A regulated entity that is classified as significantly undercapitalized may not make any capital distribution that would result in the regulated entity being reclassified as critically undercapitalized. A regulated entity that is classified as significantly undercapitalized may not make any other capital distribution unless the Director approves the distribution.

(B) Standard for approval

The Director may approve a capital distribution by a regulated entity classified as significantly undercapitalized only if the Director determines that the distribution (i) will enhance the ability of the regulated entity to meet the risk-based capital level and the minimum capital level for the regulated entity promptly, (ii) will contribute to the long-term financial safety and soundness of the regulated entity, or (iii) is otherwise in the public interest.

In addition to any other actions taken by the Director (including actions under subsection (a)), the Director shall carry out this section by taking, at any time, 1 or more of the following actions with respect to a regulated entity that is classified as significantly undercapitalized:

Order a new election for the board of directors of the regulated entity.

(B) Dismissal of directors or executive officers

Require the regulated entity to dismiss from office any director or executive officer who had held office for more than 180 days immediately before the date on which the regulated entity became undercapitalized. Dismissal under this subparagraph shall not be construed to be a removal pursuant to the enforcement powers of the Director under section 4636a of this title.

(C) Employ qualified executive officers

Require the regulated entity to employ qualified executive officers (who, if the Director so specifies, shall be subject to approval by the Director).

(6) Reclassification from significantly to critically undercapitalized

The Director may reclassify as critically undercapitalized a regulated entity that is classified as significantly undercapitalized (and the regulated entity shall be subject to the provisions of section 4617 of this title) if—
