inapplicability of Federal Advisory Committee Act**

The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to consultations under this subsection.

**(4) Review of adjustments**

The Secretary may review the operation of the upland cotton quality adjustments implemented pursuant to this subsection and may make further revisions to the administration of the loan program for upland cotton, by—

(A) revoking or revising any actions taken under paragraph (2)(B); or

(B) revoking or revising any actions taken or authorized to be taken under paragraph (2)(C).

**(e) Rice**

The Secretary shall not make adjustments in the loan rates for long grain rice and medium
