

§ 657i. Coordination of disaster assistance programs with FEMA

(a) Coordination required

The Administrator shall ensure that the disaster assistance programs of the Administration are coordinated, to the maximum extent practicable, with the disaster assistance programs of the Federal Emergency Management Agency.

(b) Regulations required

The Administrator, in consultation with the Administrator of the Federal Emergency Management Agency, shall establish regulations to ensure that each application for disaster assistance is submitted as quickly as practicable to the Administration or directed to the appropriate agency under the circumstances.

(c) Completion; revision

The initial regulations shall be completed not later than 270 days after the date of the enactment of the Small Business Disaster Response and Loan Improvements Act of 2008. Thereafter, the regulations shall be revised on an annual basis.

(d) Report

The Administrator shall include a report on the regulations whenever the Administration submits the report required by section 657o of this title.

§ 657j. Information tracking and follow-up system for disaster assistance

(a) System required

The Administrator shall develop, implement, or maintain a centralized information system to track communications between personnel of the Administration and applicants for disaster assistance. The system shall ensure that whenever

an applicant for disaster assistance communicates with such personnel on a matter relating to the application, the following information is recorded:

- (1) The method of communication.
- (2) The date of communication.
- (3) The identity of the personnel.
- (4) A summary of the subject matter of the communication.

(b) Follow-up required

The Administrator shall ensure that an applicant for disaster assistance receives, by telephone, mail, or electronic mail, follow-up communications from the Administration at all critical stages of the application process, including the following:

- (1) When the Administration determines that additional information or documentation is required to process the application.
- (2) When the Administration determines whether to approve or deny the loan.
- (3) When the primary contact person managing the loan application has changed.

(c) Report on web portal for disaster loan application status

(1) In general

Not later than 90 days after November 25, 2015, the Administrator shall submit to the Committee on Small Business and Entrepreneurship of the Senate and the Committee on Small Business of the House of Representatives a report relating to the creation of a web portal to the¹ track the status of applications for disaster assistance under section 636(b) of this title.

(2) Contents

The report under paragraph (1) shall include—

- (A) information on the progress of the Administration in implementing the information system under subsection (a);
- (B) recommendations from the Administration relating to the creation of a web portal for applicants to check the status of an application for disaster assistance under section 636(b) of this title, including a review of best practices and web portal models from the private sector;
- (C) information on any related costs or staffing needed to implement such a web portal;
- (D) information on whether such a web portal can maintain high standards for data privacy and data security;
- (E) information on whether such a web portal will minimize redundancy among Administration disaster programs, improve management of the number of inquiries made by disaster applicants to employees located in the area affected by the disaster and to call centers, and reduce paperwork burdens on disaster victims; and
- (F) such additional information as is determined necessary by the Administrator.
