

1990—Subsecs. (d), (e). Pub. L. 101-510 redesignated subsec. (e) as (d) and struck out former subsec. (d) which read as follows: “The Secretary of Defense shall notify the Congress within 10 days of the date on which any waiver is made under this section and of the reasons for the necessity of exercising such waiver.”

1987—Subsec. (e). Pub. L. 100-26 inserted “the term” after “In this section.”

#### § 2922f. Preference for energy efficient electric equipment

(a) In establishing a new requirement for electric equipment referred to in subsection (b) and in procuring electric equipment referred to in that subsection, the Secretary of a military department or the head of a Defense Agency, as the case may be, shall provide a preference for the procurement of the most energy efficient electric equipment available that meets the requirement or the need for the procurement, if providing such a preference is consistent with the energy performance goals and energy performance plan for the Department of Defense developed under section 2911 of this title and supported by the special considerations specified in subsection (e) of such section.

(b) Subsection (a) applies to the following electric equipment:

- (1) Electric lamps.
- (2) Electric ballasts.
- (3) Electric motors.
- (4) Electric refrigeration equipment.

(Added Pub. L. 102-484, div. A, title III, §384(a)(1)(A), Oct. 23, 1992, 106 Stat. 2392, §2410c; renumbered §2922f and amended Pub. L. 109-364, div. B, title XXVIII, §2851(b)(2), (3)(E), Oct. 17, 2006, 120 Stat. 2494, 2495; Pub. L. 115-91, div. B, title XXVIII, §2831(c)(5), Dec. 12, 2017, 131 Stat. 1858.)

#### Editorial Notes

##### AMENDMENTS

2017—Subsec. (a). Pub. L. 115-91 substituted “subsection (e)” for “subsection (c)”.

2006—Pub. L. 109-364, §2851(b)(2), renumbered section 2410c of this title as this section.

Subsec. (a). Pub. L. 109-364, §2851(b)(3)(E), substituted “In” for “When cost effective, in” and “if providing such a preference is consistent with the energy performance goals and energy performance plan for the Department of Defense developed under section 2911 of this title and supported by the special considerations specified in subsection (c) of such section” for “as the case may be”.

#### Statutory Notes and Related Subsidiaries

##### EFFECTIVE DATE OF 1992 AMENDMENT

Pub. L. 102-484, div. A, title III, §384(a)(2), Oct. 23, 1992, 106 Stat. 2393, provided that: “The amendments made by paragraph (1) [enacting this section] shall apply to procurements for which solicitations are issued on or after the date that is 120 days after the date of the enactment of this Act [Oct. 23, 1992].”

##### ELECTRIC LIGHTING AND REFRIGERATION EQUIPMENT DEMONSTRATION PROGRAMS

Pub. L. 102-484, div. A, title III, §384(b)-(d), Oct. 23, 1992, 106 Stat. 2393, provided that:

“(b) ELECTRIC LIGHTING DEMONSTRATION PROGRAM.—(1) The Secretary of Defense shall conduct a demonstration program for using energy efficient electric lighting equipment.

“(2) The Secretary shall designate 50 facilities owned or leased by the Department of Defense for participation in the demonstration program under this subsection.

“(3) The head of each facility designated pursuant to paragraph (2) and the Director of the Defense Logistics Agency shall jointly audit the electric lighting equipment at the facility in order—

“(A) to identify any potential improvements that would increase the energy efficiency of electric lighting at that facility; and

“(B) to determine the costs of, and the savings that would result from, such improvements.

“(4) Except as provided in subsection (d)(4), on the basis of the results of the audit the head of the facility shall promptly convert to the use of electric lighting equipment at the facility that is more energy efficient than the existing electric lighting equipment to the extent that the conversion is cost effective.

“(5) Energy efficient electric lighting equipment used under the demonstration program may include compact fluorescent lamps, energy efficient electric ballasts and fixtures, and other energy efficient electric lighting equipment.

“(c) REFRIGERATION EQUIPMENT DEMONSTRATION PROGRAM.—(1) The Secretary of Defense shall conduct a demonstration program for using energy efficient refrigeration equipment.

“(2) The Secretary shall designate 50 facilities owned or operated by the Department of Defense for participation in the demonstration program under this subsection.

“(3) The head of each facility designated pursuant to paragraph (2) and the Director of the Defense Logistics Agency shall jointly audit the refrigeration equipment at the facility in order—

“(A) to identify any potential improvements that would increase the energy efficiency of the refrigeration equipment at that facility; and

“(B) to determine the costs of, and the savings that would result from, such improvements.

“(4) Except as provided in subsection (d)(4), on the basis of the results of the audit the head of the facility shall promptly convert to the use of refrigeration equipment at the facility that is more energy efficient than the existing refrigeration equipment to the extent that the conversion is cost effective.

“(d) GENERAL PROVISIONS FOR DEMONSTRATION PROGRAMS.—(1) The Secretary of Defense shall make the designations under subsections (b)(2) and (c)(2) not later than 180 days after the date of the enactment of this Act [Oct. 23, 1992].

“(2) The Secretary of Defense may designate a facility described in subsections (b)(2) and (c)(2) for participation in the demonstration program under subsection (b) and the demonstration program under subsection (c).

“(3) The audits required by subsections (b)(3) and (c)(3) shall be completed not later than January 1, 1994.

“(4) The head of a facility may not carry out a conversion described in subsection (b)(4) or (c)(4) if the conversion prevents the head of the facility from carrying out other improvements relating to energy efficiency that are more cost effective than that conversion.”

