

§ 784. Exports of coal and refined petroleum products

(a) File concerning export transactions, sales, exchanges or shipments; establishment and maintenance; scope of information

The Administrator is authorized and directed to establish and maintain a file which shall contain information concerning every transaction, sale, exchange or shipment involving the export from the United States to a foreign nation of coal, crude oil, residual oil or any refined petroleum product. Information to be included in the file shall be current and shall include, but shall not be limited to, the name of the exporter (including the name or names of the holders of any beneficial interests), the volume and type of product involved in the export transaction, the manner of shipment and identification of the vessel or carrier, the destination, the name of the purchaser if a sale, exchange or other transaction is involved, and a statement of reasons justifying the export.

(b) Information and report to committee of Congress or head of Federal agency from Administrator; exception: disclosure detrimental to national security

Upon request of any committee of Congress or the head of any Federal agency, the Administrator shall promptly provide any information maintained in the file and a report thereon to such committee, or agency head, except where the President finds such disclosure to be detrimental to national security.

(c) Information to Administrator from Federal agency

Notwithstanding any other provision of law, any Federal agency which collects or has information relevant to the functions required by this section shall make such information available to the Administrator.

(d) Collection of independent information

The Administrator shall not be required to collect independently information described in subsection (a) if he can secure the information described in subsection (a) from other Federal agencies and the information secured from such agencies is available to the Congress pursuant to a request under subsection (b).

TRANSFER OF FUNCTIONS

Federal Energy Administration terminated and functions vested by law in Administrator thereof transferred to Secretary of Energy (unless otherwise specifically provided) by sections 7151(a) and 7293 of Title 42, The Public Health and Welfare.

§ 785. Foreign ownership; comprehensive review; sources of information; report to Congress; monitoring activity

The Administrator shall conduct a comprehensive review of foreign ownership of, influence on,

and control of domestic energy sources and supplies. Such review shall draw upon existing information, where available, and any independent investigation necessary by the Administration. The Administrator shall, on or before the expiration of the one hundred and eighty day period following the effective date of this chapter, report to the Congress in sufficient detail so as to apprise the Congress as to the extent and forms of such foreign ownership of, influence on, and control of domestic energy sources and supplies, and shall thereafter continue to monitor such ownership, influence and control.
