SUBCHAPTER III—VISA ISSUANCE

**§ 1731. Implementation of an integrated entry and exit data system**

**(a) Development of system**

In developing the integrated entry and exit data system for the ports of entry, as required by the Immigration and Naturalization Service Data Management Improvement Act of 2000 (Public Law 106–215), the Attorney General and the Secretary of State shall—

(1) implement, fund, and use a technology standard under section 1379 of this title at United States ports of entry and at consular posts abroad;

(2) establish a database containing the arrival and departure data from machine-readable visas, passports, and other travel and entry documents possessed by aliens; and

(3) make interoperable all security databases relevant to making determinations of admissibility under section 1182 of this title.

**(b) Implementation**

In implementing the provisions of subsection (a), the Immigration and Naturalization Service and the Department of State shall—

(1) utilize technologies that facilitate the lawful and efficient cross-border movement of commerce and persons without compromising the safety and security of the United States; and

(2) consider implementing the North American National Security Program described in section 1751 of this title.

**§ 1732. Machine-readable, tamper-resistant entry and exit documents**

**(a) Report**

**(1) In general**

Not later than 180 days after May 14, 2002, the Attorney General, the Secretary of State, and the National Institute of Standards and Technology (NIST), acting jointly, shall submit to the appropriate committees of Congress a comprehensive report assessing the actions that will be necessary, and the considerations to be taken into account, to achieve fully, not later than October 26, 2004—

(A) implementation of the requirements of subsections (b) and (c); and

(B) deployment of the equipment and software to allow biometric comparison and authentication of the documents described in subsections (b) and (c).

**(2) Estimates**

In addition to the assessment required by paragraph (1), the report required by that paragraph shall include an estimate of the costs to be incurred, and the personnel, man-hours, and other support required, by the Department of Justice, the Department of State, and NIST to achieve the objectives of subparagraphs (A) and (B) of paragraph (1).

**(b) Requirements**

**(1) In general**

Not later than October 26, 2004, the Attorney General and the Secretary of State shall issue to aliens only machine-readable, tamper-resistant visas and other travel and entry documents that use biometric identifiers. The Attorney General and the Secretary of State shall jointly establish document authentication standards and biometric identifiers standards to be employed on such visas and other travel and entry documents from among those biometric identifiers recognized by domestic and international standards organizations.

**(2) Readers and scanners at ports of entry**

**(A) In general**

Not later than October 26, 2005, the Attorney General, in consultation with the Secretary of State, shall install at all ports of entry of the United States equipment and
