§ 189. Communications Security Review and Advisory Board

(a) ESTABLISHMENT.—There shall be in the Department of Defense a Communications Security Review and Advisory Board (in this section referred to as the “Board”) to review and assess the communications security, cryptographic modernization, and related key management activities of the Department and provide advice to the Secretary with respect to such activities.

(b) MEMBERS.—(1) The Secretary shall determine the number of members of the Board.

(2) The Chief Information Officer of the Department of Defense shall serve as chairman of the Board.

(3) The Secretary shall appoint officers in the grade of general or admiral and civilian employees of the Department of Defense in the Senior Executive Service to serve as members of the Board.

(c) RESPONSIBILITIES.—The Board shall—

(1) monitor the overall communications security, cryptographic modernization, and key management efforts of the Department, including activities under major defense acquisition programs (as defined in section 4201 of this title), by—

(A) requiring each Chief Information Officer of each military department to report the communications security activities of the military department to the Board;

(B) tracking compliance of each military department with respect to communications security modernization efforts;

(C) validating lifecycle communications security modernization plans for major defense acquisition programs;

(2) validate the need to replace cryptographic equipment based on the expiration dates of the equipment and evaluate the risks of continuing to use cryptographic equipment after such expiration dates;

(3) convene in-depth program reviews for specific cryptographic modernization developments with respect to validating requirements and identifying programmatic risks;

(4) develop a long-term roadmap for communications security to identify potential issues and ensure synchronization with major planning documents; and

(5) advise the Secretary on the cryptographic posture of the Department, including budgetary recommendations.

(d) EXCLUSION OF CERTAIN PROGRAMS.—The Board shall not include the consideration of programs funded under the National Intelligence Program (as defined in section 3(6) of the National Security Act of 1947 (50 U.S.C. 3003(6))) in carrying out this section.

MISSION MANAGEMENT PILOT PROGRAM

Pub. L. 117–81, div. A, title VIII, § 871, Dec. 27, 2021, 135 Stat. 1855, provided that:

“(a) **IN GENERAL.**—Subject to the availability of appropriations, the Secretary of Defense shall establish a pilot program to identify lessons learned and improved mission outcomes achieved by quickly delivering solutions that fulfill critical operational needs arising from cross-service missions undertaken by combatant commands through the use of a coordinated and iterative approach to develop, evaluate, and transition such solutions.

“(b) **MISSIONS SELECTION.**—

“(1) **IN GENERAL.**—Except as provided in paragraph (3), the Deputy Secretary of Defense shall select missions with respect to which to carry out the pilot program.

“(2) **SELECTION CRITERIA.**—When selecting missions under paragraph (1), the Deputy Secretary of Defense shall—

“(A) select missions with critical cross-service operational needs; and

“(B) consider—

“(i) the strategic importance of the critical cross-service operational needs to the operational plans of the relevant combatant commands; and

“(ii) the advice of key stakeholders, including the Joint Staff, regarding mission selection.

“(3) **INITIAL MISSION.**—

“(A) **IN GENERAL.**—Not later than four months after the date of the enactment of this section [Dec. 27, 2021], the Director of the Strategic Capabilities Office shall select the initial mission under the pilot program that has critical cross-service operational needs and which is of strategic importance to the operational plans of the United States Indo-Pacific Command.

“(B) **RESPONSIBILITY.**—The mission selected under subparagraph (A) shall be established within the Strategic Capabilities Office of the Department of Defense, in coordination with the Office of the Under Secretary of Defense for Research and Engineering.

“(C) **MISSION SELECTION APPROVAL.**—The mission selected by the Director of the Strategic Capabilities Office under subparagraph (A) shall be subject to the approval of the Technology Cross-Functional Team of the Strategic Capabilities Office that is chaired by the Under Secretary of Defense for Research and Engineering.

“(c) **MISSION MANAGERS.**—

“(1) **IN GENERAL.**—A mission manager shall carry out the pilot program with respect to each mission.

“(2) **RESPONSIBILITIES.**—With respect to each mission, the relevant mission manager shall—

“(A) identify critical cross-service, cross-program, and cross-domain operational needs by enumerating the options available to the combatant command responsible for carrying out such mission and determining the resiliency of such options to threats from adversaries;

“(B) in coordination with the military services and appropriate Defense Agencies and Field Activities, develop and deliver solutions, including software and information technology solutions and other functionalities unaligned with any one weapon system of a covered Armed Service, to—
