

However, such a person who is the widow of a retired officer of the Public Health Service or the National Oceanic and Atmospheric Administration, and who would otherwise be eligible for an annuity under this section except that she does not qualify for the pension described in clause (2) of this subsection because the service of her deceased spouse is not considered active duty under section 101(21) of title 38, United States Code, is entitled to an annuity under this section.

“(b) The annuity under subsection (a) of this section shall be in an amount which when added to the widow’s income determined under subsection (a)(3) of this section, plus the amount of any annuity being received under sections 1431–1436 of title 10, United States Code, but exclusive of a pension described in subsection (a)(2) of this section, equals the maximum annual rate of pension in effect under section 1541(b) of title 38, United States Code. In addition, the Secretary concerned shall pay to the widow, described in the last sentence of subsection (a) of this section, an amount equal to the pension she would otherwise have been eligible to receive under subchapter III of chapter 15 of title 38, United States Code, if the service of her deceased spouse was considered active duty under section 101(21) of that title.

“(c) The amount of an annuity payable under this section, although counted as income in determining the amount of any pension described in subsection (a)(2) of this section, shall not be considered to affect the eligibility [sic] of the recipient of such annuity for such pension, even though, as a result of including the amount of the annuity as income, no amount of such pension is due.

“(d) Subsection 1450(i) and section 1453 as added to title 10, United States Code, by clause 3 of the first section of this Act, are applicable to persons covered by this section.

“(e)(1) Payment of annuities under this section shall be made by the Secretary of Veterans Affairs. In making such payments, the Secretary shall combine with the payment under this section payment of any amount due the same person under section 653(d) of the National Defense Authorization Act, Fiscal Year 1989 [Pub. L. 100–456] (10 U.S.C. 1448 note). If appropriate for administrative convenience (or otherwise determined appropriate by the Secretary of Veterans Affairs), that Secretary may combine a payment to any person for any month under this section (and, if applicable, under section 653(d) of the National Defense Authorization Act, Fiscal Year 1989) with any other payment for that month under laws administered by the Secretary so as to provide that person with a single payment for that month.

“(2) The Secretary concerned shall annually transfer to the Secretary of Veterans Affairs such amounts as may be necessary for payments by the Secretary of Veterans Affairs under this section and for costs of the Secretary of Veterans Affairs in administering this section. Such transfers shall be made from amounts that would otherwise be used for payment of annuities by the Secretary concerned under this section. The authority to make such a transfer is in addition to any other authority of the Secretary concerned to transfer funds for a purpose other than the purpose for which the funds were originally made available. In the case of a transfer by the Secretary of a military department, the provisions of section 2215 of title 10, United States Code, do not apply.

“(3) The Secretary concerned shall promptly notify the Secretary of Veterans Affairs of any change in beneficiaries under this section.”
