#### § 5219. Foreclosure mitigation efforts

##### (a) Residential mortgage loan servicing standards

###### (1) In general

To the extent that the Secretary acquires mortgages, mortgage backed<sup>1</sup> securities, and other assets secured by residential real estate, including multifamily housing, the Secretary shall implement a plan that seeks to maximize

assistance for homeowners and use the authority of the Secretary to encourage the servicers of the underlying mortgages, considering net present value to the taxpayer, to take advantage of the HOPE for Homeowners Program under section 1715z-23 of this title or other available programs to minimize foreclosures. In addition, the Secretary may use loan guarantees and credit enhancements to facilitate loan modifications to prevent avoidable foreclosures and to remediate lead and asbestos hazards in residential properties.

##### (2) Waiver of certain provisions in connection with loan modifications

The Secretary shall not be required to apply executive compensation restrictions under section 5221 of this title, or to receive warrants or debt instruments under section 5223 of this title, solely in connection with any loan modification under this section.

In the case of a mortgage on a residential rental property, the plan required under this section shall include protecting Federal, State, and local rental subsidies and protections, and ensuring any modification takes into account the need for operating funds to maintain decent and safe conditions at the property.

##### (c) Consent to reasonable loan modification requests

Upon any request arising under existing investment contracts, the Secretary shall consent, where appropriate, and considering net present value to the taxpayer, to reasonable requests for loss mitigation measures, including term extensions, rate reductions, principal write downs, increases in the proportion of loans within a trust or other structure allowed to be modified, or removal of other limitation on modifications.
