

(A) the duplication of any existing eligible broadband service provided by another entity in the eligible service area; or

(B) operating expenses, except as provided in—

(i) subsection (c)(2)(C) with respect to free eligible broadband service; and

(ii) paragraph (1)(A) with respect to spectrum.

**(3) Free access for community centers**

Of the amounts provided to an eligible entity under a grant under the Program, the eligible entity shall use to carry out paragraph (1)(B) not greater than the lesser of—

(A) 10 percent; and

(B) \$150,000.

**(e) Matching funds**

**(1) In general**

An eligible entity that receives a grant under the Program shall provide a cash contribution in an amount that is not less than 15 percent of the amount of the grant.

**(2) Requirements**

A cash contribution described in paragraph (1)—

(A) shall be used solely for the project for which the eligible entity receives a grant under the Program; and

(B) shall not include any Federal funds, unless a Federal statute specifically provides that those Federal funds may be considered to be from a non-Federal source.

**(f) Applications**

**(1) In general**

To be eligible to receive a grant under the Program, an eligible entity shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

**(2) Requirement**

An application submitted by an eligible entity under paragraph (1) shall include documentation sufficient to demonstrate the availability of funds to satisfy the requirement of subsection (e).

**(g) Authorization of appropriations**

There is authorized to be appropriated to carry out this section \$50,000,000 for each of fiscal years 2019 through 2023.

(May 20, 1936, ch. 432, title VI, § 604, as added Pub. L. 115-334, title VI, § 6204, Dec. 20, 2018, 132 Stat. 4737.)

**§ 950bb-4. Outdated broadband systems**

**(a) In general**

Except as provided in subsection (b), the Secretary shall consider any portion of a service territory that is subject to an outstanding grant agreement between the Secretary and a broadband provider to be unserved for the purposes of all broadband assistance programs under this chapter, if the broadband service in that portion of a service territory is less than 10 Mbps downstream transmission capacity or less than 1 Mbps upstream transmission capacity.

**(b) Exception**

The Secretary shall not consider a portion of a service territory described in subsection (a) to be unserved if the broadband service provider has constructed or begun to construct broadband facilities that meet the minimum acceptable level of service established under section 950bb(e) of this title, in that portion of the service territory.

(May 20, 1936, ch. 432, title VI, § 605, as added Pub. L. 115-334, title VI, § 6205(a), Dec. 20, 2018, 132 Stat. 4739.)

**EFFECTIVE DATE**

Pub. L. 115-334, title VI, § 6205(b), Dec. 20, 2018, 132 Stat. 4739, provided that: “The amendment made by this section [enacting this section] shall not take effect until October 1, 2020.”

**§ 950bb-5. Default and deobligation; deferral**

**(a) Default and deobligation**

In addition to other authority under applicable law, the Secretary shall establish written procedures for all broadband programs so that, to the maximum extent practicable, the programs are administered to—

(1) recover funds from loan and grant defaults;

(2) deobligate any awards, less allowable costs that demonstrate an insufficient level of performance (including metrics determined by the Secretary) or fraudulent spending, to the extent funds with respect to the award are available in the account relating to the program established by this subchapter;

(3) award those funds, on a competitive basis, to new or existing applicants consistent with this subchapter; and

(4) minimize overlap among the programs.

**(b) Deferral period**

In determining the terms and conditions of assistance provided under this subchapter, the Secretary may establish a deferral period of not shorter than the buildout period established for the project involved in order to support the financial feasibility and long-term sustainability of the project.

(May 20, 1936, ch. 432, title VI, § 606, as added Pub. L. 115-334, title VI, § 6206, Dec. 20, 2018, 132 Stat. 4739.)

**§ 950bb-6. Federal broadband program coordination**

**(a) Consultation between USDA and NTIA**

The Secretary shall consult with the Assistant Secretary to assist in the verification of eligibility of the broadband loan and grant programs of the Department of Agriculture. In providing assistance under the preceding sentence, the Assistant Secretary shall make available the broadband assessment and mapping capabilities of the National Telecommunications and Information Administration.

**(b) Consultation between USDA and FCC**

**(1) By USDA**

The Secretary shall consult with the Commission before providing broadband assistance

for a project to serve an area with respect to which another entity is receiving Connect America Fund or Mobility Fund support under the Federal universal service support mechanisms established under section 254 of title 47.

**(2) By FCC**

The Commission shall consult with the Secretary before offering or providing Connect America Fund or Mobility Fund support under the Federal universal service support mechanisms established under section 254 of title 47 to serve an area with respect to which another entity has received broadband assistance under a loan or grant program of the Department of Agriculture.

**(c) Report to Congress**

Not later than 1 year after December 20, 2018, the Secretary, the Commission, and the Assistant Secretary shall submit to the Committee on Agriculture and the Committee on Energy and Commerce of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry and the Committee on Commerce, Science, and Transportation of the Senate a report on how best to coordinate federally supported broadband programs and activities in order to achieve the following objectives:

(1) Promote high-quality broadband service that meets the long-term needs of rural residents and businesses, by evaluating the broadband service needs in rural areas for each decade through 2050.

(2) Support the long-term viability, sustainability, and utility of federally supported rural broadband infrastructure, by analyzing the technical capabilities of the technologies currently available and reasonably expected to be available by 2035 to meet the broadband service needs of rural residents identified under paragraph (1), including by analyzing the following:

(A) The real-world performance of such technologies, including data rates, latency, data usage restrictions, and other aspects of service quality, as defined by the Commission.

(B) The suitability of each such technology for residential, agricultural, educational, healthcare, commercial, and industrial purposes in rural areas.

(C) The cost to deploy and support such technologies in several rural geographies.

(D) The costs associated with online platforms, specifically the resulting constraints on rural network bandwidth.

(3) Identify and quantify the availability of broadband service and ongoing broadband deployment in rural areas, including ways to do the following:

(A) Harmonize broadband notification and reporting requirements and develop common verification procedures across all federally supported broadband programs.

(B) Consolidate and utilize the existing broadband service data.

(C) Collect and share data on those projects in rural areas where Federal programs are currently supporting broadband deployment, including areas with respect to which an entity is receiving—

(i) support under a broadband assistance program of the Department of Agriculture; or

(ii) Connect America Fund or Mobility Fund support under the Federal universal service support mechanisms established under section 254 of title 47.

(D) Leverage support technologies and services from online platforms for providers of broadband service in rural areas.

**(d) Definitions**

In this section:

**(1) Assistant Secretary**

The term “Assistant Secretary” means the Assistant Secretary of Commerce for Communications and Information.

**(2) Commission**

The term “Commission” means the Federal Communications Commission.

**(3) Rural area**

The term “rural area” has the meaning given the term in section 950bb(b)(3) of this title.
