§ 612. Composition of selection boards

(a)(1) Members of selection boards shall be appointed by the Secretary of the military department concerned in accordance with this section. A selection board shall consist of five or more officers of the same armed force as the officers under consideration by the board. Each member of a selection board (except as provided in paragraphs (2), (3), and (4)) shall be an officer on the active-duty list. Each member of a selection board must be serving in a grade higher than the grade of the officers under consideration by the board, except that no member of a board may be serving in a grade below major or lieutenant commander. The members of a selection board shall represent the diverse population of the armed force concerned to the extent practicable.

(2)(A) Except as provided in subparagraph (B), a selection board shall include at least one officer from each competitive category of officers to be considered by the board.

(B) A selection board need not include an officer from a competitive category to be considered by the board when there are no officers of that competitive category on the active-duty list in a grade higher than the grade of the officers to be considered by the board and eligible to serve on the board. However, in such a case the Secretary of the military department concerned, in his discretion, may appoint as a member of the board an officer of that competitive category who is not on the active-duty list from among officers of the same armed force as the officers under consideration by the board who hold a higher grade than the grade of the officers under consideration and who are retired officers, reserve officers serving on active duty but not on the active-duty list, or members of the Ready Reserve.

(3) When reserve officers of an armed force are to be considered by a selection board, the membership of the board shall include at least one reserve officer of that armed force on active duty (whether or not on the active-duty list). The actual number of reserve officers shall be determined by the Secretary of the military department concerned, in the Secretary's discretion. Notwithstanding the first sentence of this paragraph, in the case of a board which is considering officers in the grade of colonel or brigadier general or, in the case of officers of the Navy, captain or rear admiral (lower half), no reserve officer need be included if there are no reserve officers of that armed force on active duty in the next higher grade who are eligible to serve on the board.

(4) Except as provided in paragraphs (2) and (3), if qualified officers on the active-duty list are not available in sufficient number to comprise a selection board, the Secretary of the military department concerned shall complete the membership of the board by appointing as

members of the board officers who are members of the same armed force and hold a grade higher than the grade of the officers under consideration by the board and who are retired officers, reserve officers serving on active duty but not on the active-duty list, or members of the Ready Reserve.

(5) A retired general or flag officer who is on active duty for the purpose of serving on a selection board shall not, while so serving, be counted against any limitation on the number of general and flag officers who may be on active duty.

(b) No officer may be a member of two successive selection boards convened under section 611(a) of this title for the consideration of officers of the same competitive category and grade.

(c)(1) Each selection board convened under section 611(a) of this title that will consider an officer described in paragraph (2) shall include at least one officer designated by the Chairman of the Joint Chiefs of Staff who is a joint qualified officer.

(2) Paragraph (1) applies with respect to an officer who—

(A) is serving on, or has served on, the Joint Staff; or

(B) is a joint qualified officer.

(3) The Secretary of Defense may waive the requirement in paragraph (1) in the case of—

(A) any selection board of the Marine Corps; or

(B) any selection board that is considering officers in specialties identified in paragraph (2) or (3) of section 619a(b) of this title.
