In subsection (a) the words “in civil life” are added to indicate that regular enlisted members, to be eligible, must be discharged as is required by subsection (b).

In subsection (b) the words before the first proviso are omitted as executed. The words “after June 13, 1949” in the first proviso, relating to a declaration of emergency by Congress, are omitted as executed. The emergencies existing on June 13, 1949, have expired, as indicated in the Act of July 3, 1952, ch. 570, 66 Stat. 333. The word “Regular” is inserted before “Navy” and “Marine Corps” to preserve the meaning of this provision which distinguishes members of the reserve components from members of the Navy and the Marine Corps. The words “who are discharged for the purpose of enlisting as aviation cadets” are added. Since discharge from a regular component must precede enlistment in a reserve component, the designation language of 34 U.S.C. 735b, although appropriate to the Air Force counterpart to which it also applies, is inappropriate to this section.

Subsection (c) is written as a condition precedent to enlistment or transfer, and not as a requirement, to conform with interpretation of the provision.
