AMENDMENTS

2003—Subsec. (a). Pub. L. 108-136, §226(b), substituted “the integration of a ballistic missile defense element into the overall ballistic missile defense architecture” for “a Department of Defense missile defense program described in subsection (b)”.

Subsec. (e). Pub. L. 108-136, §226(a), substituted “before a” for “for each”, inserted “is” before “transferred”, and substituted “roles and responsibilities” for “responsibility” and “are clearly delineated” for “remains with the Director”.

Subsec. (f). Pub. L. 108-136, §1043(b)(4), struck out heading and text of subsec. (f). Text read as follows: “In this section, the term ‘congressional defense committees’ means the following:

“(1) The Committee on Armed Services and the Committee on Appropriations of the Senate.

“(2) The Committee on Armed Services and the Committee on Appropriations of the House of Representatives.”

2002—Subsecs. (a), (b)(1), (c), (d). Pub. L. 107-314, §225(b)(1)(A), substituted “Missile Defense Agency” for “Ballistic Missile Defense Organization”.

Subsec. (e). Pub. L. 107-314 substituted “for each” for “before a”, “transferred” for “is transferred”, “Missile Defense Agency” for “Ballistic Missile Defense Organization”, and “responsibility for research, development, test, and evaluation related to system improvements for that program remains with the Director” for “roles and responsibilities for research, development, test, and evaluation related to system improvements for that program are clearly defined”.

2001—Pub. L. 107-107, §231(b)(1), substituted “research, development, test, and evaluation” for “procurement” in section catchline.

Subsec. (a). Pub. L. 107-107, §231(a)(1), substituted “research, development, test, and evaluation” for “procurement” in two places.

Subsecs. (b) to (f). Pub. L. 107-107, §231(a)(2), added subsecs. (b) to (f) and struck out former subsecs. (b) and (c) which related to covered programs and core theater ballistic missile defense program, respectively.

§ 225. Acquisition accountability reports on the ballistic missile defense system

(a) BASELINES REQUIRED.—(1) In accordance with paragraph (2), the Director of the Missile Defense Agency shall establish and maintain an acquisition baseline for—

(A) each program element of the ballistic missile defense system, as specified in section 223 of this title; and

(B) each designated major subprogram of such program elements.

(2) The Director shall establish an acquisition baseline required by paragraph (1) before the date on which the program element or major subprogram enters—

(A) engineering and manufacturing development (or its equivalent); and

(B) production and deployment.

(3) Except as provided by subsection (d), the Director may not adjust or revise an acquisition baseline established under this section.

(b) ELEMENTS OF BASELINES.—Each acquisition baseline required by subsection (a) for a program element or major subprogram shall include the following:

(1) A comprehensive schedule, including—

(A) research and development milestones;

(B) acquisition milestones, including design reviews and key decision points;

(C) key test events, including ground and flight tests and ballistic missile defense system tests;

(D) delivery and fielding schedules;

(E) quantities of assets planned for acquisition and delivery in total and by fiscal year; and

(F) planned contract award dates.

(2) A detailed technical description of—

(A) the capability to be developed, including hardware and software;

(B) system requirements, including performance requirements;

(C) how the proposed capability satisfies a capability identified by the commanders of the combatant commands on a prioritized capabilities list;

(D) key knowledge points that must be achieved to permit continuation of the program and to inform production and deployment decisions; and

(E) how the Director plans to improve the capability over time.

(3) A cost estimate, including—

(A) a life-cycle cost estimate that separately identifies the costs regarding research and development, procurement, military construction, operations and sustainment, and disposal;

(B) program acquisition unit costs for the program element;

(C) average procurement unit costs and program acquisition costs for the program element; and

(D) an identification of when the document regarding the program joint cost analysis requirements description is scheduled to be approved.

(4) A test baseline summarizing the comprehensive test program for the program element or major subprogram outlined in the integrated master test plan.

(c) ANNUAL REPORTS ON ACQUISITION BASELINES.—(1) Not later than February 15 of each year, the Director shall submit to the congressional defense committees a report on the acquisition baselines required by subsection (a).

(2)(A) The first report under paragraph (1) shall set forth each acquisition baseline required

by subsection (a) for a program element or major subprogram.

