## EFFECTIVE DATE

Section effective 1 day after July 21, 2010, except as otherwise provided, see section 4 of Pub. L. 111-203, set out as a note under section 5301 of Title 12, Banks and Banking.

**§ 78o. Registration and regulation of brokers and dealers****(a) Registration of all persons utilizing exchange facilities to effect transactions; exemptions**

(1) It shall be unlawful for any broker or dealer which is either a person other than a natural person or a natural person not associated with a broker or dealer which is a person other than a natural person (other than such a broker or dealer whose business is exclusively intrastate and who does not make use of any facility of a national securities exchange) to make use of the mails or any means or instrumentality of interstate commerce to effect any transactions in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) unless such broker or dealer is registered in accordance with subsection (b) of this section.

(2) The Commission, by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (1) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

**(b) Manner of registration of brokers and dealers**

(1) A broker or dealer may be registered by filing with the Commission an application for registration in such form and containing such information and documents concerning such broker or dealer and any persons associated with such broker or dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. Within forty-five days of the date of the

filing of such application (or within such longer period as to which the applicant consents), the Commission shall—

(A) by order grant registration, or

(B) institute proceedings to determine whether registration should be denied. Such proceedings shall include notice of the grounds for denial under consideration and opportunity for hearing and shall be concluded within one hundred twenty days of the date of the filing of the application for registration. At the conclusion of such proceedings, the Commission, by order, shall grant or deny such registration. The Commission may extend the time for conclusion of such proceedings for up to ninety days if it finds good cause for such extension and publishes its reasons for so finding or for such longer period as to which the applicant consents.

The Commission shall grant such registration if the Commission finds that the requirements of this section are satisfied. The order granting registration shall not be effective until such broker or dealer has become a member of a registered securities association, or until such broker or dealer has become a member of a national securities exchange, if such broker or dealer effects transactions solely on that exchange, unless the Commission has exempted such broker or dealer, by rule or order, from such membership. The Commission shall deny such registration if it does not make such a finding or if it finds that if the applicant were so registered, its registration would be subject to suspension or revocation under paragraph (4) of this subsection.

(2)(A) An application for registration of a broker or dealer to be formed or organized may be made by a broker or dealer to which the broker or dealer to be formed or organized is to be the successor. Such application, in such form as the Commission, by rule, may prescribe, shall contain such information and documents concerning the applicant, the successor, and any persons associated with the applicant or the successor, as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. The grant or denial of registration to such an applicant shall be in accordance with the procedures set forth in paragraph (1) of this subsection. If the Commission grants such registration, the registration shall terminate on the forty-fifth day after the effective date thereof, unless prior thereto the successor shall, in accordance with such rules and regulations as the Commission may prescribe, adopt the application for registration as its own.

(B) Any person who is a broker or dealer solely by reason of acting as a municipal securities dealer or municipal securities broker, who so acts through a separately identifiable department or division, and who so acted in such a manner on June 4, 1975, may, in accordance with such terms and conditions as the Commission, by rule, prescribes as necessary and appropriate in the public interest and for the protection of investors, register such separately identifiable department or division in accordance with this subsection. If any such department or division is so registered, the department or division and

not such person himself shall be the broker or dealer for purposes of this chapter.

(C) Within six months of the date of the granting of registration to a broker or dealer, the Commission, or upon the authorization and direction of the Commission, a registered securities association or national securities exchange of which such broker or dealer is a member, shall conduct an inspection of the broker or dealer to determine whether it is operating in conformity with the provisions of this chapter and the rules and regulations thereunder: *Provided, however,* That the Commission may delay such inspection of any class of brokers or dealers for a period not to exceed six months.

(3) Any provision of this chapter (other than section 78e of this title and subsection (a) of this section) which prohibits any act, practice, or course of business if the mails or any means or instrumentality of interstate commerce is used in connection therewith shall also prohibit any such act, practice, or course of business by any registered broker or dealer or any person acting on behalf of such a broker or dealer, irrespective of any use of the mails or any means or instrumentality of interstate commerce in connection therewith.

