

mines that such suspension or termination is favored by a majority of those voting in a referendum.

(c) Costs of referendum

The Secretary shall be reimbursed from any assessments collected by the Board for any expenses incurred by the Department in connection with the conduct of any referendum under this chapter, except for the salaries of Government employees.

(d) Manner

(1) In general

Referenda conducted pursuant to this chapter shall be conducted in such a manner as is determined by the Secretary.

(2) Advance registration

A grower, grower-sheller, or importer who chooses to vote in any referendum conducted under this chapter shall register in person prior to the voting period at the appropriate local office of the Agricultural Stabilization and Conservation Service, as determined by the Secretary, for such grower, grower-sheller, or by mailing such a request to the Secretary on behalf of an importer.

(3) Voting

A grower, grower-sheller, or importer who votes in any referendum conducted under this chapter shall vote in person at the appropriate local office of the Agricultural Stabilization and Conservation Service, as determined by the Secretary or by mail to the Secretary.

(4) Notice

Each Agricultural Stabilization and Conservation Service office shall notify all growers, grower-shellers, and importers in the area of such office, as determined by the Secretary, at least 30 days prior to a referendum conducted under this chapter. Such notice shall explain the registration and voting procedures established under this subsection.

§ 6012. Suspension or termination of plan

(a) Mandatory suspension or termination

The Secretary shall, whenever the Secretary finds that the plan or any provision of the plan obstructs or does not tend to effectuate the declared policy of this chapter, terminate or suspend the operation of such plan or provision.

(b) Suspension or termination

If, as a result of any referendum conducted under this chapter, the Secretary determines that suspension or termination of a plan is favored by a majority of the growers, grower-shellers, and importers voting in the referendum, the Secretary shall—

(1) within 6 months after making such determination, suspend or terminate, as the case may be, collection of assessments under the plan; and

(2) suspend or terminate, as the case may be, activities under the plan in an orderly manner as soon as practicable.

(c) Limitation

The termination or suspension of any plan, or any provision thereof, shall not be considered a plan within the meaning of this chapter.

(Pub. L. 101-624, title XIX, §1917, Nov. 28, 1990, 104 Stat. 3854.)

§ 6013. Authorization of appropriations

(a) In general

There are authorized to be appropriated for each fiscal year such sums as are necessary to carry out this chapter.

(b) Administrative expenses

Funds appropriated to carry out this chapter shall not be available for payment of the expenses or expenditures of the Board in administering any provision of any plan issued under this chapter.

§ 6101. Findings and declaration of policy

(a) Findings

Congress finds that—

(1) mushrooms are an important food that is a valuable part of the human diet;

(2) the production of mushrooms plays a significant role in the Nation's economy in that mushrooms are produced by hundreds of mushroom producers, distributed through thousands of wholesale and retail outlets, and consumed by millions of people throughout the United States and foreign countries;

(3) mushroom production benefits the environment by efficiently using agricultural by-products;

(4) mushrooms must be high quality, readily available, handled properly, and marketed efficiently to ensure that the benefits of this important product are available to the people of the United States;

(5) the maintenance and expansion of existing markets and uses, and the development of new markets and uses, for mushrooms are vital to the welfare of producers and those concerned with marketing and using mushrooms, as well as to the agricultural economy of the Nation;

(6) the cooperative development, financing, and implementation of a coordinated program of mushroom promotion, research, and consumer information are necessary to maintain and expand existing markets for mushrooms; and