(B) Each subsequent report under paragraph (1) shall include—

(i) any new acquisition baselines required by subsection (a) for a program element or major subprogram; and

(ii) with respect to an acquisition baseline that was previously included in a report under paragraph (1), an identification of any changes or variances made to the elements described in subsection (b) for such acquisition baseline, as compared to—

(I) the initial acquisition baseline for such program element or major subprogram; and

(II) the acquisition baseline for such program element or major subprogram that was submitted in the report during the previous year.

(3) Each report under this subsection shall be submitted in unclassified form, but may include a classified annex.

(d) EXCEPTION TO LIMITATION ON REVISION.—The Director may adjust or revise an acquisition baseline established under this section if the Director submits to the congressional defense committees notification of—

(1) a justification for such adjustment or revision;

(2) the specific adjustments or revisions made to the acquisition baseline, including to the elements described in subsection (b); and

(3) the effective date of the adjusted or revised acquisition baseline.

(e) OPERATIONS AND SUSTAINMENT COST ESTIMATES.—The Director shall ensure that each life-cycle cost estimate included in an acquisition baseline pursuant to subsection (b)(3)(A) includes—

(1) all of the operations and sustainment costs for which the Director is responsible; and

(2) a description of the operations and sustainment functions and costs for which a military department is responsible.

(Added Pub. L. 112-81, div. A, title II, §231(a)(1), Dec. 31, 2011, 125 Stat. 1337; amended Pub. L. 113-66, div. A, title II, §231(b), Dec. 26, 2013, 127 Stat. 711.)

2013—Subsec. (e). Pub. L. 113-66 added subsec. (e).

Statutory Notes and Related Subsidiaries

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective Dec. 31, 2021, of provisions in subsec. (c) of this section requiring submittal of annual report to Congress, see section 1061 of Pub. L. 114-328, set out as a note under section 111 of this title.

IMPROVEMENT TO OPERATIONS AND SUSTAINMENT COST ESTIMATES

Pub. L. 113-66, div. A, title II, §231(a), Dec. 26, 2013, 127 Stat. 710, provided that: “In preparing the acquisition accountability reports on the ballistic missile defense system required by section 225 of title 10, United States Code, the Director of the Missile Defense Agency shall improve the quality of cost estimates relating to operations and sustainment that are included in such re-

ports under subsection (b)(3)(A) of such section, including with respect to the confidence levels of such cost estimates.”

§ 226. Special operations forces: display of service-common and other support and enabling capabilities

(a) IN GENERAL.—The Secretary of Defense and the Secretary of each of the military departments shall include, in the budget materials submitted to Congress under section 1105 of title 31 for fiscal year 2022 and any subsequent fiscal year, a budget justification display for each applicable appropriation showing service-common and other support and enabling capabilities for special operations forces requested by a military service or Defense Agency. Such budget justification displays shall include each of the following:

(1) Details at the appropriation and line item level, including any amount for service-common support, acquisition support, training, operations, pay and allowances, base operations sustainment, and any other common services and support.

(2) An identification of any change in the level or type of service-common support and enabling capabilities provided by each of the military services or Defense Agencies to special operations forces for the fiscal year covered by the budget justification display when compared to the preceding fiscal year, including the rationale for any such change and any mitigating actions.

(3) An assessment of the specific effects that the budget justification display for the fiscal year covered by the display and any anticipated future manpower and force structure changes are likely to have on the ability of each of the military services to provide service-common support and enabling capabilities to special operations forces.

(4) Any other matters the Secretary of Defense or the Secretary of a military department determines are relevant.

(b) CONSOLIDATED BUDGET JUSTIFICATION DISPLAY.—The Secretary of Defense shall include, in the budget materials submitted to Congress under section 1105 of title 31, for fiscal year 2022 and any subsequent fiscal year, a consolidated budget justification display containing the same information as is required in the budget justification displays required under subsection (a). Such consolidated budget justification display may be provided as a summary by appropriation for each military department and a summary by appropriation for all Defense Agencies.

(c) SERVICE-COMMON AND OTHER SUPPORT AND ENABLING CAPABILITIES.—In this section, the term “service-common and other support and enabling capabilities” means capabilities provided in support of special operations that are not reflected in Major Force Program-11 or designated as special operations forces-peculiar.