(4) The Commission, by order, shall censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding twelve months, or revoke the registration of any broker or dealer if it finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or revocation is in the public interest and that such broker or dealer, whether prior or subsequent to becoming such, or any person associated with such broker or dealer, whether prior or subsequent to becoming so associated—

(5) Pending final determination whether any registration under this subsection shall be revoked, the Commission, by order, may suspend such registration, if such suspension appears to the Commission, after notice and opportunity for hearing, to be necessary or appropriate in the public interest or for the protection of investors. Any registered broker or dealer may, upon such terms and conditions as the Commission deems necessary or appropriate in the public interest or for the protection of investors, withdraw from registration by filing a written notice of withdrawal with the Commission. If the Commission finds that any registered broker or dealer is no longer in existence or has ceased to do business as a broker or dealer, the Commission, by order, shall cancel the registration of such broker or dealer.

(6)(A) With respect to any person who is associated, who is seeking to become associated, or, at the time of the alleged misconduct, who was associated or was seeking to become associated with a broker or dealer, or any person participating, or, at the time of the alleged misconduct, who was participating, in an offering of any penny stock, the Commission, by order, shall censure, place limitations on the activities or functions of such person, or suspend for a period not exceeding 12 months, or bar any such person from being associated with a broker, dealer, investment adviser, municipal securities dealer, municipal advisor, transfer agent, or nationally recognized statistical rating organization, or from participating in an offering of penny stock, if the Commission finds, on the record after notice and opportunity for a hearing, that such censure, placing of limitations, suspension, or bar is in the public interest and that such person—

(ii) for any broker or dealer to permit such a person, without the consent of the Commission, to become or remain, a person associated with the broker or dealer in contravention of such order, if such broker or dealer knew, or in the exercise of reasonable care should have known, of such order; or

sion, to participate in an offering of penny stock in contravention of such order, if such broker or dealer knew, or in the exercise of reasonable care should have known, of such order and of such participation.

(C) For purposes of this paragraph, the term "person participating in an offering of penny stock" includes any person acting as any promoter, finder, consultant, agent, or other person who engages in activities with a broker, dealer, or issuer for purposes of the issuance or trading in any penny stock, or inducing or attempting to induce the purchase or sale of any penny stock. The Commission may, by rule or regulation, define such term to include other activities, and may, by rule, regulation, or order, exempt any person or class of persons, in whole or in part, conditionally or unconditionally, from such term.

(7) No registered broker or dealer or government securities broker or government securities dealer registered (or required to register) under section 78o-5(a)(1)(A) of this title shall effect any transaction in, or induce the purchase or sale of, any security unless such broker or dealer meets such standards of operational capability and such broker or dealer and all natural persons associated with such broker or dealer meet such standards of training, experience, competence, and such other qualifications as the Commission finds necessary or appropriate in the public interest or for the protection of investors. The Commission shall establish such standards by rules and regulations, which may—

(A) specify that all or any portion of such standards shall be applicable to any class of brokers and dealers and persons associated with brokers and dealers;

(B) require persons in any such class to pass tests prescribed in accordance with such rules and regulations, which tests shall, with respect to any class of partners, officers, or supervisory employees (which latter term may be defined by the Commission's rules and regulations and as so defined shall include branch managers of brokers or dealers) engaged in the management of the broker or dealer, include questions relating to bookkeeping, accounting, internal control over cash and securities, supervision of employees, maintenance of records, and other appropriate matters; and

(C) provide that persons in any such class other than brokers and dealers and partners, officers, and supervisory employees of brokers or dealers, may be qualified solely on the basis of compliance with such standards of training and such other qualifications as the Commission finds appropriate.

The Commission, by rule, may prescribe reasonable fees and charges to defray its costs in carrying out this paragraph, including, but not limited to, fees for any test administered by it or under its direction. The Commission may cooperate with registered securities associations and national securities exchanges in devising and administering tests and may require registered brokers and dealers and persons associated with such brokers and dealers to pass tests administered by or on behalf of any such association or exchange and to pay such association

or exchange reasonable fees or charges to defray the costs incurred by such association or exchange in administering such tests.

(8) It shall be unlawful for any registered broker or dealer to effect any transaction in, or induce or attempt to induce the purchase or sale of, any security (other than or<sup>2</sup> commercial paper, bankers' acceptances, or commercial bills), unless such broker or dealer is a member of a securities association registered pursuant to section 78o-3 of this title or effects transactions in securities solely on a national securities exchange of which it is a member.

