In the case of such allegations, the task force shall provide assistance to the commander of the installation, and to parents at the installation, in helping them to deal with such allegations.

(b) NATIONAL HOTLINE.—(1) The Secretary of Defense shall maintain a national telephone number for persons to use to report suspected child abuse or safety violations at a military child development center or family home day care site. The Secretary shall ensure that such reports may be made anonymously if so desired by the person making the report. (2) The Secretary shall publicize the existence of the number.

(c) ASSISTANCE FROM LOCAL AUTHORITIES.—The Secretary of Defense shall prescribe regulations requiring that, in a case of allegations of child abuse at a military child development center or family home day care site, the commander of the military installation or the head of the task force established under subsection (a) shall seek the assistance of local child protective authorities if such assistance is available.

(e) INSPECTIONS.—The Secretary of Defense shall require that each military child development center be inspected not less often than four times a year. Each such inspection shall be unannounced. At least one inspection a year shall be carried out by a representative of the installation served by the center, and one inspection a year shall be carried out by a representative of the major command under which that installation operates.