#### § 2922g. Preference for motor vehicles using electric or hybrid propulsion systems

(a) PREFERENCE.—In leasing or procuring motor vehicles for use by a military department or Defense Agency, the Secretary of the military department or the head of the Defense Agency shall provide a preference for the lease or procurement of motor vehicles using electric or hybrid propulsion systems, including plug-in hybrid systems, if the electric or hybrid vehicles—

- (1) will meet the requirements or needs of the Department of Defense; and

(2) are commercially available at a cost, including operating cost, reasonably comparable to motor vehicles containing only an internal combustion or heat engine using combustible fuel.

(b) EXCEPTION.—Subsection (a) does not apply with respect to tactical vehicles designed for use in combat.

(c) RELATION TO OTHER VEHICLE TECHNOLOGIES THAT REDUCE CONSUMPTION OF FOSSIL FUELS.—The preference required by subsection (a) does not preclude the Secretary of Defense from authorizing the Secretary of a military department or head of a Defense Agency to provide a preference for another vehicle technology that reduces the consumption of fossil fuels if the Secretary of Defense determines that the technology is consistent with the energy performance goals and plan of the Department required by section 2911 of this title.

(Added Pub. L. 111-84, div. B, title XXVIII, §2844(a), Oct. 28, 2009, 123 Stat. 2682; amended Pub. L. 112-81, div. B, title XXVIII, §2821(b)(3), Dec. 31, 2011, 125 Stat. 1691.)

#### Editorial Notes

##### AMENDMENTS

2011—Subsec. (d). Pub. L. 112-81 struck out subsec. (d), which defined “hybrid”.

#### Statutory Notes and Related Subsidiaries

##### REGULATIONS

Pub. L. 111-84, div. B, title XXVIII, §2844(c), Oct. 28, 2009, 123 Stat. 2682, provided that: “The Secretary of Defense shall prescribe regulations to implement section 2922g of title 10, United States Code, as added by subsection (a), within one year after the date of the enactment of this Act [Oct. 28, 2009].”

#### § 2922h. Limitation on procurement of drop-in fuels

(a) LIMITATION.—Except as provided in subsection (b), the Secretary of Defense may not make a bulk purchase of a drop-in fuel for operational purposes unless the fully burdened cost of that drop-in fuel is cost-competitive with the fully burdened cost of a traditional fuel available for the same purpose.

(b) WAIVER.—(1) Subject to the requirements of paragraph (2), the Secretary of Defense may waive the limitation under subsection (a) with respect to a purchase.

(2) Not later than 30 days after issuing a waiver under this subsection, the Secretary shall submit to the congressional defense committees notice of the waiver. Any such notice shall include each of the following:

(A) The rationale of the Secretary for issuing the waiver.

(B) A certification that the waiver is in the national security interest of the United States.

(C) The expected fully burdened cost of the purchase for which the waiver is issued.

(c) DEFINITIONS.—In this section:

(1) The term “drop-in fuel” means a neat or blended liquid hydrocarbon fuel designed as a direct replacement for a traditional fuel with

comparable performance characteristics and compatible with existing infrastructure and equipment.

(2) The term “traditional fuel” means a liquid hydrocarbon fuel derived or refined from petroleum.

(3) The term “operational purposes”—

(A) means for the purposes of conducting military operations, including training, exercises, large scale demonstrations, and moving and sustaining military forces and military platforms; and

(B) does not include research, development, testing, evaluation, fuel certification, or other demonstrations.

(4) The term “fully burdened cost” means the commodity price of the fuel plus the total cost of all personnel and assets required to move and, when necessary, protect the fuel from the point at which the fuel is received from the commercial supplier to the point of use.

(Added Pub. L. 114-92, div. A, title III, §311(a), Nov. 25, 2015, 129 Stat. 787.)

#### § 2922i. Multiyear contracts: purchase of electricity from renewable energy sources

(a) MULTIYEAR CONTRACTS AUTHORIZED.—Subject to subsection (b), the Secretary of Defense may enter into a contract for a period not to exceed 10 years for the purchase of electricity from sources of renewable energy, as that term is defined in section 203(b)(2) of the Energy Policy Act of 2005 (42 U.S.C. 15852(b)(2)).

(b) LIMITATIONS ON CONTRACTS FOR PERIODS IN EXCESS OF FIVE YEARS.—The Secretary may exercise the authority in subsection (a) to enter into a contract for a period in excess of five years only if the Secretary determines, on the basis of a business case analysis prepared by the Department of Defense, that—

(1) the proposed purchase of electricity under such contract is cost effective for the Department of Defense; and

(2) it would not be possible to purchase electricity from the source in an economical manner without the use of a contract for a period in excess of five years.

(c) RELATIONSHIP TO OTHER MULTIYEAR CONTRACTING AUTHORITY.—Nothing in this section shall be construed to preclude the Department of Defense from using other multiyear contracting authority of the Department to purchase renewable energy.

(Added Pub. L. 110-181, div. A, title VIII, §828(a), Jan. 28, 2008, 122 Stat. 229, §2410q; renumbered §2922i, Pub. L. 116-283, div. A, title XVIII, §1879(a), Jan. 1, 2021, 134 Stat. 4293.)

#### Editorial Notes

##### AMENDMENTS

2021—Pub. L. 116-283 renumbered section 2410q of this title as this section.