(9) The Commission by rule or order, as it deems consistent with the public interest and the protection of investors, may conditionally or unconditionally exempt from paragraph (8) of this subsection any broker or dealer or class of brokers or dealers specified in such rule or order.

(10) For the purposes of determining whether a person is subject to a statutory disqualification under section 78f(c)(2), 78o-3(g)(2), or 78q-1(b)(4)(A) of this title, the term "Commission" in paragraph (4)(B) of this subsection shall mean "exchange", "association", or "clearing agency", respectively.

(A) NOTICE REGISTRATION.—

(i) CONTENTS OF NOTICE.—Notwithstanding paragraphs (1) and (2), a broker or dealer required to register only because it effects transactions in security futures products on an exchange registered pursuant to section 78f(g) of this title may register for purposes of this section by filing with the Commission a written notice in such form and containing such information concerning such broker or dealer and any persons associated with such broker or dealer as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors. A broker or dealer may not register under this paragraph unless that broker or dealer is a member of a national securities association registered under section 78o-3(k) of this title.

(ii) IMMEDIATE EFFECTIVENESS.—Such registration shall be effective contemporaneously with the submission of notice, in written or electronic form, to the Commission, except that such registration shall not be effective if the registration would be subject to suspension or revocation under paragraph (4).

(iii) SUSPENSION.—Such registration shall be suspended immediately if a national securities association registered pursuant to section 78o-3(k) of this title suspends the membership of that broker or dealer.

(iv) TERMINATION.—Such registration shall be terminated immediately if any of the above stated conditions for registration set forth in this paragraph are no longer satisfied.

(1)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than commercial paper, bankers' acceptances, or commercial bills), or any security-based swap agreement by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(B) No broker, dealer, or municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security or any security-based swap agreement involving a municipal security by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or to attempt to induce the purchase

or sale of, any government security or any security-based swap agreement involving a government security by means of any manipulative, deceptive, or other fraudulent device or contrivance.

(2)(A) No broker or dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or commercial paper, bankers' acceptances, or commercial bills) otherwise than on a national securities exchange of which it is a member, in connection with which such broker or dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(B) No broker, dealer, or municipal securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any municipal security in connection with which such broker, dealer, or municipal securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(C) No government securities broker or government securities dealer shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or induce or attempt to induce the purchase or sale of, any government security in connection with which such government securities broker or government securities dealer engages in any fraudulent, deceptive, or manipulative act or practice, or makes any fictitious quotation.

(D) The Commission shall, for the purposes of this paragraph, by rules and regulations define, and prescribe means reasonably designed to prevent, such acts and practices as are fraudulent, deceptive, or manipulative and such quotations as are fictitious.

(E) The Commission shall, prior to adopting any rule or regulation under subparagraph (C), consult with and consider the views of the Secretary of the Treasury and each appropriate regulatory agency. If the Secretary of the Treasury or any appropriate regulatory agency comments in writing on a proposed rule or regulation of the Commission under such subparagraph (C) that has been published for comment, the Commission shall respond in writing to such written comment before adopting the proposed rule. If the Secretary of the Treasury determines, and notifies the Commission, that such rule or regulation, if implemented, would, or as applied does (i) adversely affect the liquidity or efficiency of the market for government securities; or (ii) impose any burden on competition not necessary or appropriate in furtherance of the purposes of this section, the Commission shall, prior to adopting the proposed rule or regulation, find that such rule or regulation is necessary and appropriate in furtherance of the purposes of this section notwithstanding the Secretary's determination.

(3)(A) No broker or dealer (other than a government securities broker or government securities dealer, except a registered broker or dealer) shall make use of the mails or any means or instrumentality of interstate commerce to effect

(B) Consistent with this chapter, the Commission, in consultation with the Commodity Futures Trading Commission, shall issue such rules, regulations, or orders as are necessary to avoid duplicative or conflicting regulations applicable to any broker or dealer registered with the Commission pursuant to subsection (b) (except paragraph (1) thereof), that is also registered with the Commodity Futures Trading Commission pursuant to section 4f(a) of the Commodity Exchange Act [7 U.S.C. 6f(a)] (except paragraph (2) thereof), with respect to the application of: (i) the provisions of section 78h of this title, subsection (c)(3), and section 78q of this title and the rules and regulations thereunder related to the treatment of customer funds, securities, or property, maintenance of books and records, financial reporting, or other financial responsibility rules, involving security futures products; and (ii) similar provisions of the Commodity Exchange Act [7 U.S.C. 1 et seq.] and rules and regulations thereunder involving security futures products.

