

contracts under the TRICARE program, the following:

“(i) The unique characteristics of providing health care services in Alaska, Hawaii, and the territories and possessions of the United States, and in rural, remote, or isolated locations in the contiguous 48 States;

“(ii) The various challenges inherent in developing robust networks of health care providers in those locations.

“(iii) A provider reimbursement rate structure in those locations that ensures—

“(I) timely access of covered beneficiaries to health care services;

“(II) the delivery of high-quality primary and specialty care;

“(III) improvement in health outcomes for covered beneficiaries; and

“(IV) an enhanced experience of care for covered beneficiaries.

“(f) DEFINITIONS.—In this section:

“(1) The terms ‘covered beneficiary’ and ‘TRICARE program’ have the meaning given those terms in section 1072 of title 10, United States Code.

“(2) The term ‘high-performing networks of health care providers’ means networks of health care providers that, in addition to such other requirements as the Secretary of Defense may specify for purposes of this section, do the following:

“(A) Deliver high quality health care as measured by leading health quality measurement organizations such as the National Committee for Quality Assurance and the Agency for Healthcare Research and Quality.

“(B) Achieve greater efficiency in the delivery of health care by identifying and implementing within such network improvement opportunities that guide patients through the entire continuum of care, thereby reducing variations in the delivery of health care and preventing medical errors and duplication of medical services.

“(C) Improve population-based health outcomes by using a team approach to deliver case management, prevention, and wellness services to high-need and high-cost patients.

“(D) Focus on preventive care that emphasizes—

“(i) early detection and timely treatment of disease;

“(ii) periodic health screenings; and

“(iii) education regarding healthy lifestyle behaviors.

“(E) Coordinate and integrate health care across the continuum of care, connecting all aspects of the health care received by the patient, including the patient’s health care team.

“(F) Facilitate access to health care providers, including—

“(i) after-hours care;

“(ii) urgent care; and

“(iii) through telehealth appointments, when appropriate.

“(G) Encourage patients to participate in making health care decisions.

“(H) Use evidence-based treatment protocols that improve the consistency of health care and eliminate ineffective, wasteful health care practices.”

§ 1073b. Recurring reports and publication of certain data

(a) ANNUAL REPORT ON RECORDING OF HEALTH ASSESSMENT DATA IN MILITARY HEALTH RECORDS.—The Secretary of Defense shall issue each year a report on the compliance by the military departments with applicable law and policies on the recording of health assessment data in military health records, including compliance with section 1074f(c) of this title. The report shall cover the calendar year preceding the

year in which the report is submitted and include a discussion of the extent to which immunization status and predeployment and postdeployment health care data are being recorded in such records.

(b) PUBLICATION OF DATA ON PATIENT SAFETY, QUALITY OF CARE, SATISFACTION, AND HEALTH OUTCOME MEASURES.—(1) The Secretary of Defense shall publish on a publically available Internet website of the Department of Defense data on all measures that the Secretary considers appropriate that are used by the Department to assess patient safety, quality of care, patient satisfaction, and health outcomes for health care provided under the TRICARE program at each military medical treatment facility. Such data shall include the core quality performance metrics adopted by the Secretary under section 728 of the National Defense Authorization Act for Fiscal Year 2017.

(2) The Secretary shall publish an update to the data published under paragraph (1) not less frequently than once each quarter during each fiscal year.

(3) The Secretary may not include data relating to risk management activities of the Department in any publication under paragraph (1) or update under paragraph (2).

(4) The Secretary shall ensure that the data published under paragraph (1) and updated under paragraph (2) is accessible to the public through the primary Internet website of the Department and the primary Internet website of the military medical treatment facility with respect to which such data applies.

§ 1073c. Administration of Defense Health Agency and military medical treatment facilities

(a) ADMINISTRATION OF MILITARY MEDICAL TREATMENT FACILITIES.—(1) In accordance with paragraph (5), by not later than September 30, 2021, the Director of the Defense Health Agency shall be responsible for the administration of each military medical treatment facility, including with respect to—

- (A) provision and delivery of health care within each such facility;
- (B) management of privileging, scope of practice, and quality of health care provided within each such facility;
- (C) budgetary matters;
- (D) information technology;
- (E) health care administration and management;
- (F) supply and equipment;
- (G) administrative policy and procedure;
- (H) military medical construction; and
- (I) any other matters the Secretary of Defense determines appropriate.

(2) In addition to the responsibilities set forth in paragraph (1), the Director of the Defense Health Agency shall, commencing when the Director begins to exercise responsibilities under that paragraph, have the authority—

- (A) to direct, control, and serve as the primary rater of the performance of commanders or directors of military medical treatment facilities;
- (B) to direct and control any intermediary organizations between the Defense Health Agency and military medical treatment facilities;
- (C) to determine the scope of medical care provided at each military medical treatment facility to meet the military personnel readiness requirements of the senior military operational commander of the military installation;
- (D) to identify the capacity of each military medical treatment facility to support clinical readiness standards of health care providers

established by the Secretary of a military department or the Assistant Secretary of Defense for Health Affairs;

(E) to determine total workforce requirements at each military medical treatment facility;

(F) to determine, in coordination with each Secretary of a military department, manning, including joint manning, assigned to military medical treatment facilities and intermediary organizations;

(G) to select, after considering nominations from the Secretaries of the military departments, commanders or directors of military medical treatment facilities;

(H) to address personnel staffing shortages at military medical treatment facilities; and

(I) to select among service nominations for commanders or directors of military medical treatment facilities.

(3) The military commander or director of each military medical treatment facility shall be responsible for—

(A) on behalf of the military departments, ensuring the readiness of the members of the armed forces at such facility; and

(B) on behalf of the Defense Health Agency, furnishing the health care and medical treatment provided at such facility.

(4) If the Secretary of Defense determines it appropriate, a military director (or any other senior military officer or officers) of a military medical treatment facility may be a commanding officer for purposes of chapter 47 of this title (the Uniform Code of Military Justice) with respect to military personnel assigned to the military medical treatment facility.

(5) The Secretary of Defense shall establish a timeline to ensure that each Secretary of a military department transitions the administration of military medical treatment facilities from such Secretary to the Director of the Defense Health Agency pursuant to paragraph (1) by the date specified in such paragraph.

(6) The Secretary of Defense shall establish within the Defense Health Agency a professional staff to provide policy, oversight, and direction to carry out paragraphs (1) and (2). The Secretary shall carry out this paragraph by appointing the positions specified in subsections (b) and (c).

(b) DHA ASSISTANT DIRECTOR.—(1) There is in the Defense Health Agency an Assistant Director for Health Care Administration. The Assistant Director shall—

- (A) be a career appointee within the Department; and
- (B) report directly to the Director of the Defense Health Agency.

(2) The Assistant Director shall be appointed from among individuals who have the education and experience to perform the responsibilities of the position.

(3) The Assistant Director shall be responsible for the following:

- (A) Establishing priorities for health care administration and management.
- (B) Establishing policies, procedures, and direction for the provision of direct care at military medical treatment facilities.