(C) Notwithstanding any provision of sections 2(a)(1)(C)(i) or 4d(a)(2) of the Commodity Exchange Act [7 U.S.C. 2(a)(1)(C)(i), 6d(a)(2)] and the rules and regulations thereunder, and pursuant to an exemption granted by the Commission under section 78mm of this title or pursuant to a rule or regulation, cash and securities may be held by a broker or dealer registered pursuant to subsection (b)(1) and also registered as a futures commission merchant pursuant to section 4f(a)(1) of the Commodity Exchange Act [7 U.S.C. 6f(a)(1)], in a portfolio margining account carried as a futures account subject to section 4d of the Commodity Exchange Act [7 U.S.C. 6d] and the rules and regulations thereunder, pursuant to a portfolio margining program approved by the Commodity Futures Trading Commission, and subject to subchapter IV of chapter 7 of title 11 and the rules and regulations thereunder. this title or subsection (d) or any rule or regulation thereunder has failed to comply with any such provision, rule, or regulation in any material respect, the Commission may publish its findings and issue an order requiring such person, and any person who was a cause of the failure to comply due to an act or omission the person knew or should have known would contribute to the failure to comply, to comply, or to take steps to effect compliance, with such provision or such rule or regulation thereunder upon such terms and conditions and within such time as the Commission may specify in such order.

(5) No dealer (other than a specialist registered on a national securities exchange) acting in the capacity of market maker or otherwise shall make use of the mails or any means or instrumentality of interstate commerce to effect any transaction in, or to induce or attempt to induce the purchase or sale of, any security (other than an exempted security or a municipal security) in contravention of such specified and appropriate standards with respect to dealing as the Commission, by rule, shall prescribe as necessary or appropriate in the public interest and for the protection of investors, to maintain fair and orderly markets, or to remove impediments to and perfect the mechanism of a national market system. Under the rules of the Commission a dealer in a security may be prohibited from acting as a broker in that security.

Nothing in this paragraph shall be construed (A) to affect the authority of the Board of Governors of the Federal Reserve System, pursuant to section 78g of this title, to prescribe rules and regulations for the purpose of preventing the excessive use of credit for the purchase or carrying of securities, or (B) to authorize the Commission to prescribe rules or regulations for such purpose.

(7) In connection with any bid for or purchase of a government security related to an offering of government securities by or on behalf of an issuer, no government securities broker, government securities dealer, or bidder for or purchaser of securities in such offering shall knowingly or willfully make any false or misleading written statement or omit any fact necessary to make any written statement made not misleading.

(8) PROHIBITION OF REFERRAL FEES.—No broker or dealer, or person associated with a broker or

dealer, may solicit or accept, directly or indirectly, remuneration for assisting an attorney in obtaining the representation of any person in any private action arising under this chapter or under the Securities Act of 1933 [15 U.S.C. 77a et seq.].

**(d) Supplementary and periodic information**

**(1) In general**

Each issuer which has filed a registration statement containing an undertaking which is or becomes operative under this subsection as in effect prior to August 20, 1964, and each issuer which shall after such date file a registration statement which has become effective pursuant to the Securities Act of 1933, as amended [15 U.S.C. 77a et seq.], shall file with the Commission, in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, such supplementary and periodic information, documents, and reports as may be required pursuant to section 78m of this title in respect of a security registered pursuant to section 78l of this title. The duty to file under this subsection shall be automatically suspended if and so long as any issue of securities of such issuer is registered pursuant to section 78l of this title. The duty to file under this subsection shall also be automatically suspended as to any fiscal year, other than the fiscal year within which such registration statement became effective, if, at the beginning of such fiscal year, the securities of each class, other than any class of asset-backed securities, to which the registration statement relates are held of record by less than 300 persons, or, in the case of a bank, a savings and loan holding company (as defined in section 1467a of title 12), or a bank holding company, as such term is defined in section 1841 of title 12, 1,200 persons.<sup>1</sup> For the purposes of this subsection, the term "class" shall be construed to include all securities of an issuer which are of substantially similar character and the holders of which enjoy substantially similar rights and privileges. The Commission may, for the purpose of this subsection, define by rules and regulations the term "held of record" as it deems necessary or appropriate in the public interest or for the protection of investors in order to prevent circumvention of the provisions of this subsection. Nothing in this subsection shall apply to securities issued by a foreign government or political subdivision thereof.

(ii) the number of shares to which such bid and ask prices apply, or other comparable information relating to the depth and liquidity of the market for such stock; and

(iii) the amount and a description of any compensation that the broker or dealer and the associated person thereof will receive or has received in connection with such transaction;

##### **(B) Examination and enforcement authority**

Subparagraph (A) does not apply with respect to the examination and enforcement of any law, rule, regulation, or administrative action of a State or political subdivision thereof in which the principal place of business of a registered funding portal is located, provided that such law, rule, regulation, or administrative action is not in addition to or different from the requirements for registered funding portals established by the Commission.

**(B) Rules of construction**

For purposes of subparagraph (A)(i)(II)—

**(j)<sup>4</sup> Rulemaking to extend requirements to new hybrid products****(1) Consultation**

Prior to commencing a rulemaking under this subsection, the Commission shall consult with and seek the concurrence of the Board concerning the imposition of broker or dealer registration requirements with respect to any new hybrid product. In developing and promulgating rules under this subsection, the Commission shall consider the views of the Board, including views with respect to the nature of the new hybrid product; the history, purpose, extent, and appropriateness of the regulation of the new product under the Federal banking laws; and the impact of the proposed rule on the banking industry.

**(2) Limitation**

The Commission shall not—

(A) require a bank to register as a broker or dealer under this section because the bank engages in any transaction in, or buys or sells, a new hybrid product; or

(B) bring an action against a bank for a failure to comply with a requirement described in subparagraph (A),

unless the Commission has imposed such requirement by rule or regulation issued in accordance with this section.

**(3) Criteria for rulemaking**

The Commission shall not impose a requirement under paragraph (2) of this subsection with respect to any new hybrid product unless the Commission determines that—

(A) the new hybrid product is a security; and

(B) imposing such requirement is necessary and appropriate in the public interest and for the protection of investors.

**(4) Considerations**

In making a determination under paragraph (3), the Commission shall consider—

(A) the nature of the new hybrid product; and

(B) the history, purpose, extent, and appropriateness of the regulation of the new hybrid product under the Federal securities laws and under the Federal banking laws.

**(5) Objection to Commission regulation****(A) Filing of petition for review**

Upon receipt of the petition, the Commission shall file with the court the regulation under review and any documents referred to therein, and any other relevant materials prescribed by the court.

**(C) Exclusive jurisdiction**

On the date of the filing of the petition under subparagraph (A), the court has jurisdiction, which becomes exclusive on the filing of the materials set forth in subparagraph (B), to affirm and enforce or to set aside the regulation at issue.

**(D) Standard of review**

The court shall determine to affirm and enforce or set aside a regulation of the Commission under this subsection, based on the determination of the court as to whether—

- (i) the subject product is a new hybrid product, as defined in this subsection;
- (ii) the subject product is a security; and
- (iii) imposing a requirement to register as a broker or dealer for banks engaging in transactions in such product is appropriate in light of the history, purpose, and extent of regulation under the Federal securities laws and under the Federal banking laws, giving deference neither to the views of the Commission nor the Board.

**(E) Judicial stay**

The filing of a petition by the Board pursuant to subparagraph (A) shall operate as a judicial stay, until the date on which the determination of the court is final (including any appeal of such determination).

**(k)<sup>5</sup> Registration or succession to a United States broker or dealer**

In determining whether to permit a foreign person or an affiliate of a foreign person to register as a United States broker or dealer, or succeed to the registration of a United States broker or dealer, the Commission may consider whether, for a foreign person, or an affiliate of a foreign person that presents a risk to the stability of the United States financial system, the home country of the foreign person has adopted, or made demonstrable progress toward adopting, an appropriate system of financial regulation to mitigate such risk.

**(l)<sup>6</sup> Termination of a United States broker or dealer**

For a foreign person or an affiliate of a foreign person that presents such a risk to the stability of the United States financial system, the Commission may determine to terminate the registration of such foreign person or an affiliate of such foreign person as a broker or dealer in the United States, if the Commission determines that the home country of the foreign person has not adopted, or made demonstrable progress toward adopting, an appropriate system of financial regulation to mitigate such risk.

**(k)<sup>7</sup> Standard of conduct**

**(1) In general**

Notwithstanding any other provision of this chapter or the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.], the Commission may promulgate rules to provide that, with respect to a broker or dealer, when providing personalized investment advice about securities to a retail customer (and such other customers as the Commission may by rule provide), the standard of conduct for such broker or dealer with respect to such customer shall be the same as the standard of conduct applicable to an investment adviser under section 211 of the Investment Advisers Act of 1940 [15 U.S.C. 80b-11]. The receipt of compensation based on commission or other standard compensation for the sale of securities shall not, in and of itself, be considered a violation of such standard applied to a broker or dealer. Nothing in this section shall require a broker or dealer or registered representative to have a continuing duty of care or loyalty to the customer after providing personalized investment advice about securities.

**(2) Disclosure of range of products offered**

Where a broker or dealer sells only proprietary or other limited range of products, as determined by the Commission, the Commission may by rule require that such broker or dealer provide notice to each retail customer and obtain the consent or acknowledgment of the customer. **(m) Harmonization of enforcement**

The enforcement authority of the Commission with respect to violations of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer shall include—

(2) the enforcement authority of the Commission with respect to violations of the standard of conduct applicable to an investment adviser under the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.], including the authority to impose sanctions for such violations, and

the Commission shall seek to prosecute and sanction violators of the standard of conduct applicable to a broker or dealer providing personalized investment advice about securities to a retail customer under this chapter to<sup>9</sup> same extent as the Commission prosecutes and sanctions violators of the standard of conduct applicable to an investment advisor under the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.].

**(n) Disclosures to retail investors**

**(1) In general**

Notwithstanding any other provision of the securities laws, the Commission may issue rules designating documents or information that shall be provided by a broker or dealer to a retail investor before the purchase of an investment product or service by the retail investor.

**(2) Considerations**

In developing any rules under paragraph (1), the Commission shall consider whether the rules will promote investor protection, efficiency, competition, and capital formation.

**(3) Form and contents of documents and information**

#### PENNY STOCK REFORM; CONGRESSIONAL STATEMENT OF FINDINGS

Pub. L. 101-429, title V, §502, Oct. 15, 1990, 104 Stat. 951, provided that: “The Congress finds the following:

“(1) The maintenance of an honest and healthy primary and secondary market for securities offerings is essential to enhancing long-term capital formation and economic growth and providing legitimate investment opportunities for individuals and institutions.

“(2) Protecting investors in new securities is a critical component in the maintenance of an honest and healthy market for such securities.

“(3) Protecting issuers of new securities and promoting the capital formation process on behalf of small companies are fundamental concerns in maintaining a strong economy and viable trading markets.

“(4) Unscrupulous market practices and market participants have pervaded the ‘penny stock’ market with an overwhelming amount of fraud and abuse.

“(5) Although the Securities and Exchange Commission, State securities regulators, and securities self-regulators have made efforts to curb these abusive and harmful practices, the penny stock market still lacks an adequate and sufficient regulatory structure, particularly in comparison to the structure for overseeing trading in National Market System securities.

“(6) Investors in the penny stock market suffer from a serious lack of adequate information concerning price and volume of penny stock transactions, the nature of this market, and the specific securities in which they are investing.

“(7) Current practices do not adequately regulate the role of ‘promoters’ and ‘consultants’ in the penny stock market, and many professionals who have been banned from the securities markets have ended up in promoter and consultant roles, contributing substantially to fraudulent and abusive schemes.

“(8) The present regulatory environment has permitted the ascendancy of the use of particular market practices, such as ‘reverse mergers’ with shell corporations and ‘blank check’ offerings, which are used to facilitate manipulation schemes and harm investors.

“(9) In light of the substantial and continuing problems in the penny stock markets, additional legislative measures are necessary and appropriate.”
